Summary Explanation/Background:

On December 11, 2008 the Purchasing Department on behalf of the Utilities Department let a bid for backflow prevention devices and assemblies to be ordered on an as needed basis. These devices are used to protect the potable water supply. Ten bids were received with awards by group recommended to five bidders.

This is a twenty-four (24) month contract from date of award. The contract allows for price adjustments (increase/decrease) every twelve (12) months in an amount not to exceed the average of the Producer Price Index for all Urban Consumers, Not Seasonally Adjusted, for Series id: PCU 3261, Plastics Product Manufacturing. The contract may be extended subject to written notice of agreement from the County and the successful bidder(s) for an additional twenty-four (24) month period beyond the primary contract period. This term extension shall be exercised only if all terms and conditions remain the same and the County Administrator or Director of Purchasing grants approval.

Fiscal Impact/Cost/Revenue Summary:

The twenty-four month contract value is estimated at \$528,427.86.

Funding for this project is from the Utilities Operating Budget.
