Tuition Reimbursement

Purpose

Are you missing out on a Pinellas County benefit with the potential of receiving up to \$2,800 per fiscal year? Tuition Reimbursement is an employee benefit to help you further your education. This information session will help you understand the benefits of participating in this program, eligibility guidelines, the submission request process, and the iExpense repayment process.

There really is no reason not to take advantage. Even if you take only one or two classes, you are enriching your career while Pinellas County assists with the costs.

This course is strongly recommended as part of the Tuition Reimbursement eligibility process, as necessary documentation to request admission and repayment is covered.
