Become an Election Worker

If you have been retired from Pinellas County for longer than 1 year*, you can earn money while helping your community by becoming an Election Worker with the [Supervisor of Elections](#). Apply today at www.votepinellas.com/Election-Worker.

Election work can take many forms:

Poll Workers – Each poll worker is assigned to work at a specific polling location on Election Day. Poll workers must be available to set up their sites before the polls open and must remain at the polling place until after the polls close.

Early Voting Workers – Before all state and federal elections, the Supervisor of Elections staffs 3 to 5 early voting sites for voters who wish to cast their ballots prior to Election Day. Early voting can begin from 10 to 15 days before the election and last from 8 to 14 days. Early voting hours range from 8 to 12 hours a day.

Other Election Work – The Elections Office relies on temporary election workers to

- help answer phones in a Call Center environment
- open mail ballots
- sort and count ballots for the post-election audit
- process petitions for future ballot contests and initiatives
- perform other clerical tasks in support of upcoming elections.
