The companies listed above are **neither endorsed or favored**, by the Pinellas County Air Quality Division. The names are merely provided for reference as a service to citizens. You may want to check with [The State of Florida Department of Business and Profession Regulation](#) to see if a current ASBESTOS CONSULTANT license is in place and an ASBESTOS BUSINESS license. The consultant license is in the name of an individual and the Business license is in the name of the company. The firms you may deal with should be able to give you this information (name & number) and you can verify their licensure by logging onto their website: <https://www.myfloridalicense.com/Default.asp>
