Project Narrative

- Widen existing asphalt multi-use path west of the Duval Park Apartments to serve as vehicular access.
- Preserve existing vegetation to the greatest extent possible.
- Parcel adjacent to Lealman Exchange contains Children’s Play Areas.
- Parking lot along Duval Park Blvd. to connect to existing Lealman Exchange Parking lot.
- Stormwater will be treated with a series of swales inside and adjacent to the parking areas.
- Maintenance building located at the southwest corner of the Lealman Exchange.
- Main parking area will be angled parking and have a drop off adjacent to the main entry plaza.
- Main entry plaza allows for the hosting of special events with space for public art, market, etc.
- Restroom serves as the main hub and is connected to an interactive art garden and the dog park.
- Dog park contains separate areas for both large and small dogs.
- Memorial reading garden serves to honor veterans and provide a space for quiet reflection.
- Two multi-purpose fields allow for open, unstructured play.
- A variety of seating areas are placed throughout the park.
- Additional shade structures and picnic areas are placed throughout the park.
- Widen path on the north side of Joe’s Creek to a 12’ minimum multi-use trail.
- Comfort station with water fountain to be placed near Joe’s Creek Trail and eastern pedestrian bridge.
