Community Development Specialist 4

Category: Classified/Excluded
Pay Grade: C31
Job Code: 06126

To perform this job successfully, an individual must be able to perform the essential job functions satisfactorily. Reasonable accommodations may be made to enable individuals with disabilities to perform the primary job functions herein described. Since every duty associated with this position may not be described herein, employees may be required to perform duties not specifically spelled out in the job description, but which may be reasonably considered to be incidental in the performing of their duties just as though they were actually written out in this job description.

**JOB SUMMARY**

This is a professional position managing and supervising community development and housing initiatives. Employees lead and guide others in planning, implementation and administration of grant funded housing and neighborhood improvement projects and programs. A high degree of technical knowledge is required and the incumbent performs with considerable independence and initiative. Employees in this class conduct research to determine community development needs, establish plans and strategies for implementation, develop and secure sources of funding, coordinate financial and construction policy and generally control comprehensive projects and activities from start to finish. This class encompasses a high degree of technical, creative and organizational responsibility as well as the exercise of considerable independence in the performance of complex studies, coordination of projects, providing technical assistance to a wide range of citizens' groups and for developing solutions to individual or community problems. Employees may direct activities of personnel and staff.

**ESSENTIAL JOB FUNCTIONS (examples, not all inclusive)**

- Supervises or manages a major administrative function such as a Neighborhood Revitalization Area, neighborhood outreach center, real estate development projects, housing assistance program or loan portfolio management.
- Develops, documents, presents, and implements long and short-term strategies in the redevelopment of neighborhoods and other community development areas.
- Identifies and documents community development needs, plans, projects or strategies to address those needs, and effectively utilizes the talents of other staff and available local resources for successful project implementation and control.
- Provides direct outreach to a wide range of citizens or citizens' associations, service groups, professional organizations and multiple governmental entities to inform them about neighborhood outreach centers and activities sponsored by the County.
- Reviews complex proposals and assistance requests with citizens or local organizations at meetings with County and non-county agencies or organizations to coordinate service delivery programs, analyzes public policy gaps, proposes new directions and action plans to produce an improved community.
- Implements neighborhood development programs and initiatives.
- Coordinates and plans activities with other governments, departments, citizen groups, and agencies to promote, plan, and implement program and development projects.
- Researches housing, community, and economic development problems, regulations, programs, and grants to assist the department and County in determining the viability of housing and community development activities.
- Participates in the evaluation, planning and development of grant applications, annual plans and neighborhood improvements.
• Analyzes and reports on proposed projects for feasibility, site development locations, acquisition and other community needs.
• Plans and executes real property acquisitions, provides technical assistance to subgrantee agencies or developers and coordinates projects requiring coordination between multiple departments.
• Performs related work as assigned or required.
