Project Overview | Project ID# 002128A

Pinellas County Public Works is proposing roadway and sidewalk improvements along 42nd Avenue N., from 46th Street N. to 35th Street N., in St. Petersburg. The project consists of the design and construction of ADA-compliant sidewalks, curb ramps and driveways along both sides of 42nd Avenue N.

Roadway improvements include reconstruction or pavement rehabilitation with the realignment of 42nd Avenue N. at 43rd Street N. as well as filling in existing ditches to the extent possible on both sides of the roadway to accommodate a closed drainage system. The completion of the project will result in a safer pathway for pedestrians and bicyclists.

Public Involvement

A Neighborhood Project Information Meeting will be held on Wednesday, May 15, 2019, from 5:30 to 7:30 p.m. at the Lealman Exchange, 5175 45th Street N., in St. Petersburg. The meeting will be an open house to share information about the proposed sidewalk improvements for 46th Avenue N. The project team will display project information and answer questions about the project, there will be no formal presentation. All interested citizens are encouraged to attend.
