

BELLE HARBOUR MARINA

307 Anclote Road
Tarpon Springs, Florida
Phone: 727-943-8489

This 3 acre marina, located on the north side of the Anclote River near Marker #50 in Tarpon Springs provides its customers with access to the Anclote River and the Gulf of Mexico. The County acquired the marina in September 2006 and the County Parks and Recreation Department began operations in April 2007.

The marina offers 91 boat storage spaces in the Hi & Dry stack storage racks for boats up to 31 feet in length. Also available are 23 outside dry storage spaces. On the water, the marina rents 20 wet slips equipped with electric hook ups. Live-a-boards are not permitted.

Other services and facilities offered for sale include marine grade fuel and oil products, ice, bait, and a variety of snacks and drinks in vending machines. On shore restrooms with showers are available for marina customers. Marine sanitary sewage pump-out service is available. The marina is secured at night and arrangements can be made for use other than normal scheduled hours of operation. Free parking is available to marina customers and their guests.

Call 727-943-8489 for current rates and availability of dry storage and/or wet slips.

There is not a public boat ramp at this location.
