Recommended Action:

I RECOMMEND THE BOARD OF COUNTY COMMISSIONERS (BOARD) AWARD THE BID FOR ASPHALT - SI & SIII TO SUNCOAST PAVING, INC., TARPON SPRINGS, FLORIDA, FOR NORTH COUNTY REQUIREMENTS AND R. E. PURCELL CONSTRUCTION CO., INC., LARGO, FLORIDA FOR MID AND SOUTH COUNTY REQUIREMENTS, ON THE BASIS OF BEING THE LOWEST RESPONSIVE, RESPONSIBLE BIDS RECEIVED MEETING SPECIFICATIONS. BIDS ARE ON FILE IN THE PURCHASING DEPARTMENT.

Summary Explanation/Background:

This is a cooperative bid for SI and SIII asphalt, picked up, administered by Pinellas County and includes the cities of Dunedin, Oldsmar, St. Petersburg and Tarpon Springs. Bids for these materials are commonly awarded to vendors in north and mid-county areas. It has not been economically feasible for south and north crews to travel out of their immediate response area to pickup hot materials. Also, the material temperature is required to remain hot and travel time could cause cooling rendering the material non-usable. For this reason, the County has found it more advantageous to secure a source for asphalt in the North county area (Suncoast Paving, Inc.) and another source for requirements in the Mid and South county area (R. E. Purcell Construction Co., Inc.). This will also allow the County and Cooperative participants the opportunity to purchase material in the event of unavailability.

The contract allows for price adjustments (increase/decrease) on a monthly basis in an amount based on the Producer Price Index (PPI), Series PCU3241213241210121 - Industry: Asphalt paving mixture & block mfg, Product: Other liquid asphalt and tar paving materials.

This is a twelve (12) month contract with two (2) additional twelve (12) month term extensions. The term extensions are contingent upon the availability of funds and approval from the County Administrator.

Fiscal Impact/Cost/Revenue Summary:

PINELLAS COUNTY ESTIMATED ANNUAL EXPENDITURE NOT EXCEED:	\$184,637.50
CO-OP ESTIMATED ANNUAL EXPENDITURE NOT TO EXCEED:	\$331,700.00
