

MOBILE MEDICAL UNIT ADVISORY COUNCIL

HHS|HRSA – PINELLAS COUNTY BOARD OF COUNTY COMMISSIONERS
HEALTH CARE FOR THE HOMELESS GRANT | #H80CS00024

MEETING AGENDA

SEPTEMBER 1, 2015 | 3:00 PM – 4:30 PM
JWB, 14155 58TH STREET NORTH, CLEARWATER FL 33760 | ROOM 181
CONFERENCE CALL-IN: DIAL 1-727-582-2255; PASSCODE: 718007

Welcome | Introductions

1. Chairman's Report

- i) Approval of Minutes, July 28, 2015
- ii) Patient/Consumer Recruitment for MMUAC
- iii) Unfinished Business/Follow-Up

2. Governance/Operations

- i) Project Director – Qualifications & Approval – *Lourdes Benedict*
- ii) MMU/Safe Harbor Calendar – *Drew Wagner*
- iii) Customer Satisfaction Survey – *Dale Williams*
- iv) Site Visit Compliance Update – *Elisa DeGregorio*

3. Fiscal

- i) Notice of Awards – *Elisa DeGregorio*
- ii) Service Area Competition Grant Application – *Elisa DeGregorio*
- iii) Substance Abuse Services Grant Application – *Elisa DeGregorio*

4. Clinical

- i) MMU Client Trend Report – *Drew Wagner*
- ii) Policies and Procedures – *Patricia Boswell*
 - (1) OB/GYN Referral Tracking
- iii) Credentialing & Privileging – *Patricia Boswell*
- iv) Patient Centered Medical Home Update – *Elisa DeGregorio*

5. Other Updates

- i) Bayside Health Clinic Update – *Elisa DeGregorio*
- ii) New Business

Adjournment | Next Meeting: Tuesday, October 4, 2015 @ 3:00 pm, Juvenile Welfare Board

TAB 1 - MINUTES

Minutes from the July 28, 2015 meeting of the Mobile Medical Unit Advisory Council

**Minutes of the Monthly Meeting of the
Mobile Medical Unit Advisory Council (MMUAC)
July 28, 2015 | 11:30 am**

Location of Meeting:

Juvenile Welfare Board
14155 58th Street North
Clearwater, FL 33760

Present at Meeting: Don Dean*, Laurie Lampert, Dianne Clark (by phone), Valerie Leonard*, Tom Wedekind, Mark Dufva, Sgt. Zachary Haisch, and Rhonda Abbott. Staff and community members present: Dr. Chitra Ravindra, Rhonda O'Brien, Drew Wagner, Dale Williams, Tim Burns, and Elisa DeGregorio. (*Consumer)

The regular meeting of the Mobile Medical Unit Advisory Committee (MMUAC) was called to order at 11:46 am on July 28, 2015 at JWB by Chairman Valerie Leonard. This meeting replaces the originally scheduled August 6th meeting to accommodate board approvals necessary to satisfy upcoming grant condition deadlines.

I. Chairman's Report

- i. **Approval of Previous Minutes:** A motion to approve the minutes dated July 2, 2015, was made by Rhonda Abbott, seconded by Don Dean and **unanimously approved**.
- ii. **Unfinished Business:** In follow-up to last month's meeting, the following items were discussed:
 - a. **Tent at Pinellas Hope:** Drew Wagner, Laurie Lampert and Pam Long identified the location for the tent. Pinellas Hope will purchase and install the tent.

II. Governance/Operations

- i. **Change in Scope:** Elisa DeGregorio, Grants Manager, Pinellas County Human Services shared a recent discussion with the Project Officer, Dalana Johnson, regarding the definition of sites and use of medical teams for encounters in locations when the van is unavailable. The Project Officer made us aware of an alternative for sites in this case called "Portable Clinical Care" which is an "Activity" documented in Form C of the Scope of Project. Ms. DeGregorio referred the board to the Policy Information Notice (PIN), page 8, on Portable Clinical Care in the meeting packet.

Adding this to our Scope of Project would give us more flexibility to deliver services to the homeless populations in the County. Any change in scope would need to be reviewed, approved, and documented in the minutes of the MMUAC.

Discussion: Rhonda Abbott suggested that this would be an opportunity to augment care and give us the flexibility to look at other locations in need. Tom Wedekind did not see a downside to the change and made a motion for staff to take the necessary steps to add this activity to the scope. Rhonda Abbott seconded the motion. The board **voted unanimously** to add Portable Clinical Care to Form C: Activities of the health center's scope.

- ii. **MMU Calendar:** The August and September calendars (included in the meeting packet) for the MMU and Safe Harbor were presented to the Council by Andrew Wagner.

Mr. Wagner reminded the Council that the generator on the van broke down on Monday, June 29th and was in the County's Fleet department for repair which accounted for several "inside" clinic days in early July. Soon after the generator was repaired and returned to services, heavy rains in St. Petersburg broke the canopy on the van. Repair to the canopy is expected to take one day and will be scheduled in late August or early September.

The Clinic would be closed on August 5th for ICD 10 training.

On August 3, 14 and 15, Safe Harbor will have nurses only as the physician at Safe Harbor will be working on van covering for Dr. Mungara who will be on leave.

Mr. Wagner also anticipates a clinic closure for an additional ½ day yet to be determined, for EHR NextGen upgrades and training.

- iii. **Site Visit Status of Conditions Update:** Elisa DeGregorio, Grants Manager, provided an update on the on-going effort to lift the conditions on the grant that were identified as a result of the site visit in 2014. On 6/2/15 Ms. DeGregorio reported that HRSA extended the due dates due to realignment of the grant budget period that recently occurred. On July 17, 2015, HRSA notified grantees that the technical error that resulted in deadline changes had been corrected and therefore several conditions for Pinellas County were also going to be affected as follows:

- i. Credentialing and Privileging – was due June 3, 2015, changed on 6/2 to September 19, 2015; changed by HRSA on 7/17 to August 1, 2015
- ii. Hospital Admitting – was due September 2, 2015, changed on 6/2 to September 19, 2015; changed by HRSA on 7/17 to September 2, 2015
- iii. Board Authority – was due September 2, 2015, changed on 6/2 to September 19, 2015; changed by HRSA on 7/17 to September 2, 2015
- iv. ~~After Hours Coverage – was due September 2, 2015, changed on 6/2 to due September 19, 2015 – SUBMITTED~~
- v. OB/GYN Services - due September 24, 2015
- vi. Mental Health/Substance Abuse Services) - due September 24, 2015

This month, the board would be reviewing the Credentialing & Privileging and Hospital Admitting policies for approval.

III. Fiscal

- i. **Notice of Awards:** Ms. DeGregorio reported that we received one Notice of Award date 7/9/2015. This is a carry-over of funds from the Expanded Services grant awarded in September of 2014. Because our grant budget period starts in October, we had to request a carryover for the funds into the current budget period. This funding was previously awarded and approved/accepted by the County (10/21/14).
- ii. **Expanded Services Grant Application:** Ms. DeGregorio submitted the Expanded Services grant application on July 20, 2015 for \$230,572. Award announcements are anticipated in September 2015. Ms. DeGregorio shared a summary of the grant application as follows and included a copy of the complete application in the meeting packet:

Pinellas County is working diligently to meet the healthcare needs of the homeless population in Pinellas County. Through the 2014 Expanded Services opportunity, the County was able to successfully reduce the number of calls/trips to the emergency room from one of the busiest homeless shelters in the County. Building on that success, in 2015, the County is proposing to add a 3rd part-time medical team to the program. This team will provide an additional 20 hours of service to our clients.

