- Assists analysts in the laboratory, as required;
- May deliver or pickup items from other County facilities;
- Performs other related job duties as assigned.

QUALIFICATIONS

Education and Experience:
Two (2) years of laboratory work experience; or graduation from high school with coursework in chemistry, biology, or related sciences and one (1) year of laboratory work experience; or college level coursework in chemistry, biology, or related sciences; or an equivalent combination of education, training, and/or experience.

Special Qualifications (May be required depending on area of assignment):
- Florida Driver's License or Florida Commercial Driver’s License and endorsement, if any.
- Assignment to work a variety of work schedules including compulsory work periods in special, emergency, and/or disaster situations.
• Proficiency working with computers and various types of software, including Microsoft products.
• Ability to distinguish and identify different colors.
• Other knowledge, skills, abilities, and credentials required for a specific position.

Knowledge, Skills and Abilities:
• Knowledge of laboratory techniques and procedures, including safety protocols;
• Knowledge of chemistry, biology, and/or other related sciences;
• Knowledge of drinking water and wastewater treatment processes; and/or environmental monitoring;
• Knowledge of mathematics through algebra;
• Ability to carry out oral and written instructions and directives proficiently;
• Ability to perform basic laboratory analyses within specific protocols;
• Ability to keep complete, accurate records and compile data;
• Ability to establish and maintain effective working relationships with others in a team environment;
• Ability to be well organized, attentive to detail, and able to multi-task;
• Ability to be flexible in order to work with and provide support for a number of people;
• Ability to use small office equipment, computers, and highly technical computer applications.

PHYSICAL/MENTAL DEMANDS
The work is medium work which requires exerting up to 50 pounds of force occasionally, and/or up to 30 pounds of force frequently, and/or up to 10 pounds of force constantly to move objects. Additionally, the following physical abilities are required:
• Crouching: Bending the body downward and forward by bending leg and spine.
• Feeling: Perceiving attributes of objects, such as size, shape, temperature or texture by touching with skin, particularly that of fingertips.
• Fingering: Picking, pinching, typing, or otherwise working, primarily with fingers rather than with the whole hand as in handling.
• Grasping: Applying pressure to an object with the fingers and palm.
• Handling: Picking, holding, or otherwise working, primarily with the whole hand.
• Kneeling: Bending legs at knee to come to a rest on knee or knees.
• Lifting: Raising objects from a lower to a higher position or moving objects horizontally from position-to-position. Occurs to a considerable degree and requires substantial use of upper extremities and back muscles.
• Pulling: Using upper extremities to exert force in order to draw, haul or tug objects in a sustained motion.
• Pushing: Using upper extremities to press against something with steady force in order to thrust forward, downward or outward.
• Reaching: Extending hand(s) and arm(s) in any direction.
• Visual ability: Sufficient to effectively operate office equipment including copier, computer, etc.; and to read and write reports, correspondence, instructions, etc.
• Hearing ability: Sufficient to hold a conversation with other individuals both in person and over a telephone; and to hear recording on transcription device.
• Speaking ability: Sufficient to communicate effectively with other individuals in person and over a telephone.
• Mental acuity: Ability to make rational decisions through sound logic and deductive processes.
• Talking: Expressing or exchanging ideas by means of the spoken word including those activities in which they must convey detailed or important spoken instructions to other workers accurately, loudly, or quickly.
• Repetitive motion: Substantial movements (motions) of the wrist, hands, and/or fingers.
• Standing: Particularly for sustained periods of time.
• Stooping: Bending body downward and forward by bending spine at the waist. Occurs to a considerable degree and requires full motion of the lower extremities and back muscles.
• Walking: Moving about on foot to accomplish tasks, particularly for long distances or moving from one work site to another.
WORKING CONDITIONS

Work is performed in a dynamic environment that requires me to be sensitive to change and responsive to changing goals, priorities, and needs.
