

New Employee Orientation

Welcome Aboard 2016

Welcome to employment with Pinellas County Government. In order to help you become acquainted with your new job, we have a robust orientation and onboarding program.

Orientation consists of three separate sessions. The first two sessions, Setting Sail & Muster Drill, are required for all employees. The third session, Freestyle Cruising, which covers the Florida Retirement System (FRS), deferred compensation and the Pinellas County Wellness Program is recommended.

Please make a note of your scheduled session and share them with your supervisor. You should receive automatic email reminders about your upcoming sessions.

If you have any questions or need to reschedule please contact Jeff Withrow at 727.464.3084.

Welcome Aboard: Setting Sail 8:30-5:00		Welcome Aboard: Muster Drill 8:30-12:00	Welcome Aboard: Freestyle Cruising 8:00-12:00