Based on national standards (Cambden Group), and review of our own program data, we anticipate serving an additional 550 new unduplicated patients through 2100 qualified medical encounters by December 31, 2017. Using data from our healthcare for the homeless program, our clients tend to have more chronic and severe issues resulting in an average of six (6) visits per year. To accomplish this, we will review our needs assessment and target areas that either have yet to be served by the program, and/or by providing additional hours in areas of the county where we are currently limited in providing service consistent with the need. The County will continue to work to reduce unnecessary ER visits and provide services/access to more homeless individuals.

In addition, the County is looking at providing the maximum allowable funding towards enabling services. The enabling services will be targeted towards care coordination of behavioral health (including substance abuse) for all existing clients. Behavioral health services are provided by referral to a subcontracted provider. Since our program is limited to a mobile van and small clinic inside a homeless shelter, the full need of wraparound services is provided by referral to qualified, contracted providers in the County. Since these providers are often located off-site from the medical services, the clients have difficulty following up and getting the services needed. Funding will enable the program to hire additional staff whose primary responsibility will be to coordinate the referral and tracking process of medical clients needing behavioral health services. We anticipate reaching an additional 700 existing health center patients. Patients will benefit by better coordination and follow-up with the health center and contracted services necessary to effectively care for each patient.

- iii. **Service Area Competition (SAC):** Ms. DeGregorio informed the Council that the County would be submitting a competitive application for renewal of the current program grant through the SAC application process. The grant opportunity was scheduled for announcement on July 28th at which time we will know the amount of funding we are eligible for as well as the patient population target for the area. At the time of the meeting, the announcement had not yet been released. We would have more information at the next meeting of the Council. The application will be due on September 28th in Grants.gov with supplemental information due October 14th in the grants management system, EHB.

IV. Clinical

- i. **Trend Report for Patient Counts/Encounters:** Due to the meeting data change from August 6th to July 28th, the Trend Report for July is not complete since we have not yet reached the end of the month. The July and August reports will be available at the September meeting of the Council.
- ii. **Policy and Procedure Updates and Approvals:**
 - a. **Credentialing & Privileging:** Dr. Ravindra provided an overview and recap of the results of the Site Visit in 2014 that resulted in this condition being placed on the grant. She informed the group that while DOH had completed certain background checks and licensure checks on its

providers, the full set of credentialing as required by HRSA had to be completed for both the Department of Health staff as well as the speciality care providers in our health center network.

For the purpose of today's meeting, Dr. Ravindra reviewed the new policy and procedure for Credentialing and Privileging (included in the meeting packet) along with the supporting documents (in the meeting packet) including: 1) Credentialing & Privileging Checklist, 2) Tracking Template for Credentialing & Privileging of Licensed Independent Practitioners and Other Certified Professionals, 3) Template Privileging Request Forms, 4) Excel Tracking Spreadsheet fully completed for all DOH staff involved in the health center program, and 5) Specialty Care List of Contracted providers including their individual license # and hospital affiliation from which they are credentialed and privileged.

The Credentialing & Privileging team, Medical Review Team led by Dr. Ravindra have reviewed all of the documentation, and recommend that the Council approve the following:

- i. Credentialing & Privileging Policy & Procedure
- ii. Credentialing & Privileging Checklist
- iii. Tracking Templates for LIP and other Licensed/Certified Professionals
- iv. Request for Clinical Privilege Templates

Further, Dr. Ravindra recommends that privileges be granted by the MMUAC for the following practitioners:

- i. All DOH staff listed in the attached documents including: Festus Ageykum, PA-LIP, Carol Benvenuto, LPN, Marquise Gray, MA, Raju Mungara, M.D- LIP, Orneida Hernandez, LPN, Rhonda O'Brien, ARNP LIP, Chitra Ravindra, M.D., Amy Streicher, RN, and the following dental hygienists: Kimberly Belick, Disraeli Calderon, Joyce Obrien, and Nilo Ortega.
- ii. The 117 specialty care providers who have been credentialed and privileged by the hospitals as identified in the included spreadsheets. (Additional providers will be presented at future meetings as verified by staff).

Mark Dufva made a motion to approve the policies and supporting documents, and to grant privileges to the recommended list of practitioners provided by staff. Rhonda Abbott seconded the motion. The Council **voted unanimously in favor** to approve the policy and supporting documents and to grant privileges to the identified practitioners.

- b. Hospital Admitting & Tracking:** Ms. O'Brien distributed the revised hospital admission and tracking policy as part of the health center's policy and procedure manual, a template hospital tracking referral log, and minutes from the most recent QA meeting where staff received training on the policy and procedure for hospital tracking.

The policy had minor changes that included adding that the hospital discharge instructions should instruct the patient to call and schedule a follow-up appointment with their primary care physician. The policy also reflects that the hospital shall notify the MMU when a client presents in the ED or is admitted to the hospital. This notification will allow the health center staff to follow-up with the patient should the patient not proactively seek out follow-up care.

The tracking log included one additional column that would track the date in which the follow-up appointment was made.

Dr. Ravindra recommended that after review, the Council accept the changes to the policy and log for final inclusion in the Policy and Procedure manual and for submission to HRSA for compliance with the condition on the grant.

Discussion: Laurie Lampert noted that while the client may call to schedule an appointment for follow-up, that the client would be encouraged to show up at the location of the van at the individual's earliest convenience to be seen. Mr. Wagner noted that appointments often result in no-shows by the client and that the staff will make every effort to see (same day) all hospital discharge patients upon presenting at the MMU/Safe Harbor.

Dr. Ravindra also noted that HS/DOH staff will be meeting more frequently with our contracted hospitals to review and ensure a smoother tracking process in the future.

A motion was made by Tom Wedekind to accept the changes to the policy and supporting documents. The motion was seconded by Valerie Leonard and the Council **voted unanimously in favor.**

- iii. **Patient Centered Medical Home:** Ms. DeGregorio and Ms. O'Brien are scheduled for our first bi-weekly call with the UCF representative on July 30th. An on-site visit will be scheduled for August and we will have more information at future meetings.

V. **Other Updates**

- i. **Bayside Health Clinic:** Ms. DeGregorio thanked all the Council members for their participation at the groundbreaking event earlier in the day (7/28). The event was well attended and the Council members joined Ms. DeGregorio in congratulating Valerie Leonard for her heartfelt remarks on behalf of the Council. As soon as the building permit completes review we will be underway and look forward to the ribbon-cutting ceremony in the Spring of 2016. We will keep the Council informed along the way and schedule a hard hat tour later in the year.
- ii. **New Business:**
 - a. **Dental:** Upon review of the calendar and noting that Safe Harbor had specific dates set for dental screenings, the Mark Dufva inquired about the program. Don Dean also mentioned his repeated concerns about the availability of dental services for patients. Mark suggested that the staff begin documenting a list of available dental providers/services that would be available to homeless clients. It was acknowledged that many programs, when grant funded, are only for certain populations (i.e. Veteran's, elderly). Mark also recommended that Mark Cruise, Director of the Florida Association of Free and Charitable clinics attend a future meeting to share some insights on services offered by member clinics.
 - b. **Future Meeting Dates/Room Availability:** Rhonda Abbott requested that the Council consider changing meetings back to Tuesday afternoons to better accommodate the members of the Council. Council members also liked meeting at JWB and found the room to fit the needs of the Council, including the use of the conference phone which has not been available at previous meetings. Discussion occurred to see what transportation options/assistance for consumer members would be available if the meeting were held at JWB. Ms. DeGregorio added that the County has funding available to pay for cab service to/from the meeting. We would also check the bus schedule/location, and both Laurie Lampert and Sgt. Haisch offered to provide a ride, when feasible, to/from Pinellas Hope and Safe Harbor, respectively.

