Price preference is not the preferred practice the County wishes to employ in meeting the goals of this resolution. DEFINITIONS:

Recovered Materials: Materials that have recycling potential, can be recycled, and have been diverted or removed from the solid waste stream for sale, use or reuse, by separation, collection, or processing.

The County will furnish a copy of the asbestos survey to the successful bidder. The contractor must keep this copy on site at all times during the actual demolition.

Payment will be made, in arrears, in accordance with Fla. Stat. § 218.70, et. seq., the Local Government Prompt Payment Act.

27. CANCELLATION:

- (b) Failure of the contractor to comply with any of the provisions of this contract shall be considered a material breach of contract and shall be cause for immediate termination of the contract at the discretion of Pinellas County.
- (c) In the event sufficient budgeted funds are not available for a new fiscal period, the County shall notify the vendor of such occurrence and contract shall terminate on the last day of current fiscal period without penalty or expense to the County.

If a bidder intends to subcontract a portion of this work, the bidder must disclose that intent in the bid. No assignment or subcontracting shall be allowed without prior written consent of the County. In the event of a corporate acquisition and/or merger, the Contractor shall provide written notice to the County within thirty (30) business days of Contractor's notice of such action or upon the occurrence of said action, whichever occurs first. The right to terminate this contract, which shall not be unreasonably exercised by the County, shall include, but not be limited to, instances in which a corporate acquisition and/or merger represent a conflict of interest or are contrary to any local, state, or federal laws. Action by the County awarding a bid to a bidder, which has disclosed its intent to assign or subcontract in its response to the ITB, without exception shall constitute approval for purposes of this Agreement.

33. **EXCEPTIONS:** Contractor is advised that if it wishes to take exception to any of the terms contained in this Bid or the attached service agreement it must identify the term and the exception in its response to the Bid. Failure to do so may lead County to declare any such term non-negotiable. Contractor's desire to take exception to a non-negotiable term will not disqualify it from consideration for award.

34. **NON-EXCLUSIVE CONTRACT:** Award of this Contract shall impose no obligation on the County to utilize the vendor for all work of this type, which may develop during the contract period. This is not an exclusive contract. The County specifically reserves the right to concurrently contract with other companies for similar work if it deems such action to be in the County's best interest. For purposes of this provision lobbying activities shall include but not be limited to, influencing or attempting to influence action or non-action in connection with any request for proposal, request for qualification, bid or contract through direct or indirect oral or written communication or an attempt to obtain goodwill of persons and/or entities specified in this provision. Such actions may cause any request for proposal, request for qualification, bid or contract to be rejected.

36. **ADDITIONAL REQUIREMENTS:** The County reserves the right to request additional goods or services relating to this Agreement from the Contractor. When approved by the County as an amendment to this Agreement and authorized in writing, the Contractor shall provide such additional requirements as may become necessary.

37. **ADD/DELETE LOCATIONS SERVICES:** The County reserves the right to unilaterally add or delete locations/services, either collectively or individually, at the County's sole option, at any time after award has been made as may be deemed necessary or in the best interests of the County. RECORDING EQUIPMENT MAINTENANCE
BID NUMBER: 089-0371-M(RM)
BID SUBMITTAL IS DUE: July 2, 2009 @ 3:00 PM

ADDENDUM NO. 1

Following is additional information, clarifications, questions and responses relative to referenced Invitation to Bid (ITB):

Clarification # 1:

It is the intention of the County to award this contract to a single bidder due to the crucial and critical nature of the equipment covered by this contract.

Question # 1:

Being the current maintenance provider and having reviewed the cost submittal sheet there is a line item missing for the Pinellas County Emergency Comm Ctr. The missing item is for maintenance on the ECC's NICE Recording equipment. This maintenance is a requirement based on the language in bid #089-0371-M(RM).

Response: Thank you for bringing this to Pinellas County's (County) attention. Pinellas County Emergency Communications management has provided the required information for the NICE Recording Equipment. Attachment A, Cost Submittal spreadsheet has been revised and is attached to this addendum. Please use the revised spreadsheet to submit your bid costs.

Question # 2:

My Nortel Engineer needs some additional info regarding the solutions in place now.
Can you please supply the System Serial number for the Nortel systems at the following sites?
Clearwater Police Department
City of Largo Police Department
Sunstar Ambulance
Pinellas Emergency Communication Center
City of St Petersburg Police Department

PLEASE ADDRESS REPLY TO:
400 South Ft. Harrison, Sixth Floor
Clearwater, Florida 33756
Phone: (727) 464-3311
FAX: (727) 464-3925
Website: www.pinellascounty.org/purchase

Answer: The table below lists the serial numbers for the Nortel systems at each site location.

| | | |
| Pinellas County Emergency Communication Center | 400 S. Fort Harrison Ave, Clearwater, FL | 318807129 |

Question # 3:

Could we get a copy of the RFP in Word format to better prepare our responses?

Answer: It is not necessary. The Cost Submittal Sheet is provided in Excel format. There are only two forms in word format that you need to return: Page 1 and page 12. The W-9 on page 16 is a pdf document. If you wish to take exception to any of the terms and conditions, you may do so by attaching an addendum to your bid submittal.

Question # 4:

Just wanted to touch base and see if there is any chance for an extension in responding to this RFP? We have bids that we are working on in 5 other County's and want to make sure we provide proper due diligence and the best possible price for our customers. An extension on this RFP will insure that we can accommodate and properly respond to your requirements.

Answer: Due to the sensitive nature of the contract and the time required to complete our due diligence prior to making an award, there is not sufficient time to extend the bid opening.

Question # 5:

On Page 12 of 19 Vendor References

We have over (100) E911 PSAPS that we provide 911 equipment, network, and/or ALI database services to as well as literally hundreds of Nortel references. While we don't intend to swamp you with references we would like to provide more than just 4. Can we attach additional copies of page 12 to document the references or a similar version?

Answer: Please use the Vendor Reference form, Page 12 to submit your references. The County will notify you if additional information is required.

Question # 6:
