

SECTION MANAGER 2

Job Code	Pay Grade
16844	SM4a

Nature of Work

This is highly responsible managerial, administrative, and technical work managing the operations of a section within a division of Utilities, Public Works, or Engineering. Work involves responsibility for the management and coordination of the day-to-day operations of the section. Duties also involve working with upper level management on critical issues and organizational policies. The incumbent in this class is responsible for making important procedural and operational recommendations to management to ensure maximum management efficiency. The difference between the level of this class and other section manager classes is due to the defined scope of work, complexity, fiscal responsibility, finality of action, and labor market. Work is performed under general supervision with considerable independent judgment and initiative exercised in carrying out the daily operations of the section. Work is performed under the general supervision of a Department Director, Division Director, or designee.