The Council agreed to move the next meeting to the first Tuesday in September, and hold the meeting at JWB again, if the room would be available. Ms. DeGregorio will confirm and update the members.

The meeting was adjourned at 1:20 pm.

The next meeting will be held at **3:00 p.m. on Tuesday, September 1, 2015 at JWB**, pending room availability.

TAB 2 – PROJECT DIRECTOR

According to Section 1.4.3 of the Co-Applicant Agreement: The Project Director shall be primarily responsible for the management and operation of the Healthcare for the Homeless Program . The MMUAC shall have the authority to suspend, remove, appoint and/or reappoint a person the position of Project Director in accordance with the Pinellas County personnel rules and other procedures and policies of the Board of County Commissioners. The MMUAC shall participate in the annual performance evaluation of the Project Director, to be conducted in accordance with HHS Health Resources and Services Administration's Bureau of Primary Health Care's Program Requirements and Pinellas County personnel policies.

A resume and job description for Daisy Rodriguez are attached for the Project Director's position. A program organizational chart is also included.

DAISY M. RODRIGUEZ

Phone: 646-408-4499

Emails: Rodriguez.daisy04@gmail.com

Accomplished professional with an excellent background in health care management, fiscal operations, regulatory compliance and demonstrated progressive leadership managing multi-disciplinary primary and specialty clinics and physician practices

Project Management

Microsoft office, MAC, Share point

EPIC Ambulatory workflow development & implementation of medical group sites, OHS and urgent care centers

Joint Commission, NYS DOHMH, OSHA and CMS regulatory compliance,

Financial business acumen, Development and management of annual budget(s)

Human Resources management and resource allocation

Proficient with GE Centricity C-EMR, IDX, Eagle, & Treks Insurance Verification

Fluent in English - Spanish – Oral and written

Recipient Manager of the Year Award 2013 – Association of Hispanic Health Care Executives

Education:

St. Joseph's College, NY

2008 MBA Healthcare Administration

St Joseph's College, NY

2007 MS Healthcare Management

Experience:

2013-Present: Montefiore Health System –Yonkers NY -Director Ambulatory- EPIC EMR

Establish operational high-level objectives for the department and oversee the cascading of those objectives to managers and their reports. Ensure operational strategies are in line with the organization's goals including service quality initiatives.

- Direct and Lead EPIC Care Ambulatory EMR implementation across 23 Medical Group Practices, 3 Occupational Health Services and Urgent Care Centers (2500 end users : 800 providers & 1700 clinical and support staff)
- Manage Epic Ambulatory and specialty modules for Oncology, OBGYN, Ophthalmology, Transplant, Cardiology, Home Care and Orthopedics
- Collaborate with department administrators, clinical leadership and key stakeholders for the coordination and alignment of Epic EMR implementation objectives and functions across multiple functional areas.
- Oversee activities of Assistant Director(s) and other direct reports
- Supply oversight and accountability on product and service delivery to the client
- Provide guidance to team by communicating vision, strategies and objectives to line management and oversee the direction of cross –functional teams assigned to Epic ambulatory project and services.
- Ensure resource management function is achieving its goal to balance client project needs and the development needs of associates.
- Establish performance management and professional development to ensure that managers and staff are working together on development goals.
- Responsible for hiring and staffing decisions of direct reports and key positions within the department.

2008 – 2013: Montefiore Medical Center, Bronx, NY - Administrative Director AIDS Center

Administrative oversight for the day to day operational and fiscal management of multi-located HIV, infectious disease and mental health clinics ensuring compliance with all Federal, State and local regulations.

- Direct, supervise and coordinate clinical practice, assuring appropriateness of staffing support, resolution of patient issues and efficiency of day-to-day program and fiscal operations of the HIV/AIDS , infectious disease, and mental health clinics ;
- Provide leadership and guidance to 10 multi- specialty managers and 50+ staff in multi-disciplinary co-located clinic
- Develop and effectively monitor \$2.5million operating budget and monitoring of program utilization, expenditures, reimbursements and denial trends.
- Develop and maintain staffing patterns; participate in recruitment efforts
- Develop and implement standard operating policies and procedures in accordance with the mission and vision of the medical
- Ensure regulatory compliance with NYSDOHMH, AIDS Institute, JCAHO, CMS and other regulatory agencies
- Oversight of department CQM program, compliance with NPSG and performance improvement initiatives
- Grants administrator ensuring fiscal and program compliance, and reporting (HIV testing & counseling, Women's Prevention Services, Women's Supportive Services, CDC HIV Outreach and Prevention, Hepatitis C, in addition to NIH and private research grants)

2005- 2008: Cabrini Medical Center, New York, NY - Administrator, Ambulatory & Diagnostic Svcs (Facility closed due to onset of health systems and mergers)

Administrative leadership of the day to day operations and fiscal management of five hospital owned community based outpatient primary and specialty clinics and the successful integration of ancillary and diagnostic service lines.

- Successfully integrate ambulatory and ancillary services to maximize access, customer satisfaction and revenue opportunities consistent with hospital strategic objectives
- Successfully manage operating budgets for clinics and ancillary departments to exceed fiscal goals
- Develop and implement operating policies and procedures for the Ambulatory Services Network to standardize proper patient scheduling, data collection and registration to maximize visit flows and ensure consistent outpatient growth and revenue potential
- Develop and implement performance improvement program for the ambulatory services network through collaboration with senior management and medical leadership
- Collaborate with Medical Director of the Department of Medicine, clinic medical director, physicians and residents to identify and achieve short and long-term goals for community based medical practices
- Assess operational progress with direct reporting to COO & CMO
- Develop marketing strategies to increase patient enrollment and forge linkages with community based referrals

1996-2005: Cabrini Medical Center - Director Outpatient Services-Ambulatory Services Network (Promoted to Administrator - 2005)

1994- 1996: Cabrini Medical Center - Family Practice Manager (promoted 1996) -

**2007 – Present: St. Joseph's College, Brooklyn NY - Adjunct on-line instructor:
Healthcare Management: Legal Aspects of Healthcare: Healthcare Finance**

Committee Appointments: Co-Chair Ambulatory Services Performance Improvement, Co-Chair Patient Safety Committee, Member of Access and Service Recovery, Joint Commission Task Force, Hospital Emergency Response Incident Command Team ; Community Board # 3 member Health & HS 2000-04

HEALTH CARE ADMINISTRATOR

| Job Code | Pay Grade |
|----------|-----------|
| 18196 | SM4b |

Nature of Work

This is professional and administrative management level work in the Pinellas County Health & Human Services Department requiring strong leadership, coordinator, program management, and decision-making skills. An incumbent in this position is responsible for management and oversight of the Health Care Services' programs within Pinellas County Health & Human Services. These programs impact the health and welfare of Pinellas County citizens and residents in need. This position requires an understanding of health care systems, including business, government/industry policies/regulations, financial information plus the ability to analyze trends, interpret data, and solve problems. The position reports to the Bureau Director, Health & Human Services and may represent the department in the absence of the director. This position plans, organizes, directs and coordinates Human Services-funded health care services delivery through supervision and management of internal programs and externally through contractual arrangements with vendors and providers. The position requires extensive senior level management dealings and interactions with public and private organizations including individuals and officials representing citizens, hospitals, managed care organizations, practitioners, community agencies and other parties. The position reports to the department director or designee.

Minimum Qualification Requirements

- Bachelor's degree in health care administration, hospital administration, public health, business administration, public administration or related field, with specialized experience in health management or similar field and 2 years experience in health care management that includes 1 year supervisory experience or supervisory training; or
- Master's degree and 2 years experience as described above; or
- An equivalent combination of education, training, and/or experience.

