Failure to do so may lead County to declare any such term non-negotiable. Proposer's desire to take exception to a non-negotiable term will not disqualify it from consideration for award.

2. WRITTEN REQUESTS FOR INTERPRETATIONS/CLARIFICATIONS:

No oral interpretations will be made to any firms as to the meaning of specifications or any other contract documents. All questions pertaining to the terms and conditions or scope of work of this proposal must be sent in writing (mail or fax) to the Purchasing Department and received no later than the deadline specified in RFP. The Purchasing Department will be unable to respond to questions received after the specified deadline.

21. PROCUREMENT POLICY FOR RECYCLED MATERIALS:

Pinellas County wishes to encourage its proposer to use recycled products in fulfilling contractual obligations to the County and that such a policy will serve as a model for other public entities and private sector companies.

When awarding a purchase of \$5000 or less, or recommending a purchase in excess of \$5000 for products, materials, or services, the Director of Purchasing may allow a preference to a responsive proposer who certifies that their product or material contains the greatest percentage of postconsumer material. If they are submitting a proposal on paper products they must certify that their materials and/or products contain at least the content recommended by the EPA guidelines.

On all proposals over fifty thousand dollars (\$50,000) and formal quotes under fifty thousand dollars (\$50,000), or as required by law, the Director of Purchasing shall require vendors to specify which products have recycled materials, what percentage or amount is postconsumer material, and to provide certification of the percentages of recycled materials used in the manufacture of goods and commodities procured by the County.

Price preference is not the preferred practice the County wishes to employ in meeting the goals of this resolution. If a price preference is deemed to serve the best interest of the County and further supports the purchase of recycled materials, the Director of Purchasing will make a recommendation that a price preference be allowed up to an amount not to exceed 10% above the lowest complying proposal received.

DEFINITIONS:

Recovered Materials: Materials that have recycling potential, can be recycled, and have been diverted or removed from the solid waste stream for sale, use or reuse, by separation, collection, or processing.

The County shall be responsible for filing all DEP notifications and furnish a copy of the DEP notification and approval for demolition to the successful proposer. The County will furnish a copy of the asbestos survey to the successful proposer. The proposer must keep this copy on site at all times during the actual demolition.

The proposer must specify on the Proposal Summary form the exact company name and address which must be the same as invoices submitted for payment as a result of award of this RFP. Further, the successful proposer is responsible for immediately notifying the Purchasing Department of any company name change, which would cause invoicing to change from the name used at the time of the original RFP. Payment will be made, in arrears, in accordance with Fla. Stat. § 218.70, et. seq., the Local Government Prompt Payment Act.

SECTION A - GENERAL CONDITIONS - CONTINUED**23. CANCELLATION:**

25. NON-EXCLUSIVE CONTRACT:

The County specifically reserves the right to concurrently contract with other companies for similar work if it deems such action to be in the County's best interest. In the case of multiple-term contracts, this provision shall apply separately to each term.

Such actions may cause any request for proposal, request for qualification, bid or contract to be rejected.

27. ADDITIONAL REQUIREMENTS:

The County reserves the right to request additional services relating to this Agreement from the Contractor. When approved by the County as an amendment to this Agreement and authorized in writing, the Contractor shall provide such additional requirements as may become necessary.

SECTION A - GENERAL CONDITIONS - CONTINUED**28. ADD/DELETE LOCATIONS/SERVICES:**

SECTION E – SCOPE OF WORK

Proposal Title: GROUP TERM LIFE INSURANCE
Proposal Number: 078-0343-P (AM)
A. STATEMENT OF REQUEST

Pinellas County seeks to obtain proposals on basic group term life and supplemental term life insurance with accidental death and dismemberment coverage for both, dependent term life insurance, and retiree term life insurance. The life insurance is not part of the County's Section 125 premium plan. Basic life insurance is provided by the County to all permanent employees at no cost. Employees have the option to purchase supplemental life coverage and dependent life insurance. Retirees have the option to purchase term life insurance.

B. PLAN DESIGN

All permanent full and part time employees are provided term life insurance coverage equal to their annual salary (rounded to the next higher \$1,000). The coverage is effective 30 days after the hire date. Supplemental term life coverage is available to the employee in increments of \$5,000 up to the maximums shown below and is paid for through payroll deduction. If additional coverage is not selected at time of employment or annual enrollment, proof of insurability is required. Dependent term life insurance is available for the amounts of \$5,000 or \$10,000 for spouses and children as shown below.

The group term life product does not offer a portability feature. The County offers WrapPlan voluntary group universal life coverage which is portable and has approximately 30% participation.

A census of eligible and participating employees, claims and experience data including waiver claims and a copy of the current plan certificate are included with this RFP. All responses must specify any deviations from the plan as stated in this certificate and provide explanation where possible.

Basic Life

One times basic annual earnings, rounded to the next higher \$1,000. Maximum of \$250,000.

Active Supplemental Life

Amounts in increments of \$5,000 up to the lesser of \$250,000 or five times annual salary. Coverage issued non-medical up to three times annual salary. Adding or increasing coverage at Annual Enrollment over \$20,000 requires evidence of insurability.

Age Reduction (Basic & Supplemental)

to 65% at age 65
to 45% at age 70
to 30% at age 75
to 20% at age 80

Accidental Death and Dismemberment

This benefit increases the amount payable for certain types of dismemberment or accidental death. AD&D does not apply to Retiree Supplemental Life or Dependent Term Life coverage.

Retiree Supplemental Life

The County-provided basic group term life and employee-paid supplemental life insurance are cancelled upon retirement. Retiree Supplemental Life in any multiple of \$1,000 in an amount up to annual salary in effect at the time of retirement. Purpose of Form

A person who is required to file an information return with the IRS must obtain your correct taxpayer identification number (TIN) to report, for example, income paid to you, real estate transactions, mortgage interest you paid, acquisition or abandonment of secured property, cancellation of debt, or contributions you made to an IRA.

