Finance Operations Analyst

Category: Classified  
Pay Grade: C23  
Job Code: 18804

To perform this job successfully, an individual must be able to perform the essential job functions satisfactorily. Reasonable accommodations may be made to enable individuals with disabilities to perform the primary job functions herein described. Since every duty associated with this position may not be described herein, employees may be required to perform duties not specifically spelled out in the job description, but which may be reasonably considered to be incidental in the performing of their duties just as though they were actually written out in this job description.

**JOB SUMMARY**

Performs professional accounting and financial assignments covering a variety of County Clerk of the Circuit Court (CCC) office tasks to support operations and for overall maintenance and review of accounting, financial statistical records, payments, receipts, fixed assets administration, and the accountability for County financial operations; supports multiple agencies and departments operations that require centralized and comprehensive services for maintenance and processing of county-wide finance, accounting, reporting, and recordkeeping systems covering major operations and activities including, but not limited to, county-wide payroll, contract administration, purchasing activities, court/judicial finances, accounts payable, accounts receivable, and other complex finance administration and projects.

**ESSENTIAL JOB FUNCTIONS (examples, not all inclusive)**

- Performs as an individual contributor with a primary role for complex and critical programs completing assignments, accounting tasks, reviews, and examining systems data or information implementing procedures and administrative steps for a recognized complex and more difficult combination of assignments or subject matters determined essential to CCC finance operations;
- Analyses and initiates action to address the financial and accounting transactions for one or more well-defined CCC operations, programs, support systems, or overall CCC reporting activity on a combination of regular, highly complex, and advanced assignments, for example, establishes or programs automated accounting OPUS templates, makes banking statement/exception system corrections, or completes operations-wide analysis and financial reconciliations related to major corrections in CCC financial records and resources;
- Maintains and audits CCC accounting records, payroll, invoices, billings, purchase orders, reports, and other records according to established account classifications including cash books, subsidiary journals, encumbrance accounting, inventory/property tracking systems, and general ledgers, posts entries to these record systems or books from supporting records, makes adjusting entries, and prepares reports and financial statements;
- Identifies, documents, tracks, analyses, and reports on capital expenses;
- Audits CCC ledger accounts, payrolls, and invoices of departments for mathematical correctness and legal compliance, examines and verifies all revenues from all sources, and reconciles book balances with bank balances;
- Performs CCC initiated research and special projects;
- Reviews and monitors federal and state grant agreements and prepares financial assistance schedule for routine, periodic, quarterly, and annual financial reports;
- Monitors expenditures for capital outlay, sets up yearly books, determines accounts, and recommends fund transfers;
- Examines and verifies bank statements and reconciles statements with internal ledgers;
- Develops, prepares, and monitors the department funds and audits and approves expenditures;
- May prepare and assist others to prepare purchase requisitions, vendor contacts/relations and prepares detailed bid specifications for capital outlay equipment, service contracts, and agreements;
• Maintains, administers, and operates Oracle and other CCC relational data processing systems, data entry, and retrieval for both routine and highly specialized computer terminal operations and programming/reprogramming;
• Audits progress payments for construction projects, prepares pay estimates, and progress payment logs;
• Analyzes and verifies daily edit reports, researches, and resolves problems;
• Oversees the collection, receipt, and disbursement of funds under Florida Statutes, rules, and regulations;
• Oversees and assists others processing of liens filed for non-payments;
• Performs computerized maintenance of schedules to properly account for transactions and fixed assets;
• Examines and verifies bank statements; reconciles statements with internal ledgers;
• Provides technical supervision to staff maintaining and compiling computer-generated spreadsheets, tracking incoming revenue, auditing daily deposits reconciliations, preparing daily deposits and reconciliation and revenue distribution reports, unit budgets, posting, and reconciling funds, department budgets, and revenue ledgers;
• Reviews, uploads, and posts budget amendments, resolutions, and actual and encumbrance journal vouchers;
• Checks for call center requests and processes accordingly;
• Processes unclaimed funds;
• May provide work and training instructions to subordinate clerical and technical staff involved in payroll preparation, personnel transactions, as well as other administrative support for accounting and finance operations functions;
• Performs other related job duties as assigned.

QUALIFICATIONS
