Finance & Accounting Analyst 2

Category: Classified/Excluded  
Pay Grade: C31  
Job Code: 18809

To perform this job successfully, an individual must be able to perform the essential job functions satisfactorily. Reasonable accommodations may be made to enable individuals with disabilities to perform the primary job functions herein described. Since every duty associated with this position may not be described herein, employees may be required to perform duties not specifically spelled out in the job description, but which may be reasonably considered to be incidental in the performing of their duties just as though they were actually written out in this job description.

JOB SUMMARY
This is highly responsible professional accounting, technical, analytical and administrative work involving systems, operations, management research, and quality assurance. An employee in this class is responsible for the development, coordination and implementation of work standards, methods, procedures, improvements, assessment, testing and evaluation of processes, procedures and practices in assigned areas and serves as a departmental expert in area of specialty. An employee in this class is also responsible for participating in the accounting activities of a diversified and complex accounting system including, contract compliance, internal/external audit compliance, procedures and financial analysis. Work requires exercising independent judgment in determining recommended courses of action and in the development and presentation of materials, independent application of generally accepted governmental accounting principles and review of financial transactions for compliance with best business practices, laws, regulations, contracts, policies and procedures.

ESSENTIAL JOB FUNCTIONS (examples, not all inclusive)
- Works on the development and implementation of new and improved plans, procedures, techniques and methods to adjust to changing requirements;
- Assists in developing policies and procedures to ensure the adequacy of accounting controls, ensure accurate audit trails and preparation of financial statements in accordance with generally accepted accounting principles and applicable laws rules and regulations;
- Prepares various periodic and annual financial and other required reports and work papers in compliance with all applicable laws, rules and regulations;
- Pre-audits complex invoices to ensure compliance with contract terms as well as any other applicable laws, rules, regulations, policies and procedures;
- Reviews, analyzes and monitors budgets, expenditures, and contracts to assure conformity with federal, state and county laws and regulations, grant requirements, and county and departmental procedures and practices;
- Conducts analyses of entries, transactions and accounts having an impact on the financial statements for reasonable accuracy and generates the appropriate correcting or adjusting entries;
- Assists in developing and enhancing computerized processing system applications as related to financial operations to maximize efficiency and effectiveness;
- Assists with troubleshooting system problems and testing proposed solutions, as well as testing of new functionality including upgrades, patches, etc; this also includes testing systems for compliance with established policies;
- Defines, analyzes and documents workflows;
- Creates and delivers training courses and presentations to internal and external customers;
- Performs other related job duties as assigned.
QUALIFICATIONS

Education and Experience:
An Associate’s degree in accounting, finance, business administration, public administration, or related field and five (5) years of professional experience in recognized accounting work; or a Bachelor’s degree and three (3) years of experience as described above; or a Master’s degree and one (1) year of experience as described above; or an equivalent combination of education, training, and/or experience.

Special Qualifications (May be required depending on area of assignment):
• Florida Driver's License or Florida Commercial Driver's License and endorsement, if any.
• Assignment to work a variety of work schedules including compulsory work periods in special, emergency, and/or disaster situations.