Use Form W-9 only if you are a U.S. person (including a resident alien), to provide your correct TIN to the person requesting it (the requester) and, when applicable, to:

If applicable, you are also certifying that as a U.S. person, your allocable share of any partnership income from a U.S. trade or business is not subject to the withholding tax on foreign partners' share of effectively connected income.

Further, in certain cases where a Form W-9 has not been received, a partnership is required to presume that a partner is a foreign person, and pay the withholding tax. Therefore, if you are a U.S. person that is a partner in a partnership conducting a trade or business in the United States, provide Form W-9 to the partnership to establish your U.S. status and avoid withholding on your share of partnership income.

80 and over	20%

Age reductions will apply the first day of the month following an insured employee's or retired employee's 65th, 70th, 75th, and 80th birthdays. The amount of insurance terminated due to an age reduction may be converted to an individual life insurance policy. All provisions of the conversion rights section of the group term life insurance policy shall apply.

RETIREMENT REDUCTIONS: All basic and supplemental insurance terminates at retirement. Retiree insurance is available for those retired employees who elect to continue their insurance as indicated under the Retiree Insurance section on page A. Retiree insurance is not available to an employee for whom premiums are being waived under the waiver of premium supplement of the certificate.

CONTRIBUTORY/NONCONTRIBUTORY: Basic insurance is noncontributory insurance; supplemental and retiree insurance are contributory insurance.

All retiree insurance is guaranteed issue.

EVIDENCE OF INSURABILITY: Evidence of insurability is required as stated in the policy and for an amount of insurance greater than the guaranteed issue amount.

ANNUAL OPEN ENROLLMENTS: An active permanent employee who is insured for supplemental insurance will be given an opportunity each year during an "annual enrollment" period to increase his or her supplemental insurance by \$20,000 or to enroll for \$20,000 of supplemental insurance, subject to the plan maximum. No evidence of insurability will be required for this additional or new insurance, provided the employee has not been previously declined coverage due to failure to

provide satisfactory evidence of insurability, which will become effective on the policy anniversary next following or coinciding with the date of the requested change.

Requests for increases greater than these maximums, or for a person who previously waived coverage or who was previously declined coverage, can also be made at "annual enrollments" as long as the request is within the parameters of the plan of insurance. However, satisfactory evidence of insurability will be required in these situations and the increase or new insurance will not become effective until and unless the evidence of insurability is approved by Minnesota Life and the change will not become effective until the policy anniversary date next following or coinciding with the date of the requested change.

EFFECTIVE DATE OF INCREASES AND DECREASES DUE TO CHANGE IN ELIGIBLE CLASS OR EARNINGS: The later of the date of the change in eligible class or earnings or the date any required evidence of insurability is approved by us. General Information

What is your agreement with us?

You are insured under the group policy shown on the specifications page attached to this certificate. Your application as defined under this certificate is attached and is a part of this certificate. This certificate summarizes the principal provisions of the group policy that affect your life insurance coverage. The provisions summarized in this certificate are subject in every respect to the group policy.

Any statements made in your application as defined in this certificate will, in the absence of fraud, be considered representations and not warranties. Also, any statement made will not be used to void your insurance nor defend against a claim unless the statement is contained in the application attached to your certificate.

This certificate is issued in consideration of your application and the payment of the required premium.

Can this certificate be amended?

Yes. We retain the right to amend this certificate at any time without your consent. Any amendment will be without prejudice to any claim incurred for benefits prior to the date of the amendment.

Who is eligible for insurance?

You are eligible if you:

- (1) are a member of the group and of an eligible class as defined in the group policy; and
- (2) work for the employer for at least the number of hours per week shown as the minimum hours per week requirement on the specifications page attached to this certificate; and
- (3) have satisfied the waiting period as shown on the specifications page attached to this certificate; and
- (4) meet the actively at work requirement as shown in the section entitled "What is the actively at work requirement?".

Are retired employees eligible for insurance?

If the policyholder's plan of insurance, as reflected in the specifications page attached to this certificate, does not specifically provide insurance for retired employees, a retired employee shall not be eligible to become insured, nor have his or her insurance continued. If the policyholder's plan of insurance specifically provides insurance for retired employees, the minimum hours per week and actively at work requirements will not apply to such persons.

What is the actively at work requirement?

To be eligible to become insured or to receive an increase in the amount of insurance, you must be actively at work performing your customary duties at the employer's normal place of business, or at other places the employer's business requires you to travel.

If you are not actively at work on the date coverage would otherwise begin, or on the date an increase in your amount of insurance would otherwise be effective, you will not be eligible for the coverage or increase until you return to active work. However, if the absence is on a non-work day, coverage will not be delayed provided you were actively at work on the work day immediately preceding the non-work day.

Except as otherwise provided for in this certificate, you are eligible to continue to be insured only while you remain actively at work.

When will we require evidence of insurability?

Evidence of insurability will be required if:

- (1) the specifications page attached to this certificate states that evidence of insurability is required; or

- (2) the insurance is contributory and you do not enroll within the enrollment period shown on the specifications page attached to this certificate; or
- (3) the insurance is noncontributory and you do not become insured, due to nonpayment of premium, within the three-month period beginning on the date you are first eligible for coverage. This will not apply if it is shown that it was due to clerical error only, in which case premiums will be due retroactive to the date you were first eligible for coverage; or
- (4) the insurance for which you previously enrolled did not go into effect or was terminated because you failed to make a required premium contribution; or
- (5) during a previous period of eligibility, you failed to submit evidence of insurability or that which was submitted was not satisfactory to us; or
- (6) you are insured by an individual policy issued under the terms of the conversion right section.

When does insurance become effective?

