Retiree Benefits: What Happens When I Retire?

ELIGIBILITY

Retiree health, prescription, vision, dental, and group life insurance benefits are available to individuals who:

- are a participant in the Florida Retirement System (FRS) Pension Plan and are leaving County service to receive regular, early, or disability retirement benefits, or
- are a participant in the FRS Investment Plan, are leaving County service and either meet the age and service requirements to qualify for normal retirement (age 62 and vested or 30 years of service if hired before July 1, 2011 or age 65 and vested or 33 years of service if hired after that date) or have 6 years of creditable service (hired before July 1, 2011) or 8 years of creditable service (hired after July 1, 2011) and have reached age 59 1/2.

Please contact Employee Benefits at (727) 464-4570 to schedule your retirement meeting to enroll in coverage.

Enrollment forms must be received by Employee Benefits within 31 days of your leaving active employment. This is your only opportunity to enroll in these benefit plans.

Active employee benefits end on the last day of the month in which you separate employment if you elect retiree coverage. Otherwise, coverage ends at the end of the pay period in which your employment separation occurs. Retiree benefits will commence on the first day of the following month.

RETIREE HEALTH / PRESCRIPTION / VISION COVERAGE

Non-Medicare Eligible: If neither you nor a covered family member are Medicare eligible, you may enroll in either the Consumer Driven Health Plan with a Health Savings Account (HSA) or the Point of Service Health Plan which are the same plans available to active employees. If you enroll in the Consumer Driven Health Plan, Pinellas County will continue to fund your Optum Bank Health Savings Account (HSA) at the beginning of each calendar year.

Pinellas County provides an insurance subsidy for individuals hired prior to 1/1/11 with 10+ years of continuous service with the County and increases with longevity. Please see the Health Plan Rates for Non-Medicare Eligible Retirees at www.pinellascounty.org/hr/non-medicare-rates.

Medicare Eligible: When at least one covered family member becomes Medicare eligible, the Medicare eligible member may enroll in the Medicare Advantage Preferred Provider Organization plan (MAPPO). Any non-Medicare eligible family member will be enrolled in the Point of Service Health Plan. In order to enroll in the MAPPO plan, you must have both Medicare A & B coverage.

Medicare enrollment is only required when you separate service from Pinellas County, not while an active employee. It is your and your dependent’s responsibility to enroll in and pay for Medicare A & B to be effective when your MAPPO coverage begins or at the time...
you or your dependent becomes Medicare eligible. Not enrolling when eligible puts you at risk for a delay in coverage, late application penalty and/or loss of County coverage. **You are advised NOT to enroll in a stand-alone Medicare Part D plan.** If you do, you will lose County coverage and cannot re-enroll.

The Medicare Advantage PPO plan (MAPPO), administered by UnitedHealthcare, is specifically designed for Pinellas County Government retirees and their dependents. It offers health, prescription drug, and mental health benefits. Vision benefits are provided by Davis Vision. See Health Plan Rates for Medicare Eligible Retirees at [www.pinellascounty.org/hr/medicare-rates](http://www.pinellascounty.org/hr/medicare-rates).

**Health Savings Account (HSA):** If you have an HSA you may use your funds to pay for eligible medical and dental expenses including deductible, co-insurance and copays as well as eyeglasses and other expenses, regardless of which plan you are enrolled in. You are no longer eligible to receive or make contributions to your account if you are not enrolled in a high deductible plan such as the Consumer Driven Health Plan.

**RETIREE DENTAL COVERAGE**

You may enroll in the PPO or HMO dental plan, which are both administered by Cigna and provide the same coverage available to active employees. Both plans have separate networks, so please confirm your dentist’s participation prior to selecting a plan. The dental HMO is only available to retirees with a Florida address. The retiree pays the full cost of the premium for the selected coverage level. To learn more and view monthly premiums, visit [www.pinellascounty.org/hr/retiree-dental](http://www.pinellascounty.org/hr/retiree-dental).

**RETIREE LIFE INSURANCE**

The maximum coverage is $100,000. The minimum benefit amount is $5,000. For more information, see [www.pinellascounty.org/hr/retiree-life](http://www.pinellascounty.org/hr/retiree-life).
