911 Public Safety Center Supervisor 1

Category: Classified  
Pay Grade: C25  
Job Code: 10840

To perform this job successfully, an individual must be able to perform the essential job functions satisfactorily. Reasonable accommodations may be made to enable individuals with disabilities to perform the primary job functions herein described. Since every duty associated with this position may not be described herein, employees may be required to perform duties not specifically spelled out in the job description, but which may be reasonably considered to be incidental in the performing of their duties just as though they were actually written out in this job description.

**JOB SUMMARY**

Performs telecommunications work overseeing and participating in the accurate and rapid dispatch of radio communication Fire/Emergency Management Systems (EMS) equipment; receiving and transmitting routine and emergency 911 calls; participating in training subordinate operators within the Public Safety Communications Center; operating and supervising the operation of several types of communications equipment used in an emergency communications center.

**ESSENTIAL JOB FUNCTIONS (examples, not all inclusive)**

- Supervises and reviews work of personnel performing a variety of duties in connection with the operation of a 911 primary answering point and direct radio dispatch of Fire and EMS response units;
- Ensures telecommunicators implement on-the-job best public safety practices in responding to and handling emergency calls applying the International Academies of Emergency Dispatch protocols;
- Handles scheduling of staff to ensure adequate coverage, including standby staff and callouts;
- Delivers formal start-up and end-of-shift operations briefings to telecommunicators;
- Conducts performance coaching and counseling of telecommunicators;
- Coordinates with other agencies in relaying or securing information and maintains constant contact with established operating frequencies;
- Corrects equipment malfunctions or reports the malfunction to the proper maintenance personnel;
- Monitors phone calls/radio traffic of telecommunicators to assist in improving their performance and to identify training needs;
- Assists telecommunicators with difficult emergency calls to elicit as much information as possible;
- Acts in the absence of the shift supervisor;
- Participates on the QA (Quality Assurance) and QIU (Quality Improvement Unit) teams to review Fire, EMS, and Law Enforcement calls;
- Receives telephone calls requesting assistance or information from citizens or emergency service agencies/personnel;
- Operates communications and associated peripheral communications equipment to dispatch units;
- Maintains required files, records, and accurate communications logs of pertinent transmissions of incoming and outgoing calls;
- Identifies training needs, conducts instruction and training of new telecommunicators and trainers, and maintains and updates Continuing Dispatch Education records;
- Conducts pre-scheduled tours of the Communications Center;
- Plans or attends various meetings; and
- Performs other related job duties as assigned.
QUALIFICATIONS

Education and Experience:
Must be at least 18 years of age and successfully obtain and maintain required certifications including, but not limited to: Florida Department of Law Enforcement (FDLE) Criminal Justice Information Services (CJIS) Level 3 - CJIS Security & Awareness Certification; State of Florida 911 Public Safety Telecommunicator Certification; Emergency Medical Dispatch Certification from the International Academies of Emergency Dispatch, and Cardiopulmonary Resuscitation (CPR) Certification within six (6) months of appointment; and three (3) years of experience in emergency, tactical, or customer/public complaint experience utilizing radio and/or telephone communications, which includes two (2) years of experience in public safety telecommunications that includes trainer/mentor, lead worker, quality assurance reviewer, or supervisory training; or an equivalent combination of education, training, and/or experience.

Special Qualifications (May be required depending on area of assignment):
- Florida Driver's License or Florida Commercial Driver’s License and endorsement, if any.