Insurance becomes effective on the date that all of the following conditions have been met:

- (1) you meet all eligibility requirements; and
- (2) if required, you apply for the insurance on forms which are approved by us; and
- (3) we are satisfied with your evidence of insurability, if we require evidence; and
- (4) we receive the required premium.

Can your coverage be continued during sickness, injury, leave of absence or temporary layoff?

Yes. The employer may continue your noncontributory insurance or allow you to continue your contributory insurance when you are absent from work due to sickness, injury, leave of absence, or temporary layoff. Continuation of your insurance is subject to certain time limits and conditions as stated in the group policy. If you stop active work for any reason, you should discuss with the employer what arrangements may be made to continue your insurance.

Premiums

When and how often are your premium contributions due?

Unless the policyholder and we have agreed to some other premium payment procedure, any premium contributions you are required to make for contributory insurance are to be paid by you to the policyholder on a monthly basis. We apply premiums consecutively to keep the insurance in force.

Ed. F. 56590 9-2001

How is the premium determined?

The premium will be the premium rate multiplied by the number of \$1,000 units of insurance in force on the date premiums are due. The premium may also be computed by any other method on which the policyholder and we agree.

We may change the premium rate:

- (1) on any policy anniversary date on or after the rate guarantee period as indicated on the group policy specifications page; or
- (2) anytime, if the policy terms are amended or the total amount of insurance in force changes by 10% or more.

Death Benefit

What is the amount of the death benefit?

The amount of the death benefit is the amount of insurance shown on the specifications page attached to this certificate.

Can you request a change in the amount of your contributory insurance?

Yes. If the policyholder's plan of insurance, as reflected in the specifications page attached to the group policy, allows for a choice of amounts of insurance for your class, you can request an increase or a decrease in the amount of your contributory insurance within the limitations of the policyholder's plan of insurance, including any limitations on when and how often such requests may be made. All requests must be made in writing.

If you request an increase in the amount of your contributory insurance, we will require evidence of insurability. If you request a decrease in the amount of your contributory insurance, we will grant the request.

When will changes in your coverage amount be effective?

Requested increases in the amount of your contributory insurance, if approved, are effective on the date we approve the increase. Requested decreases in the amount of your contributory insurance are effective on the first day of the month following our receipt of your request for a decrease.

Increases and decreases in insurance amounts which result from a change in your eligible class or earnings will be effective as shown on the specifications page attached to this certificate.

All increases in the amount of insurance are subject to the actively at work requirement.

When will the death benefit be payable?

We will pay the death benefit upon receipt at our home office of written proof satisfactory to us that you died while insured under this certificate. All payments by us are payable from our home office.

The death benefit will be paid in a single sum or by any other method agreeable to us and the beneficiary. We will pay interest on the death benefit from the date of your death until the date of payment. Interest will be at an annual rate determined by us, but never less than 4% per year compounded annually, or the minimum required by state law, whichever is greater.

Payment of the death benefit will extinguish our liability under the certificate for which the death benefit has been paid.

To whom will we pay the death benefit?

We will pay the death benefit to the beneficiary or beneficiaries. A beneficiary is named by you to receive the death benefit to be paid at your death. You may name one or more beneficiaries. You cannot name the policyholder or an associated company of the policyholder as a beneficiary.

You may also choose to name a beneficiary that you cannot change without the beneficiary's consent. This is called an irrevocable beneficiary.

If there is more than one beneficiary, each will receive an equal share, unless you have requested another method in writing. To receive the death benefit, a beneficiary must be living on the date of your death. In the event a beneficiary is not living on the date of your death, that beneficiary's portion of the death benefit shall be equally distributed to the remaining surviving beneficiaries. In the event of the simultaneous deaths of you and a beneficiary, the death benefit will be paid as if you survived the beneficiary.

If there is no eligible beneficiary, or if you do not name one, we will pay the death benefit to:

- (1) your lawful spouse, if living, otherwise;
- (2) your natural or legally adopted child (children) in equal shares, if living, otherwise;
- (3) your parents in equal shares, if living, otherwise;
- (4) the personal representative of your estate.

Can you add or change beneficiaries?

Yes. You can add or change beneficiaries if all of the following are true:

- (1) your coverage is in force; and
- (2) we have written consent of all irrevocable beneficiaries; and
- (3) you have not assigned the ownership of your insurance.

A request to add or change a beneficiary must be made in writing. All requests are subject to our approval. A change will take effect as of the date it is signed, but will not affect any payment we make or action we take before receiving your notice.

Termination

When does your coverage terminate?

Your coverage ends on the earliest of the following:

- (1) the date the group policy ends; or
- (2) the date you no longer meet the eligibility requirements; or
- (3) the date the group policy is amended so you are no longer eligible; or
- (4) 31 days (the grace period) after the due date of any premium contribution which is not paid; or
- (5) the last day for which premium contributions have been paid following your written request to cease participation under this certificate.

If your coverage under the group policy terminates due to non-payment of premiums, your coverage may be reinstated if all premiums due are paid and received by us within 31 days of the date of termination and during your lifetime.

Can your insurance be reinstated after termination?

Yes. When your coverage terminates because you are no longer eligible, and you become eligible again within three months after the date your coverage under this certificate terminated, your coverage may be reinstated.

Provided you are not then covered by an individual policy issued under the terms of the conversion right section, your coverage under the group policy shall be reinstated automatically, without evidence of insurability or satisfaction of any waiting period. Your amount of insurance will be that which applies to the classification to which you then belong, on the date you again become eligible. If the policyholder's plan of insurance provides for contributory insurance under the group policy, your amount of contributory insurance will be limited to that for which you were insured immediately prior to the loss of coverage.

When does the group policy terminate?

