2017 On-site Skin Screening

Convenient Skin Cancer Preventive Screenings Available to You at Work

This will save you a trip to the dermatologist! The skin screenings take approximately ten to fifteen minutes. Biopsy and cryotherapy procedures are also available. You will be billed by mail after the screening by OnSite Skin Solution (no money will be collected at the event). The cost for a basic screening is the specialist copay which is $35 for Point of Service (POS) Plan participants. The cost for Consumer Driven (HSA) Plan participants is subject to your deductible and coinsurance based on the contracted rate (check with OnSite Skin Solution or United Healthcare for more information).