Appointing Authority May Also Require

- Florida Driver's License or Florida Commercial Driver's License and endorsement, if any.
- Advanced training or master's degree in health care third-party reimbursement administration, hospital administration, public health, or business administration, with major college level course work, training, and professional experience specializing in the complexities, management, administration, and delivery of health care systems, medical/hospital industry, and related services.
- Assignment to work a variety of work schedules including compulsory work periods in special, emergency, and/or disaster situations.
- Other highly desirable knowledge, skills, abilities, and credentials relevant to a position.

Illustrative Tasks (These are examples and are not all inclusive.)

- Develops plans, policies, and procedures to ensure program implementation.
- Provides oversight, monitoring and evaluation of health care services delivery.
- Assures contract compliance and delivery of services.
- Prepares health care budget.
- Assures that funded programs deliver efficient, effective and compassionate care to clients.
- Works closely and collaboratively with other Health & Human Services Managers to assure department outcomes and objectives are met.
- Reviews and analyzes information and data to aid planning and improve service delivery and utilization.
- Coordinates and collaborates with other health care providers to assess community health needs for program planning.
- Remains current on advances in medicine and health care delivery information technology, government regulations and standards, health insurance changes and financing.
- Acts as Health & Human Services liaison to Pinellas County Health Department, Community Health Centers of Pinellas, and other community organizations delivering health care services. Serves on coalitions and partnerships related to health care.
- Prepares for and holds discussions on service delivery issues, coordinates short and long range planning, promotes health programs and resolves problems.

HEALTH CARE ADMINISTRATOR (continued)

| Job Code | Pay Grade |
|----------|-----------|
| 18196 | SM4b |

Illustrative Tasks (continued)

- Supervises assigned staff. Communicates with, motivates, trains, disciplines, evaluates and recruits. Evaluates staff performance and provides feedback and recommendations to supervisors and staff.
- Prepares reports as needed.
- Performs related work as assigned or required.