The policyholder may terminate the group policy by giving us 31 days prior written notice. We reserve the right to terminate the group policy on the earliest of the following to occur:

- (1) 31 days (the grace period) after the due date of any premiums which are not paid; or

- (2) on any subsequent policy anniversary after the date the number of employees insured is less than any minimum established by us or as required by applicable state law; or
- (3) at the end of any rate guarantee period provided we have given 31-days notice of our intent to terminate; or
- (4) 31 days after we provide you with notice of our intent to terminate this policy due to the policyholder's gross misconduct, fraud or the policyholder's failure to meet obligations under the policy.

Conversion Right

What is the conversion right?

You may convert this insurance to a new individual life insurance policy if all or part of your life insurance under the group policy terminates.

You may convert up to the full amount of terminated insurance if termination occurs because you move from one existing eligible class to another, or you are no longer in an eligible class.

What is the limited conversion right?

Limited conversion is available if, after you have been insured for at least five years, insurance is terminated because:

- (1) the group policy is terminated; or
- (2) the group policy is changed to reduce or terminate your insurance.

You may convert up to the full amount of terminated insurance, but not more than the maximum. The maximum is the lesser of:

- (a) \$10,000; and
- (b) the amount of life insurance which terminated minus any amount of group life insurance for which you become eligible under any group policy issued or reinstated by us or any other carrier within 31 days of the date your insurance terminated under the group policy.

Neither the conversion right nor the limited conversion right is available if your coverage under the group policy terminates due to failure to make, when due, required premium contributions.

Under both the conversion right and the limited conversion right, you may convert your insurance to any type of individual policy of life insurance then customarily issued by us for purposes of conversion, except term insurance. The individual policy will not include any supplemental benefits, including, but not limited to, any disability benefits, accidental death and dismemberment benefits, or accelerated benefits.

How do you convert your insurance?

You convert your insurance by applying for an individual policy and paying the first premium within 31 days after your group insurance terminates. No evidence of insurability will be required.

How is the premium for the individual policy determined?

We base the premium for the individual policy on the plan of insurance, your age, and the class of risk to which you belong on the date of the conversion.

When is the individual policy effective?

The individual policy takes effect 31 days after the group insurance provided under the group policy terminates.

What happens if you die during the 31-day period allowed for conversion?

If you die during the 31-day period allowed for conversion, we will pay a death benefit regardless of whether or not an application for coverage under an individual policy has been submitted. The death benefit will be the amount of insurance you would have been eligible to convert under the terms of the conversion right section.

We will return any premium you paid for an individual policy to your beneficiary named under the group policy. In no event will we be liable under both the group policy and the individual policy.

Additional Information

What if your age has been misstated?

If your age has been misstated, the death benefit payable will be that amount to which you are entitled based on your correct age. A premium adjustment will be made so that the actual premium required at your correct age is paid.

Is there a suicide exclusion?

The specifications page attached to this certificate indicates what insurance, if any, is subject to the suicide exclusion outlined below.

When applicable, this suicide exclusion limits our liability to an amount equal to the premiums paid if you, whether sane or insane, die by suicide within two years of the effective date of your insurance.

If there has been an increase in your amount of insurance for which you were required to apply or for which we required evidence of insurability, and if you die by suicide within two years of the effective date of the increase, our liability with respect to that increase will be limited to the premiums paid and attributable to such increase.

Ed. F. 56590 9-2001

When does your insurance become incontestable?

Except for the non-payment of premiums, after your insurance has been in force during your lifetime for two years from the effective date of your coverage, we cannot contest your coverage. However, if there has been an increase in the amount of insurance for which you were required to apply or for which we required evidence of insurability, then, to the extent of the increase, any loss which occurs within two years of the effective date of the increase will be contestable.

Any statements you make in your application as defined under this certificate will, in the absence of fraud, be considered representations and not warranties. Also, any statement you make will not be used to void your insurance, nor defend against a claim, unless the statement is contained in the application attached to your certificate.

Can your insurance be assigned?

Yes. However, we will not be bound by an assignment of the certificate or of any interest in it unless it is made as a written instrument, and you file the original instrument or a certified copy with us at our home office, and we send you an acknowledged copy.

We are not responsible for the validity of any assignment. You are responsible for ensuring that the assignment is legal in your state and that it accomplishes your intended goals. If a claim is based on an assignment, we may require proof of interest of the claimant. A valid assignment will take precedence over any claim of a beneficiary.

Is the policyholder required to maintain records?

Yes. The policyholder is required to maintain adequate records of any information necessary for us to administer this certificate. We own the records relating to the insurance provided by this certificate, and can obtain them from the policyholder at any reasonable time.

If a clerical error is made in keeping records on the insurance under the group policy, it will not affect otherwise valid insurance. A clerical error does not continue insurance which is otherwise stopped. If an error causes a change in premium payment, we will make a fair adjustment.

Will the provisions of this certificate conform with state law?

Yes. If any provision in this certificate, or in the provisions of the group policy, is in conflict with the laws of the state governing the certificates or the group policy, the provision will be deemed to be amended to conform to such laws.

General Information

This certificate supplement is issued in consideration of the required premium and is subject to every term, condition, exclusion, limitation, and provision of your certificate unless otherwise expressly provided for herein. The specifications page attached to your certificate indicates whether this supplement applies to contributory insurance or noncontributory insurance. Coverage under this supplement will not be included in any insurance issued under the conversion right section of your certificate.

What does this supplement provide?

This supplement provides for waiver of premium if you become totally and permanently disabled, as defined herein, while under age 60. Upon approval of proof of such disability, your insurance, including all supplements to your certificate which are in force on the date of the onset of your disability, will be continued in force without payment of premiums during the uninterrupted continuance of the total and permanent disability.

What is total disability?

