

January 2019 Update

N Rena Drive Drainage Improvements

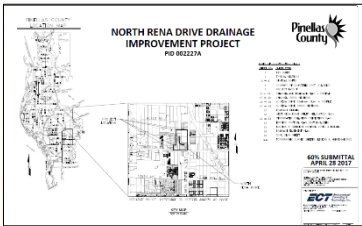

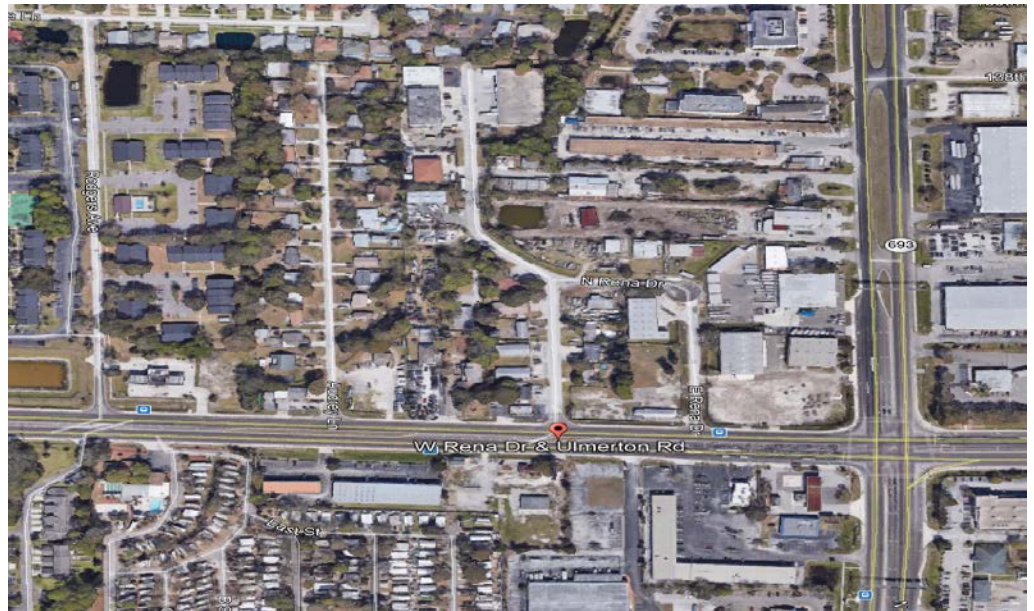

Project Overview

The purpose of this project is to reduce flooding frequency and severity in the Rena Drive drainage area and PAR facility as much as practicable. The project will consist of improvements to the stormwater conveyance system in the area which flows to and under Ulmerton Road.

Project Schedule – Next Steps

- Design Start: August 2016
- Design End: July 2019
- Construction Start: December 2019
- Construction End: December 2020

This project is funded through the Penny for Pinellas program.

Project ID# 002227A

Project Location

Intersection of Rena Drive
and Ulmerton Road