Knowledge, Skills, and Abilities

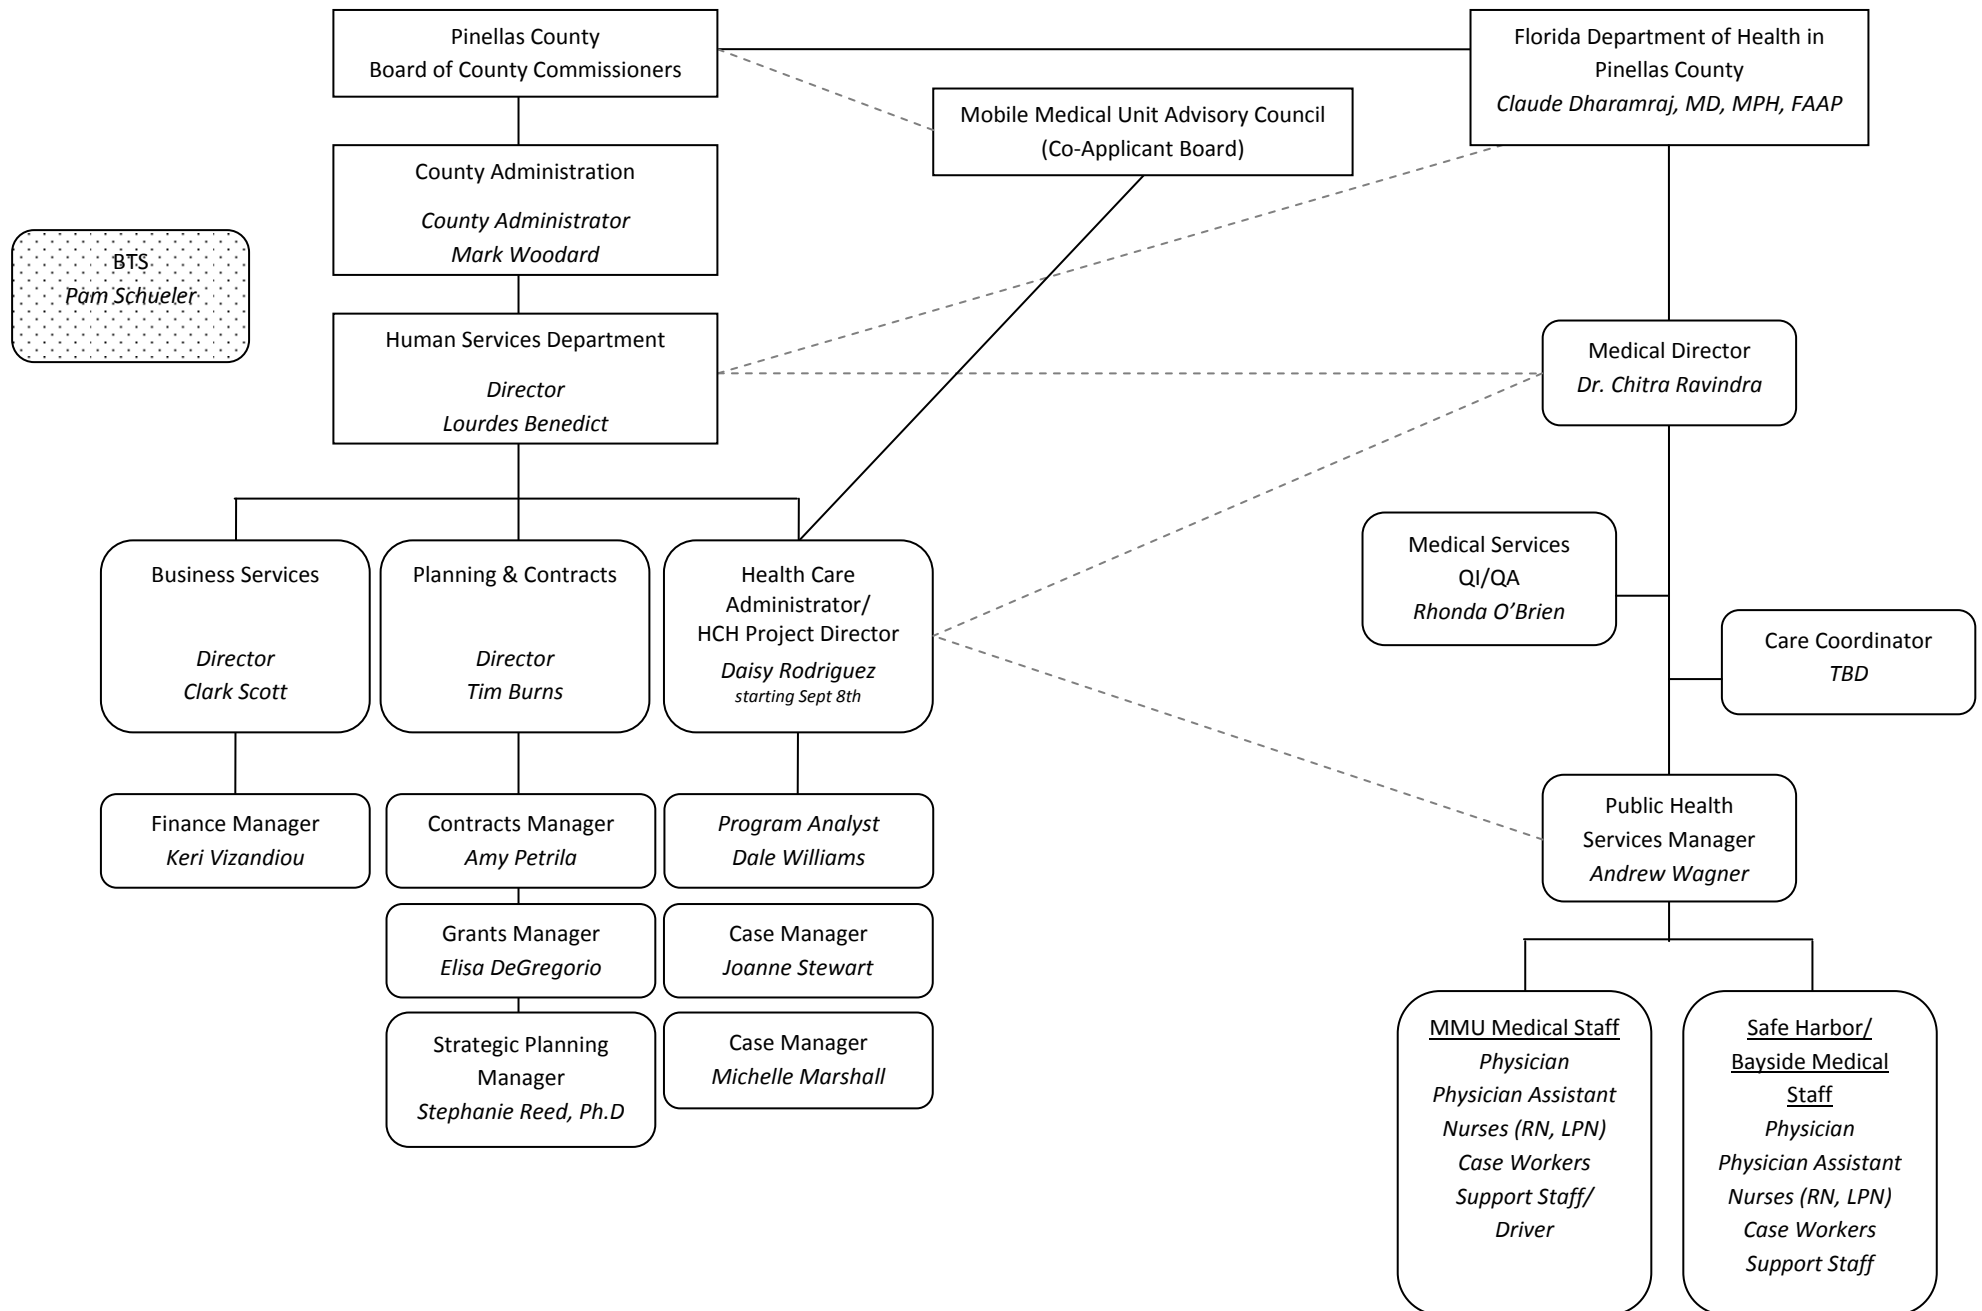

- Knowledge of professional health care theory, practice and principles.
- Knowledge of health care administration budgeting and program management; community resources and public health programs.
- Knowledge of administrative and supervisory techniques, practices and procedures.
- Knowledge of the federal, state and local regulations pertaining to the provision of health care and related issues.
- Knowledge of recent developments, current literature and sources of information in public welfare and medical care.
- Knowledge of principles and practices of leadership and management.
- Knowledge of governmental regulations and standards in health care.
- Knowledge of basic principles of finance.
- Ability to apply computer applications and software.
- Ability to maintain current in all health management issues and areas.
- Ability to analyze health care services programs, interpret data and prepare reports.
- Ability to plan, organize and supervise multiple staff.
- Ability to communicate effectively, orally and in writing.
- Ability to establish and maintain effective working relationships with employees, other agencies and the public.

TAB 2 – CUSTOMER SATISFACTION SURVEY

As part of the patient centered medical home recognition program, the QI committee has evaluated the organization's customer satisfaction survey and made changes to the questions to address patient experiences in the areas of Access, Communication, Coordination, and Whole Person Care/Self Management.

Revised survey attached.

MOBILE MEDICAL UNIT PATIENT SATISFACTION SURVEY

HOW LONG HAVE YOU BEEN A PATIENT OF THE MOBILE MEDICAL UNIT? (Circle answer)

First Time 1 month 3 months 6 months 1 year 2 years More than 2 years

GENDER: MALE _____ FEMALE _____

AGE: (Circle one) 18-24 25-35 36-45 46-55 56-65 66 or older

PLEASE RATE THE FOLLOWING: (CIRCLE YOUR CHOICE)

| | IN THE LAST SIX (6) MONTHS... | ALWAYS | USUALLY | SOMETIMES | NEVER | N/A |
|---|--|--------|---------|-----------|-------|-----|
| 1 | How often did you get an appointment as soon as you needed? | 4 | 3 | 2 | 1 | 0 |
| 2 | When you phoned MMU after normal business hours, how often did you get an answer to your medical question as soon as you needed? | 4 | 3 | 2 | 1 | 0 |
| 3 | How often did the doctor explain things in a way that was easy to understand? | 4 | 3 | 2 | 1 | 0 |
| 4 | How often did MMU staff listen to you carefully and show respect for what you had to say? | 4 | 3 | 2 | 1 | 0 |
| 5 | When you had a blood test, x-ray or other test, how often did someone from MMU follow up to give you the results? | 4 | 3 | 2 | 1 | 0 |
| 6 | If you were referred to a specialist for a particular health problem, how often did the MMU staff seem informed and up-to-date about the care you got from the specialist? | 4 | 3 | 2 | 1 | 0 |
| 7 | How often did someone talk to you about specific goals for your health? | 4 | 3 | 2 | 1 | 0 |
| 8 | How often did someone talk with you about a personal problem, family problem, alcohol use, drug use, or a mental or emotional illness? | 4 | 3 | 2 | 1 | 0 |

- ✓ **Documentation:** Need QI Committee Meeting Minutes and/or Copies of completed Hospital Tracking Log

After Hours – due 9/19 (SUBMITTED JULY 6, 2015 – CONDITION LIFTED)

- ✓ **P&P:** Updated for presentation to MMUAC at July mtg.

TAB 3 - NOTICE OF AWARDS

H80CS00024 – 14-08 (Dated 7/28/2015) - \$0.00

This is NOA lifts the condition that required a revised SF 424A, Line Item Budget, and Budget Narrative Justification for the Federal award of \$193,752.

H80CS00024 – 14-09 (Dated 8/5/2015) - \$54,021

This funding action is provided to Health Center Program grantees with November 1 and December 1 budget period start dates whose budget/project periods were recently extended. This extension adjustment award ensures that prorated extension funding levels fully incorporate prior supplemental awards. This adjustment award provides the balance of supplemental funding for the extension period to include appropriate levels of all previous Health Center Program supplemental grant activity.

H80CS00024 – 14-10 (Dated 8/17/2015) - \$0.00

The grant condition stated below on NoA 6 H80CS000241404 is hereby lifted. **R.2.2.120 After Hours Coverage:** Health centers are expected to comply with all applicable statutory and regulatory requirements. In your most recent Notice of Award (NoA), your organization was required to provide a plan for after hours coverage in accordance with program requirements OR provide board approved documentation that compliance with this requirement has been implemented. (Section 330(k)(3)(A) of the PHS Act and 42 CFR Part 51c.102(h)(4). Based upon a review of the required response, HRSA has approved your plan.

H80CS00024 – 14-11 (Dated 8/18/2015) - \$148,790

The purpose of the Fiscal Year (FY) 2015 Health Center Quality Improvement (QI) Fund one time grant supplement is to: (1) recognize health centers that demonstrated improvements in access to care, quality of care and/or value of care through data provided in the Calendar Year 2014 Uniform Data System; and (2) provide support for those health centers to continue to strengthen clinical and operational quality improvement activities.

This supplement must be used:

- Within 12 months to support QI activities (August 1, 2015, through July 31, 2016)
- Consistent with federal cost principles at 45 CFR 75.

In addition to costs typically unallowable under the H80 grant, this supplement may not be used:

- To supplant existing resources.
- To support bonuses or other staff incentives.
- For moveable equipment individually valued at \$5,000 or greater (except equipment related to Health Information Technology and certified Electronic Health Record systems).
- For construction costs (including minor alterations and renovation and fixed equipment).

