

U.S. Coast Guard Sector St. Petersburg Tidal Inlet Protection Strategies

—Pinellas County only—

Posted June, 2010

The following maps for Pinellas County were extracted from the [Tidal Inlet Protection Strategies – Southwest Florida Coast Inlets and Passes](#) found on the [Area Contingency Plan website](#).

The Tidal Inlet Maps list principal resources at risk, preliminary protection strategies, chart pictorials, inlet sketch maps, site information records, and aerial photographs for each inlet to be used as a guide for spill response activities. The maps were prepared by Research Planning, Inc. based on research supported by the Florida Department of Environmental Protection (FDEP) and the Marine Spill Response Corporation.
