

Special Event - Pre-Authorized Vendor List

Below is a list of vendors that have provided proof of satisfaction of Pinellas County insurance requirements to offer specific services at Special Events held at County Parks and Preserves. The County can only guarantee that a listed vendor's insurance coverage was adequate at the time the vendor provided proof of coverage. Since that time, the vendor's insurance coverage may have lapsed. Accordingly, one should not presume that a listed vendor's insurance coverage remains adequate for Special Event purposes.

This list is not all-inclusive; If you are a vendor seeking to be included on this list, please contract Pinellas County Risk Management at (727) 464-3664 for further information regarding insurance requirements. **Pinellas County does not endorse any of the below vendors; the list is provided for public convenience only.**