Health centers must use these funds for QI activities, which include but are not limited to:

- Developing and improving health center QI systems and infrastructure: training staff; developing policies and procedures; enhancing health information technology, certified electronic health record, and data systems; data analysis; implementing targeted QI activities (including hiring consultants).
- Developing and improving care delivery systems: supplies to support care coordination, case management, and medication management; developing contracts and formal agreements with other providers; laboratory reporting and tracking; training and workflow redesign to support team based care; clinical integration of behavioral health, oral health, HIV care, and other services; patient engagement activities.

HRSA Electronic Handbooks (EHBs) Registration Requirements

The Project Director of the grant (listed on this NoA) and the Authorizing Official of the grantee organization are required to register (if not already registered) within HRSA's Electronic Handbooks (EHBs). Registration within HRSA EHBs is required only once for each user for each organization they represent. To complete the registration quickly and efficiently we recommend that you note the 10-digit grant number from box 4b of this NoA. After you have completed the initial registration steps (i.e., created an individual account and associated it with the correct grantee organization record), be sure to add this grant to your portfolio. This registration in HRSA EHBs is required for submission of noncompeting continuation applications. In addition, you can also use HRSA EHBs to perform other activities such as updating addresses, updating email addresses and submitting certain deliverables electronically. Visit <https://grants3.hrsa.gov/2010/WebEPSExternal/Interface/common/accesscontrol/login.aspx> to use the system. Additional help is available online and/or from the HRSA Call Center at 877-Go4-HRSA/877-464-4772.

Terms and Conditions

Failure to comply with the remarks, terms, conditions, or reporting requirements may result in a draw down restriction being placed on your Payment Management System account or denial of future funding.

Grant Specific Term(s)

1. The grant condition stated below on NoA 4 H80CS00024-14-05 is hereby lifted.

Submit a revised SF 424A, Line Item Budget, and Budget Narrative Justification for the Federal award of \$193,752. The Federal amount refers to only the Federal section 330 Health Center Program grant funding for this award, not all Federal grant funding that an applicant receives. Also include the budget breakdown for non-Federal resources. (Refer to budget requirements in the Service Area Funding Opportunity Announcement or Budget Period Renewal Non-Competing Continuation guidance for budget format.)

The budget justification must detail the costs of each line item within each object class category. For the Personnel line item, you must include the following for each employee supported by funds from this award: name of employee; base salary; % FTE on the grant; and amount of Federal funds (wages and % of fringe benefits) to be paid for the budget year. This personnel information requirement also applies to subawards/subcontracts supported by Federal funds from this grant.

Federal grant funds may not be used to pay the salary of an individual at a rate in excess of Federal Executive Level II of the Federal Executive Pay scale (currently \$183,300). This amount reflects an individual's base salary **exclusive of fringe benefits** and income that an individual may be permitted to earn outside of the duties to the applicant organization (i.e., rate limitation only limits the amount that may be awarded and charged to HRSA grants.)

Please contact your Grants Management Specialist for specific submission instructions.

Failure to submit the Federal Budget within 30 days will result in denial of access to funds in the PMS account related to this Grant.

All prior terms and conditions remain in effect unless specifically removed.

HRSA Electronic Handbooks (EHBs) Registration Requirements

The Project Director of the grant (listed on this NoA) and the Authorizing Official of the grantee organization are required to register (if not already registered) within HRSA's Electronic Handbooks (EHBs). Registration within HRSA EHBs is required only once for each user for each organization they represent. To complete the registration quickly and efficiently we recommend that you note the 10-digit grant number from box 4b of this NoA. After you have completed the initial registration steps (i.e., created an individual account and associated it with the correct grantee organization record), be sure to add this grant to your portfolio. This registration in HRSA EHBs is required for submission of noncompeting continuation applications. In addition, you can also use HRSA EHBs to perform other activities such as updating addresses, updating email addresses and submitting certain deliverables electronically. Visit <https://grants3.hrsa.gov/2010/WebEPSEExternal/Interface/common/accesscontrol/login.aspx> to use the system. Additional help is available online and/or from the HRSA Call Center at 877-Go4-HRSA/877-464-4772.

Terms and Conditions

Failure to comply with the remarks, terms, conditions, or reporting requirements may result in a draw down restriction being placed on your Payment Management System account or denial of future funding.

Grant Specific Term(s)

1. This funding action is provided to Health Center Program grantees with November 1 and December 1 budget period start dates whose budget/project periods were recently extended. This extension adjustment award ensures that prorated extension funding levels fully incorporate prior supplemental awards. This adjustment award provides the balance of supplemental funding for the extension period to include appropriate levels of all previous Health Center Program supplemental grant activity.

All prior terms and conditions remain in effect unless specifically removed.

Terms and Conditions

Failure to comply with the remarks, terms, conditions, or reporting requirements may result in a draw down restriction being placed on your Payment Management System account or denial of future funding.

Grant Specific Term(s)

1. The grant condition stated below on NoA 6 H80CS00024-14-04 is hereby lifted.

R.2.2.120 After Hours Coverage: Health centers are expected to comply with all applicable statutory and regulatory requirements. In your most recent Notice of Award (NoA), your organization was required to provide a plan for after hours coverage in accordance with program requirements OR provide board approved documentation that compliance with this requirement has been implemented.(Section 330(k)(3)(A) of the PHS Act and 42 CFR Part 51c.102(h)(4). Based upon a review of the required response, HRSA has approved your plan. Within 120 days, provide board approved documentation that compliance with this requirement has been implemented, per the HRSA approved, time-phased plan. Please contact your project officer for additional assistance and/or information on the required elements of your response. (45 CFR Part 74.14 and 45 CFR Part 74.62(a))

All prior terms and conditions remain in effect unless specifically removed.

HRSA Electronic Handbooks (EHBs) Registration Requirements

The Project Director of the grant (listed on this NoA) and the Authorizing Official of the grantee organization are required to register (if not already registered) within HRSA's Electronic Handbooks (EHBs). Registration within HRSA EHBs is required only once for each user for each organization they represent. To complete the registration quickly and efficiently we recommend that you note the 10-digit grant number from box 4b of this NoA. After you have completed the initial registration steps (i.e., created an individual account and associated it with the correct grantee organization record), be sure to add this grant to your portfolio. This registration in HRSA EHBs is required for submission of noncompeting continuation applications. In addition, you can also use HRSA EHBs to perform other activities such as updating addresses, updating email addresses and submitting certain deliverables electronically. Visit <https://grants3.hrsa.gov/2010/WebEPSExternal/Interface/common/accesscontrol/login.aspx> to use the system. Additional help is available online and/or from the HRSA Call Center at 877-Go4-HRSA/877-464-4772.

Terms and Conditions

Failure to comply with the remarks, terms, conditions, or reporting requirements may result in a draw down restriction being placed on your Payment Management System account or denial of future funding.

Grant Specific Term(s)

1. Purpose - The purpose of the Fiscal Year (FY) 2015 Health Center Quality Improvement (QI) Fund one-time grant supplement is to: (1) recognize health centers that demonstrated improvements in access to care, quality of care and/or value of care through data provided in the Calendar Year 2014 Uniform Data System; and (2) provide support for those health centers to continue to strengthen clinical and operational quality improvement activities.

Use of Funds - This supplement must be used:

- Within 12 months of receipt of funds to support QI activities.
- Consistent with federal cost principles at 45 CFR 75.