Total disability is a disability which occurs while your insurance is in force and which results from an accidental injury or an illness that continuously prevents you from engaging in any occupation for which you are reasonably suited by education, training, or experience. You must be under the care of a licensed physician. The licensed physician cannot be you or a member of your immediate family. For purposes of this supplement, your immediate family consists of your spouse, children, parents, grandparents, grandchildren, brothers and sisters and their spouses.

What is permanent disability?

Permanent disability is a total disability which has existed continuously for at least six months.

Are there any limitations?

Yes. Insurance will not be continued if your disability results from intentionally self-inflicted injury, participation in or any attempt to commit a felony, or war or any act of war, whether declared or undeclared.

What if you recover and again become totally disabled?

If you recover, return to work for the employer and, due to the same accidental injury or illness, again become totally disabled within six

months while insured under this supplement, the two periods of total disability will be considered as one period of total disability and you will not be required to satisfy a new six month waiting period before the waiver of premium resumes. However, premiums will not be waived during any such recovery period.

Do premiums have to be paid after you become disabled?

Yes. Premiums have to be paid after you become disabled, but only until we approve your total and permanent disability claim. Continued payment prevents the possible loss of your coverage and eligibility if your claim is not approved. If your claim for benefits under this supplement is approved, any premiums paid after your disability began will be refunded.

What if you convert your group life insurance to a policy of individual insurance prior to the approval of your disability claim?

If your coverage has been converted in accordance with the conversion right section of your certificate, benefits under this supplement will apply only if the converted policy is surrendered without claim, except for refund of premiums.

What will be considered due proof of total and permanent disability?

You must furnish evidence satisfactory to us that your disability:

- (1) commenced while your insurance under your certificate was in force; and
- (2) commenced before your 60th birthday; and
- (3) meets the definition of total disability; and
- (4) was continuous for six months or more.

We will, from time to time, also require additional proof satisfactory to us that you continue to be totally and permanently disabled. We may also require that you submit to one or more medical examinations at our expense.

If you die within one year of the date of onset of your disability, your beneficiary may claim benefits under this supplement even if your premium payments were discontinued and you had not submitted due proof satisfactory to us of your total disability or you were continuously disabled for less than six months. Your beneficiary must submit due proof satisfactory to us that your total disability, which began before premium payments on your behalf were discontinued and before your 60th birthday, continued without interruption until your death.

When must we be notified of your disability or death?

We must receive written notice at our home office of your total disability within one year of the date of onset of such disability. However, failure to give notice within the time provided will not invalidate the claim if it is shown that notice was given as soon as reasonably possible.

Ed. F. 56262 9-2001

We must receive written notice at our home office within one year of death that you died during the period of continuance provided by this supplement. Proof must be furnished that you continued to be totally disabled during the entire period of continuance until death. If such notice and proof are not provided within the required time frame, there shall be no liability for any payment under this supplement.

What is the amount of insurance to be continued without payment of premium under this supplement?

The amount of your insurance continued at any given time shall be the amount of insurance then available under the group policy for an insured of your age and eligible class or, if less, the amount for which you were insured under the group policy when the last premium contribution was made on your behalf.

If your certificate provides for reductions in amounts of insurance based on age, such reductions shall apply to your insurance.

How long will insurance be continued without payment of premium?

If you become totally and permanently disabled, insurance will be continued, without payment of premium, until the earliest of:

- (1) the date you recover so that you are no longer totally and permanently disabled; or
- (2) the date you fail to furnish proof of continued disability when requested or you refuse to submit to a required medical examination.

What happens to your insurance when the waiver of premium benefit ends?

When the benefits under this supplement end according to the provisions of the section entitled "How long will insurance be continued without payment of premium?," the following will apply:

- (1) If you are then eligible for coverage under your certificate, your insurance may be continued under your certificate provided that premiums are paid. The first such premium payment must be made within 31 days of the date the waiver of premium benefit ends.
- (2) If you are no longer eligible for coverage under your certificate, you may convert coverage to an individual policy, as provided for under the conversion right section of your certificate.

Your insurance will end unless, within 31 days of the date benefits under this supplement end, premium payments on your behalf are resumed or you apply to convert your coverage.

When does this supplement terminate?

This supplement will terminate on the earlier of:

- (1) the date we receive a written request from the policyholder to terminate the Term Life Waiver of Premium Policy Rider; or
- (2) the date the group policy is terminated.

Insurance being continued without further payment of premiums in accordance with the provisions of this supplement will not end due solely to the termination of the Term Life Waiver of Premium Policy Rider or of the group policy.

ACCELERATED BENEFITS CERTIFICATE SUPPLEMENT

Minnesota Life Insurance Company • 400 Robert Street North • St. Paul, Minnesota 55101-2098 • 1-800-252-5152

Benefits received under this Accelerated Benefits Certificate Supplement may be taxable. You should seek assistance from a personal tax advisor prior to requesting an accelerated payment of death benefits.

General Information

This certificate supplement is subject to every term, condition, exclusion, limitation, and provision of your certificate unless otherwise expressly provided for herein.

What does this supplement provide?

This supplement provides for the accelerated payment of either the full or a partial amount of an insured's death benefit provided under your certificate. If an insured has a terminal condition as defined in this supplement, you may request an accelerated payment of the applicable death benefit.

Definitions

accelerated benefit

The amount of the death benefit we will pay if the insured is eligible under this supplement.

death benefit

The amount of the insured's life insurance as shown on the specifications page attached to your certificate.

immediate family

Your spouse, children, parents, grandparents, grandchildren, brothers and sisters, and their spouses.

insured

For purposes of this supplement, an insured employee, an insured spouse, or an insured dependent child.

physician

An individual who is licensed to practice medicine or treat illness in the state in which treatment is received. This does not include you or a member of your immediate family.

Ed. F. 56361 9-2001

Terminal Condition

What is a terminal condition?

A terminal condition is a condition caused by sickness or accident which directly results in a life expectancy of twelve months or less.

