

Hurricane Planning & Evacuation Information for Homeless Citizens

START NOW

- Know the closest shelters and transport sites.
- **Special Needs:** If you have special medical needs, **REGISTER NOW.** Call your local fire department or Pinellas County Emergency Management at (727) 464-3800, or go online to: www.pinellascounty.org/emergency/Local.htm.

BEFORE THE STORM *(48 to 12 hours prior)*

- **Notification:** Watch the local media for updates on the storm. Look for notices at soup kitchens, shelters and drop-in centers.
- **DO NOT WAIT!** When notice to evacuate is given, go immediately to a shelter or transport site.

EVACUATION

- **Buses:** Free transportation will be provided to homeless-friendly shelters. A wheelchair accessible bus will be provided to those in need of this service.
- Once you arrive at the shelter, stay at the shelter until you are told it is safe to leave.

AFTER THE STORM

- **Return Buses:** You will get free transportation to return to the starting pick-up sites.