In addition to costs typically unallowable under the H80 grant, this supplement may not be used:

- To supplant existing resources.
- To support bonuses or other staff incentives.
- For moveable equipment individually valued at \$5,000 or greater (except equipment related to Health Information Technology and certified Electronic Health Record systems).
- For construction costs (including minor alterations and renovation and fixed equipment).

Fund Activities - Health centers must use these funds for QI activities, which include but are not limited to:

- Developing and improving health center QI systems and infrastructure: training staff; developing policies and procedures; enhancing health information technology, certified electronic health record, and data systems; data analysis; implementing targeted QI activities (including hiring consultants).
- Developing and improving care delivery systems: supplies to support care coordination, case management, and medication management; developing contracts and formal agreements with other providers; laboratory reporting and tracking; training and workflow redesign to support team-based care; clinical integration of behavioral health, oral health, HIV care, and other services; patient engagement activities.

Reporting - Health centers will be required to provide information on the QI activities supported through this one-time supplement via their FY 2017 Service Area Competition (SAC) application or FY 2017 Budget Period Renewal (BPR) progress report. More information will be provided as part of the SAC/BPR instructions.

Funding Period - This award provides one time funding for use during the period of August 1, 2015, through July 31, 2016. If funds are not fully expended by the end of your current budget period, you must request carryover to use the remaining funds in your next budget period. In order to use this funding in the upcoming budget period, the appropriate amount must be shown as un-obligated (UOB) on line 10.h of the Annual Federal Financial Report (FFR), SF-425. In addition, a Prior Approval Request to carry over these funds must be submitted through EHB immediately following the FFR submission. Please consult the Grants Management Specialist for questions regarding submission of the FFR and/or Prior Approval Requests to carry over UOB funds.

All prior terms and conditions remain in effect unless specifically removed.

TAB 3 – SERVICE AREA COMPETITION

Through the FY 2016 Service Area Competition (SAC), HRSA will award approximately, \$1.2 billion in funding to an estimated 465 SAC applicants. A SAC application is a request for federal financial assistance to continue support of comprehensive primary health care services in a service area currently served by a Health Center Program grantee whose project period is ending in FY 2016.

Eligible Applicants

Applicants must be public or nonprofit private entities, such as tribal, faith-based, or community-based organizations, that propose to serve a service area and its associated population to ensure continued access to comprehensive, culturally competent, quality primary health care services for communities and vulnerable populations served by the Health Center Program. Applicants must meet all Eligibility Requirements listed in Section III of the Funding Opportunity Announcement (FOA).

Due Dates:

| Project Period Start Date | HRSA Announcement Number | Expected Funding Opportunity Announcement Release | Grants.gov Deadline (11:59 PM ET) | HRSA EHB Deadline (5:00 PM ET) |

Contact: Daisy Rodriguez, Project Director, 727-464-8406
darodriguez@pinellascounty.org

Brief history of the organization: Pinellas County, a unit of local government, through its Human Services Department (HS), administers the Health Care for the Homeless (HCH) program. Pinellas County is governed by an elected seven member Board of County Commissioners (BCC). For over 50 years, HS has provided programs that encourage access to benefits/services and promote improved health outcomes of low-income and homeless residents.

Community/target population: Located on the west coast of Florida, Pinellas County is the most densely populated county in the state with an estimated population of 938,098 in 2014. Pinellas County intends to serve the homeless, uninsured and underinsured individuals/ families. The 2015 Point in Time (PIT) Homeless Count for Pinellas County revealed 6,853 adults and children. The National Health Care for the Homeless Council calculates that there are approximately 35,106 (67%) HCH patients in Florida who were uninsured and 80% of all HCH patients live below 100% of the FPL.

Major health care needs and barriers to care: In May 2014, the local newspaper reported that in 2013 over 900 EMS trips originated from Safe Harbor and Pinellas Hope, two of the county's largest homeless shelters. Of the centers' current clients, hypertension, tobacco abuse and overweight/obesity account for 67% of the diagnoses of patients in 2014. Barriers to care include transportation, lack of insurance, homelessness, and the management of chronic conditions.

How the project will address the need for comprehensive primary health care services: The County's health center program is continually adjusting services to meet the various and transitional needs of the homeless population. The mobile van gives the County the flexibility to take medical services directly to the clients who often lack transportation and other means of getting access to care. The County, through expanded services funding opportunities, has been able to address critical areas of the county with high EMS/Emergency Department use and increase hours of service to include nights and weekends. The County was also awarded a capital grant to build a new health clinic next to the County's largest homeless shelter.

Patients, visits, providers, sites, locations, and services: In 2014, the County reported serving 1790 unduplicated patients in the service area. By December 31, 2017 Pinellas County will serve 2390 unduplicated patients. The County contracts with the FL Dept of Health in Pinellas (DOH) to provide primary medical care and dental services. More than 100 contracted specialty providers address the medical needs of the clients including mental health and substance abuse.

The County operates a Mobile Medical Unit (MMU), a 40 foot vehicle, which includes a phlebotomy station, two examination rooms, intake/interview rooms, and a bathroom. The MMU medical team travels to homeless shelters, soup kitchens and treatment facilities. In 2016, in addition to the van, services for these clients will be available in a brand new medical and dental clinic located next to the County's largest homeless shelter.

TAB 3 – SUBSTANCE ABUSE EXPANSION GRANT OPPORTUNITY

The purpose of this grant program is to improve and expand the delivery of substance abuse services at existing health centers, with a focus on Medication-assisted Treatment in opioid use disorders.

Required Goals

- Establish or enhance an integrated primary care/behavioral health model.
- Increase the number of patients screened for substance use disorders and connected to treatment via Screening, Brief Intervention, and Referral to Treatment (SBIRT) and other evidence-based practices.
- Increase the number of patients with health center-funded access to MAT for opioid use and other substance use disorders treatment by:
 - Adding at least 1.0 FTE substance abuse services provider(s) directly and/or through contract(s) within 120 days of award; and
 - Adding new or enhancing existing substance abuse services directly and/or through contract(s) within 120 days of award.
- Coordinate services necessary for patients to achieve and sustain recovery.
- Provide training and educational resources, including updated prescriber guidelines, to assist health professionals in making informed prescribing decisions and address the over-prescribing of opioids.

Optional Goals

- Increase education, screening, care coordination, risk reduction interventions, and/or counseling regarding the availability of testing, treatment, and clinical management for patients with or at risk of HIV/AIDS, hepatitis C, and other diseases associated with opioid use disorders.
- Enhance clinical workflows to improve substance abuse services.
- Enhance the use of health information technologies to improve the effectiveness of substance abuse services and increase patient engagement.
- Educate patients and/or community members on opioid use disorders, including the use of opioid antagonists in preventing opioid overdose.

Use of MAT must be consistent with federal statutes and regulations.

Eligibility

Existing health center program award recipients that currently receive operational funding under section 330 of the Public Health Service Act (e.g., sections 330(e), (g), (h), and/or (i)).

Grant Amount

Up to \$325,000 per year

Matching Funds (Cash or In-Kind)

Cost sharing/match is not required in this program.

Project Abstract: Pinellas County Board of County Commissioners

Pinellas County Human Services | 440 Court Street, 2nd floor, Clearwater, FL 33756
PinellasCounty.org | Grant #: H80CS00024

Project Title: Substance Abuse Service Expansion
Project Director: Daisy Rodriguez, Health Care Administrator
Contact Info: darodriguez@pinellascounty.org, TEL: 727-464-8406
Federal Funding Requested: \$325,000/yr

Pinellas County, a densely populated county of nearly one million, is governed by an elected seven member Board of County Commissioners (BCC). For over 50 years, the County, through its Human Services department (HS) has provided programs that encourage access to benefits/services and promote improved health outcomes of low-income and homeless residents. HS administers the federally funded Health Care for the Homeless (HCH) program.