What evidence do we require of the insured's terminal condition?

We must be given evidence that satisfies us that the insured's life expectancy, because of sickness or accident, is twelve months or less. That evidence must include certification by a physician.

Do we have the right to obtain independent medical verification?

Yes. We retain the right to have the insured medically examined at our own expense to verify the insured's medical condition. We may do this as often as reasonably required while accelerated benefits are being considered or paid.

Payment of Accelerated Benefit

How do we calculate the accelerated benefit?

We will multiply the death benefit by the accelerated benefit factor to determine the accelerated benefit available.

How do we calculate the accelerated benefit factor?

The accelerated benefit factor will be stated as a percentage of the insured's death benefit. When we calculate this factor, we will consider the insured's age and gender.

We will also base our calculation on certain assumptions, which we may change from time to time, including but not limited to assumptions about:

- (1) expected future premiums; and
- (2) the insured's life expectancy.

Is there a processing charge?

Yes. We will subtract a processing charge of up to \$100 from the accelerated benefit before we pay that benefit.

What are the conditions for the payment of an accelerated benefit?

We will consider the payment of an accelerated benefit, subject to all of the following conditions:

- (1) coverage must be in force and all premiums due must be fully paid; and
- (2) application must be made in writing and in a form which is satisfactory to us. We will tell you what form is required; and

Ed. F. 56361 9-2001

- (3) you must be the sole owner of the certificate; and
- (4) the insured's insurance must not have an irrevocable beneficiary.

Who may request an accelerated payment of the death benefit?

You may request an accelerated payment of the insurance on your life or on the life of a spouse or dependent child insured under your certificate.

Is the request for an accelerated benefit voluntary?

Yes. An accelerated benefit will be made available on a voluntary basis only. An accelerated benefit under this supplement is not intended to cause an involuntary reduction of the death benefit ultimately payable to the named beneficiary. Therefore, payment of the death benefit cannot be accelerated under this supplement if the insured:

- (1) is required by law to use this option to meet the claims of creditors, whether in bankruptcy or otherwise; or
- (2) is required by a government agency to use this option in order to apply for, obtain, or keep a government benefit or entitlement.

Is there a minimum or maximum death benefit eligible for an accelerated benefit?

Yes. The minimum death benefit to be eligible for an accelerated benefit under this supplement is \$10,000. The maximum death benefit to be eligible for an accelerated benefit is \$1,000,000.

Do you have to take the entire accelerated benefit?

No. You may choose to receive a partial accelerated benefit. If you do so, the insured's remaining coverage will stay in force.

If you elect to receive only a partial accelerated benefit amount available under this supplement, the insured's remaining death benefit under the certificate must be at least \$25,000.

You may reapply for the payment of the remaining amount of insurance at any time. However, we may ask for further satisfactory evidence that the insured meets all requirements for the accelerated benefit. We reserve the right to charge an additional processing charge.

What is the effect on an insured's coverage of the receipt of an accelerated benefit?

If you elect to accelerate the full amount of an insured's death benefit, the insured's coverage and all other benefits under the certificate and any certificate supplements for that insured will end. If such termination causes a certificate holder's covered spouse or dependent children to lose coverage, each of them will be allowed to convert any such insurance to a policy of individual life insurance according to the conversion right section of the certificate to which this supplement is attached.

Ed. F. 56361 9-2001

If a partial accelerated benefit is chosen, coverage will remain in force and premiums will be reduced accordingly. The remaining amount of insurance under your certificate will be the full amount of insurance minus the amount of insurance that was accelerated.

How will we pay the accelerated benefit?

We will pay the accelerated benefit in one lump sum or in any other mutually agreeable manner.

To whom will we pay accelerated benefits?

All accelerated benefits will be paid to you unless you validly assign them otherwise. If you die before all payments have been made, we will pay the remainder to the beneficiary named under this certificate. Payment will be made in one lump sum which will be the present value of the payments that remain, using the interest rate we use to determine the payments.

Termination

When does an insured's coverage under this supplement terminate?

An insured's coverage ends on the date the insured is no longer covered for life insurance under the group policy.

When does this supplement terminate?

This supplement will terminate on the earlier of:

- (1) the date we receive a written request from the policyholder to cancel the Accelerated Benefits Policy Rider; or
- (2) the date the group policy is terminated.

DEPENDENT ELIGIBILITY (as defined in the health plan descriptions)

Dependent – the Employee's legal spouse or an unmarried dependent child of the Employee or the Employee's spouse. The term child includes any of the following:

Natural child.	Foster child.
Stepchild.	Child placed for adoption.
Legally adopted child.	Child for whom legal guardianship has been awarded to the Employee or the Employee's spouse.

To be eligible for coverage under the Policy, a Dependent must reside within the United States.

The definition of Dependent is subject to the following conditions and limitations:

A Dependent includes any unmarried dependent child under 19 years of age.

A Dependent includes an unmarried dependent child who is 19 years of age or older, but less than 25 years of age only if you furnish evidence upon our request, satisfactory to us, of all the following conditions:

- The child must be a full-time or part-time student; or
- The child must reside in the Employee's household.
- The child must be primarily dependent upon the Employee for support and maintenance. We have the right to request proof of the child's dependency status at any time.

Note: Dependent is eligible for coverage until the end of the calendar year in which the Dependent reaches a limiting age.

The Employee must reimburse us for any Benefits that we pay for a child at a time when the child did not satisfy these conditions.

A Dependent also includes a child for whom health care coverage is required through a 'Qualified Medical Child Support Order' or other court or administrative order. The Enrolling Group is responsible for determining if an order meets the criteria of a Qualified Medical Child Support Order.

A Dependent does not include anyone who is also enrolled as an Employee. No one can be a Dependent of more than one Employee.

SPECIAL CONDITIONS FOR "OPT OUT" OF HEALTH PLAN

- By selecting "Opt Out", you are requesting termination of County Health Plan benefit coverage, including mental health, pharmacy and vision benefits, and instead are electing to receive a monthly cash subsidy towards the purchase of other benefits, including your health care costs incurred from another carrier with whom you are currently enrolled.
- You must submit a copy of the front and back of your current medical identification card as proof of other coverage. The County may request proof of continued coverage at any time and failure to provide this information will void the monthly cash subsidy.
- If your termination of coverage is due to a change in family status, or non-voluntary termination of coverage, you may immediately forfeit your health care subsidy and enroll under the County's plan. If you voluntarily terminate the coverage for other reasons, you forfeit your health care subsidy and may not apply to enroll under the County's plan until the following plan year.
- Only permanent full time employees are eligible for the "Opt Out" cash subsidy. Medicare, Medicaid and other government funded programs are not considered alternate coverage for the purposes of this benefit.

QUESTION 1

Can you please furnish the complete experience for 2007 for each line of coverage. The current RFP only includes 3 months of 2007.

ANSWER 1

Pinellas County's fiscal year is from October 1 through September 30. The 2006 fiscal year reflected in the experience attachment includes October 1, 2006 through September 30, 2007. Three months of the 2007 fiscal year are also included in the attachment (Oct, Nov, Dec of 2007). Therefore the complete experience for calendar year 2007 is reflected in the experience attachment.

QUESTION 2

- a) Our proposal team has asked if we can get the RFP as a Word document. Would this be possible?
- b) I am the Prudential representative working on a life insurance proposal for your group. Do you have a copy of the RFP in Word format that you can email to me? It will make it much easier for us to fill in our responses if you have the RFP available in Word format.
- c) Could you please provide all documents for the RFP in word format?
- d) Can we please get the questionnaire in word or excel format?

ANSWER 2

Yes. See Attached.

QUESTION 3

We are a 3rd Party Administrator and have received your request to bid on the Group term Life Insurance. As a TPA we market the Life Insurance for our accounts and perform the monthly billing and administration working directly with the Life insurance company and the Group. Before we bid on your Life Insurance I want to be sure that you have no problems working with a TPA instead of directly with the Life Insurance Company?

ANSWER 3

We engage in a contract directly with an insurance company, not a third party administrator.

QUESTION 4

We are in the process of reviewing your RFP for Basic Life, Retiree Life and Supplemental Life for Pinellas County Government and we have the following questions.

Life Claim and Premium History has been provided up through the first three months of 2007, can we obtain the same information that you have provided but have it updated to run through the end of 2007 or even through the first few months of 2008?

ANSWER 4

Life Claim and Premium History has been provided in the RFP for Fiscal Year (plan year) October 1, 2006 through September 30, 2007 and for the first three months of the 2007 plan year through December 31, 2007.

Titled: GROUP TERM LIFE INSURANCE**QUESTION 5**

Can we obtain a list of approved Waiver of Premium Claims broken out between the basic Life and Supplemental Life Plans.

If we could obtain the following information for each waiver claim

Date of Birth
Gender
Date of Disability
Certificate Amount

ANSWER 5

The life census provided in as an attachment to the Request for Proposal provides Waiver of Premium Claims broken out between the basic Life and Supplemental Life Plans. Date of Birth, Gender, and Certificate amounts are included in the census data. The Date of Disability is not included. Based on the Legend, following is an example from the census of the breakdown of Waiver of Premium coverage.

<u>Heading</u>	<u>Description</u>
B Life Code	Y = has Basic Life Coverage; W = On WOP for Basic Life
B Life Non Employee	Amount of Basic Life for Non Employee on WOP
SL Face Amount	Supplemental Life Amount
SL Waiver	W = On Waiver of Premium for Supplemental Life

The individual below is on Waiver of Premium for Basic Life in the amount of \$38,000 and on Waiver of Premium for Supplemental Life in the amount of \$35,000.

B Life Code	B Life Non Emp	SL Face Amt	SL Waiver
W	38000	35000	W

QUESTION 6

The Supplemental Life appears to have an annual open enrollment in which an employee who originally declined the coverage can come onto the plan up to \$20,000 without evidence of insurability or a current enrollee can increase their existing coverage up an additional \$20,000 not to exceed the guarantee issue amount. Can you confirm if this is how you are administering your current Supplemental Life plan? If not, can you please explain the process?

ANSWER 6

Your understanding of how we administer our current Supplemental Life plan is correct. During annual enrollment an employee who originally declined the coverage can come onto the plan up to \$20,000 without evidence of insurability or a current enrollee can increase their existing coverage up to an additional \$20,000 not to exceed the guarantee issue amount.

QUESTION 7

Do you currently utilize a consultant or broker for your Life and Supplemental Life plans?

ANSWER 7

We do not utilize a consultant or broker for our Life and Supplemental Life plans. We contract directly with an insurance company for these products. We are currently contracted with Minnesota Life Insurance Company.

Titled: GROUP TERM LIFE INSURANCE**QUESTION 8**

Are you able to provide a listing of the individual life claims paid from 10/02-12/07.

ANSWER 8

The life claims are included in the Experience attachment to the RFP. They are for the period 10/01/02 through 12/07. The totals for each fiscal year are provided, not individual claims.

QUESTION 9

Please advise whether or not there is a current agent/broker of record on the group life insurance coverage, and if so what level of commissions are payable to the broker by Minnesota Life?

ANSWER 9

There is no current agent of record for the group life insurance coverage.

QUESTION 10

Please confirm rates should not include commissions or any other compensation.

ANSWER 10

Rates should be net of any commission. Pinellas contracts with the insurance company, not the agent/broker, and considers commission to be a matter between those other parties.

QUESTION 11

Could you please clarify the retiree experience? Premium appears to fluctuate from year to year going from \$45,000 in 2002 to \$106,341 in 2004 back down to \$22,154 in 2007. Could you please explain this?

ANSWER 11

2007 represents period of time commencing 10/1/07 and thus is not a complete year.

QUESTION 12

Is there a proposal deposit applicable per Section B #7 (page 10 of 23)?

ANSWER 12

It is not applicable to this RFP.

QUESTION 13

We have a question about the experience provided by Minnesota Life. They intentionally left a gap in the 2007 claims and premium figures as well as the most up to date 2008 numbers. I would imagine this has been a common question thus far, but can you please have Minnesota Life provide both the missing time period information and the most current information for 2008 please?

We think it would be in the county's best interest as the experience has been trending much more positively in the past three years.

ANSWER 13

2007 represents period of time commencing 10/1/07 and thus is not a complete year. The 2008 information was not available upon issuance of this rfp, and thus will not be provided.

QUESTION 14

Please provided an individual claim listing by line of coverage.

ANSWER 14

This information is not available

QUESTION 15

Please provide the list of individuals out on PW. This list should include date of birth, name and face amount for each line of coverage.

ANSWER 15

Not material to response as the incumbent will be responsible for waiver claims.

QUESTION 16

Please confirm the Retiree rates.

ANSWER 16

It is included on page 16 of the RFP.

QUESTION 17

What were the volumes by fiscal year for the retiree group?

ANSWER 17

Please see attached.

QUESTION 18

Thank you for posting RFP #078-0343-P (AM). I am working up the proposal for Hartford Account Executive, Jacob Story. The experience you included with the RFP is appreciated. I have a question on the census.

Of the 4,177 active employees on the census, 358 have no Basic Life coverage amount listed. Are they to be excluded from coverage?

ANSWER 18

Only those who are showing an amount of coverage for Basic Life should be included.

QUESTION 19

Why is this case out to bid?

ANSWER 19

The current contract ends 9/30/08.

QUESTION 20

How long has your group been with Minnesota Mutual?

ANSWER 20

Since 10/01/01

QUESTION 21

Have there been any plan design changes in the last 5 years?

ANSWER 21

We implemented the \$20,000 limit for supplemental life increases or first-time enrollment for supplemental life at Annual Enrollment effective 7/1/03 and we added Optional Life for Spouse and Children and AD&D effective 10/01/06.

Titled: GROUP TERM LIFE INSURANCE**QUESTION 22**

Can you provide the rate history for the supplemental life and retiree supplemental life?

ANSWER 22

The rate history for employee supplemental life is in the Experience Report attached to the RFP. Step rates have been in effect since 10/01/04 and are provided in the RFP. The Experience Reports indicate a blended supplemental rate for the step rates.

Retiree supplemental life became available to employees who retired on or after 10/01/01. The rates in effect until 10/01/04 were as follows. Effective 10/01/04 the rates increased to the rates provided in the RFP.

Retiree Attained Age	Monthly Premium Per \$1,000 of Coverage
Under 30	\$.05
30-34	.07
35-39	.08
40-44	.08
45-49	.13
50-54	.19
55-59	.36
60-64	.55
65-69	1.06
70 & Over	1.72

QUESTION 23

Are the retiree's supplemental life plan design the same as the employees?

ANSWER 23

No. Retirees can only elect coverage in an amount up to annual salary in effect at the time of retirement, not to exceed \$100,000.

QUESTION 24

Have you received the renewal rates?

ANSWER 24

No. There are no renewals remaining.

QUESTION 25

Please confirm Minnesota Mutual will keep the employees currently on waiver. If the new carrier is expected to take over the individuals on waiver we will need a census with name, date of birth, date of disability and reason for disability.

ANSWER 25

Yes, the coverage for employees (including retirees) currently on waiver will remain with Minnesota Life.

QUESTION 26

Please confirm there is only 3 months of premium for 2007. If yes, can you provide updated experience or at least a full year of experience for 2007?

ANSWER 26

Pinellas County's fiscal year is from October 1 through September 30. The 2006 fiscal year reflected in the experience attachment includes October 1, 2006 through September 30, 2007. Three months of the 2007 fiscal year are also included in the attachment (Oct, Nov, Dec of 2007). Therefore the complete experience for calendar year 2007 is reflected in the experience attachment.

QUESTION 27

Please provide waiver claim information.

ANSWER 27

Change in waiver reserves are available in attachments to RFP, not individual claims.

QUESTION 28

Should we include only those employees on the census that are coded with a Y for basic life? There are approximately 362 employees on the census without codes and 30 employees that waived coverage.

ANSWER 28

Only those employees with a basic life amount should be included.

QUESTION 29

Please confirm there are 30 employees (including retirees) on basic life waiver and 19 employees (including retirees) on supplemental life waiver.

ANSWER 29

There are 29 on basic life waiver and 18 on supplemental life waiver.

QUESTION 30

There are employees listed as "active" under the basic life coverage but shown as retired under the supplemental life coverage...please confirm the correct status.

ANSWER 30

Employees approved for Waiver of Premium for Basic Life coverage and Waiver of Premium for Supplemental Life Coverage while employed, who subsequently retired, may bear a code of "E" but their correct status is "RETIREE" as indicated in the first column of the census under BENEFIT STATUS.

QUESTION 31

Some employees listed under the supplemental life coverage are shown without amounts. Can we obtain the coverage amounts?

ANSWER 31

Only the employees with an amount indicated for supplemental life have supplemental life coverage.

Titled: GROUP TERM LIFE INSURANCE

QUESTION 32

Please confirm the current contract allows for standalone dependent coverage. The census shows some employees without coverage and dependents with coverage.

ANSWER 32

Employees must have basic life insurance coverage in order to elect the optional dependent coverage.
