Project Overview

Pinellas County Public Works, through the county's Capital Improvement Program, has designed and constructed 900 linear feet of new sidewalk on both the north and south sides of Sunset Point Road to connect the Pinellas Trail to Douglas Avenue. The improvements include the modification to driveways intersecting the new sidewalk, upgrades and additions of curb ramps at the side streets, curb replacement as well as the milling and resurfacing of the roadway within the project limits. The sidewalk provides a safe path for pedestrians to access the Pinellas Trail, nearby schools and neighboring businesses while encouraging multi-modal transportation choices. Construction of this project was completed in the summer of 2018.

Project Schedule – Next Steps

- Design Start: Winter 2015
- Design End: Summer 2017
- Construction Start: Spring 2018
- Construction End: Summer 2018

This project was funded through the Penny for Pinellas program.