Need: In Pinellas County, from 2007-2010, deaths from accidental overdoses of prescription drugs outpaced those from heroin in the 1970s and crack cocaine in the 1980s. While prescription related deaths have declined since their peak in 2010, Pinellas is still struggling to address this significant addiction issue. In 2014, the Pinellas County Medical Examiner reported the following deaths among those cases testing positive for drugs: 393 alcohol, 88 hydrocodone, 126 oxycodone, 75 methamphetamine, and 98 cocaine, indicating that the problem still exists.

Population: Pinellas County is seeking this additional federal funding to address this critical health care need among the homeless population served by the County's HCH program. In 2014, the County served 1790 unduplicated patients and anticipates serving nearly 2500 patients by 2017. One hundred percent (100%) of clients served in the program are screened for behavioral health issues including substance abuse. Of the patients referred, a small percentage of clients actually overcome the barriers and receive treatment. Barriers to treatment for this target population include lack of adequate transportation, lack of insurance, lack of knowledge about Medication Assisted Treatment (MAT), and lack of assistance with follow up treatment.

Project Summary: The money for this grant will provide an enhanced integration of primary and behavioral health care for a group of 35 identified clients served by the Healthcare for the Homeless program with identified substance abuse issues needing MAT treatment. The County will contract with Operation PAR, the County's only nonprofit provider licensed to provide MAT. This provider offers the full array of substance abuse treatment services in the form of residential, outpatient, detoxification, and three forms of MAT: Methadone Maintenance Treatment, (MMT), buprenorphine, and naltrexone (injectable Vivitrol).

A full-time Bachelor's Level Certified Addiction Professional (CAP) will be hired to conduct assessments on the identified clients and coordinate care as identified in the treatment plan for each patient. This FTE will be co-located with the health center program service sites making personal follow-up and access easier for this transient homeless population. Treatment programs for this funding opportunity will include Methadone (MMT) and Naltrexone (injectable Vivitrol). Group therapy sessions and e-services (teletherapy), including transportation to/from services as needed, will also be available to clients. Training will be provided quarterly to the primary care staff.

TAB 4 – TREND REPORT

Attached is the July 2015 Trend report showing total unduplicated patients and visits by location from January 2015 through July 2015.

The 2015 patient target for unduplicated patients is 2,390.

TAB 4 – POLICIES AND PROCEDURES

The OB/Prenatal P&P has been updated per the HRSA project manager requests/suggestions, reviewed with Dr. Ravindra and also at the 8/26/15 QI Team meeting. On behalf of Dr. Ravindra we are recommending board approval for these.

OBSTETRICIAN/PRE-NATAL REFERRALS

The purpose of Obstetrician (OB)/Pre-Natal Referral to the Department of Health is to assure that clients have a streamlined referral process for OB/Pre-Natal Care and Medicaid, **and that best practices are included.**

This procedure applies to the Mobile Medical Unit Program and clients presenting with a confirmed pregnancy test.

RESPONSIBILITY

Client:

- Presents to the Mobile Medical Unit (MMU) Program.

Case Manager:

- Completes eligibility process, including assessment for Medicaid prior to visit, and during visit for positive pregnancy.
- **Inquires about transportation needs, and provides assistance if needed.**
- **Documents in the patient's electronic health record.**

Nurse or Medical Assistant:

- **Documents the reason(s) for the visit, vital signs and completes or updates the patient's medical history.**
- **Collects the specimen (urine) for a pregnancy test, performs the test and prepares the patient to be seen by the Physician or Mid-Level Provider.**
- **Documents in the patient's electronic health record.**

Physician or Mid-Level Provider:

- **Assesses and diagnoses client for positive pregnancy.**
- **Documents the findings in the patient's medical record including a referral to the Department of Health OB/Pre-Natal Clinic in Clearwater.**
- **Assigns the referral to the Case manager for Medicaid eligibility for positive pregnancy, and then to the Care Coordinator for processing and tracking.**
- **Receives and accepts the referral completion confirmation.**
- **Documents in the patient's electronic health record.**

Care Coordinator:

- **Tracks the referral from origin to completion.**
- **Begins the documentation process on the Referral Tracking Log including, but not limited to the Patient's Name and contact information, the Provider making the referral, the date of the referral, the type (OB) of referral, the reason for the referral (diagnoses), the timeliness (routine or urgent) of the referral .**
- **Contacts the Department of Health OB/Pre-Natal Clinic in Clearwater via phone and schedules an appointment for the patient. Documents the date/time of the appointment and the contact person's name and phone number.**

- Gives the patient an appointment reminder for Department of Health OB/Pre-Natal Clinic in Clearwater, the complete address and phone number; and the day/date and time of the appointment.
- Contacts the patient within 2 business days after the appointment to ensure the appointment was kept. If not, reschedules the appointment. Documents the date of the appointment was kept.
- If the referral confirmation has not been received from the Department of Health OB/Pre-Natal Clinic in Clearwater within 7 business days of the kept appointment, the care coordinator will call to request a confirmation. Contacts will continue until the completed referral is confirmed.
- Documents in the patient's electronic health record.

PROCEDURE

Step 1

- Clients presents to MMU clinic.

Step 2

- Case manager completes eligibility process, and assessment for Medicaid eligibility.
- The Case manager Inquires about transportation needs, and provides assistance if needed.

Step 3

- Nurse or Medical Assistant documents the reason(s) for the visit, vital signs and completes or updates the patient's medical history; and collects the specimen (urine) for a pregnancy test, performs the test and prepares the patient to be seen by the Physician or Mid-Level Provider.

Step 4

- The provider Assesses and diagnoses client for positive pregnancy, documents the findings in the patient's medical record Health, counsels the client regarding pregnancy, prescribes Pre-Natal Vitamins and refers client to the DOH OB/Pre-Natal clinic.
- The provider assigns the referral to the Case manager for providing Medicaid eligibility for positive pregnancy, and then to the Care Coordinator for Tracking from origin to completion.

Step 5

- Case manager provides Medicaid eligibility for positive pregnancy.

Step 6

- The Care Coordinator begins the tracking of the referral from origin to completion.
- The coordinator begins the documentation process on the Referral Tracking Log including, but not limited to the Patient's Name and contact information, the Provider making the referral, the date of the referral, the type (OB) of referral, the reason for the referral (diagnoses), the timeliness (routine or urgent) of the referral, .
- The coordinator contacts the Department of Health OB/Pre-Natal Clinic in Clearwater via phone and schedules an appointment for the patient. Documents the date/time of the appointment and the contact person's name and phone number.

- The coordinator gives the patient an appointment reminder for Department of Health OB/Pre-Natal Clinic in Clearwater, the complete address and phone number; and the day/date and time of the appointment.

Step 7

- Client presents to the DOH OB/Pre-Natal clinic for care.
- DOH OB/Pre-Natal clinic completes Medicaid eligibility if needed.
- DOH OB/Pre-Natal clinic provides OB/Pre-Natal care to patient, and information to the MMU confirming the referral completion.

Step 8

- The coordinator contacts the patient within 2 days after the appointment to ensure the appointment was kept. If not, reschedules the appointment. Documents the date of the appointment was kept.
- If the referral confirmation has not been received from the Department of Health OB/Pre-Natal Clinic in Clearwater within 7 business days of the kept appointment, the care coordinator will call to request a confirmation of the completed referral. Contacts will continue until the confirmation is received.
- Upon receipt of the confirmation the care coordinator will document the confirmation in the patient's electronic health record and assign it to the provider for review and acceptance.

QUALITY ASSURANCE

Medical Record review occurs quarterly by the Quality Assurance Team. Records are reviewed with corrective action when applicable.

OBSTETRICS/PRE-NATAL REFERRAL TRACKING LOG
