

January 2019 Update

Pinellas Trail at 54th Avenue Drainage Improvements

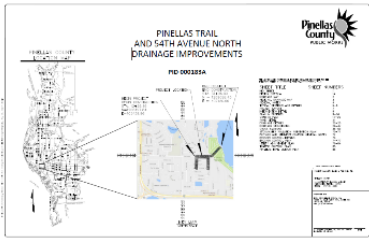

Project Overview

The purpose of this project is to reduce flooding frequency and severity in the area of Pinellas Trail and 54th Avenue as much as practicable. The project will consist of improvements to the stormwater conveyance system in the area.

Project Schedule – Next Steps

- Design Start: October 2016
- Design End: December 2018
- Construction Start: July 2019
- Construction End: July 2020

This project is funded through the Penny for Pinellas program.

Project ID# 000183A

Project Location

Intersection of Pinellas Trail and 54th Avenue
