

Sponsorship Levels

Traditionally speaking, the 10th anniversary symbol is that of tin and/or aluminum. On February 27- 28, 2009, we will celebrate the Tenth Anniversary of the Florida African American Heritage Celebration. Our sponsorship levels reflect historic tin icons that are integral parts of the archival collections of historical museums throughout the USA and that are especially woven into the social fabric of our community. Please support us in our endeavor to preserve and celebrate the accomplishments and contributions of African Americans in Pinellas County. Our sponsorship levels are as follows:
