### (3) PUBLIC ANNOUNCEMENT AND QUALIFICATION PROCEDURES.--

(a) Each agency shall publicly announce, in a uniform and consistent manner, each occasion when professional services must be purchased for a project the basic construction cost of which is estimated by the agency to exceed the threshold amount provided in s. 287.017 for CATEGORY FIVE (\$250,000) or for a planning or study activity when the fee for professional services exceeds the threshold amount provided in s. 287.017 for CATEGORY TWO (\$25,000), except in cases of valid public emergencies certified by the agency head. The public notice must include a general description of the project and must indicate how interested consultants may apply for consideration.

(b) Each agency shall encourage firms engaged in the lawful practice of their professions that desire to provide professional services to the agency to submit annually statements of qualifications and performance data.

(c) Any firm or individual desiring to provide professional services to the agency must first be certified by the agency as qualified pursuant to law and the regulations of the agency. The agency must find that the firm or individual to be employed is fully qualified to render the required service. Among the factors to be considered in making this finding are the capabilities, adequacy of personnel, past record, and experience of the firm or individual.

(d) Each agency shall evaluate professional services, including capabilities, adequacy of personnel, past record, experience, whether the firm is a certified minority business enterprise as defined by the Florida Small and Minority Business Assistance Act of 1985, and other factors determined by the agency to be applicable to its particular requirements. When securing professional services, an agency must endeavor to meet the minority business enterprise procurement goals under s. 287.09451.

(e) The public must not be excluded from the proceedings under this section.

### (4) COMPETITIVE SELECTION.--

(a) For each proposed project, the agency shall evaluate current statements of qualifications and performance data on file with the agency, together with those that may be submitted by other firms regarding the proposed project, and shall conduct discussions with, and may require public presentations by, no fewer than three firms regarding their qualifications, approach to the project, and ability to furnish the required services.

(b) The agency shall select in order of preference no fewer than three firms deemed to be the most highly qualified to perform the required services. In determining whether a firm is qualified, the agency shall consider such factors as the ability of professional personnel; whether a firm is a certified minority business enterprise; past performance; willingness to meet time and budget requirements; location; recent, current, and projected workloads of the firms; and the volume of work previously awarded to each firm by the agency, with the object of effecting an equitable distribution of contracts among qualified firms, provided such distribution does not violate the principle of selection of the most highly qualified firms. The agency may request, accept, and consider proposals for the compensation to be paid under the contract only during competitive negotiations under subsection (5).

(c) This subsection does not apply to a professional service contract for a project the basic construction cost of which is estimated by the agency to be not in excess of the threshold amount provided in s. 287.017 for CATEGORY FIVE (\$250,000) or for a planning or study activity when the fee for professional services is not in excess of the threshold amount provided in s. 287.017 for CATEGORY TWO (\$25,000).

(d) Nothing in this act shall be construed to prohibit a continuing contract between a firm and an agency.

## ATTACHMENT #2 – PROCUREMENT OF PERSONAL PROPERTY AND SERVICES

### (5) COMPETITIVE NEGOTIATION.--

(a) The agency shall negotiate a contract with the most qualified firm for professional services at compensation which the agency determines is fair, competitive, and reasonable. In making such determination, the agency shall conduct a detailed analysis of the cost of the professional services required in addition to considering their scope and complexity. For any lump-sum or cost-plus-a-fixed-fee professional service contract over the threshold amount provided in s. 287.017 for CATEGORY FOUR (\$150,000), the agency shall require the firm receiving the award to execute a truth-in-negotiation certificate stating that wage rates and other factual unit costs supporting the compensation are accurate, complete, and current at the time of contracting. Any professional service contract under which such a certificate is required must contain a provision that the original contract price and any additions thereto will be adjusted to exclude any significant sums by which the agency determines the contract price was increased due to inaccurate, incomplete, or noncurrent wage rates and other factual unit costs. All such contract adjustments must be made within 1 year following the end of the contract.

b) Should the agency be unable to negotiate a satisfactory contract with the firm considered to be the most qualified at a price the agency determines to be fair, competitive, and reasonable, negotiations with that firm must be formally terminated. The agency shall then undertake negotiations with the second most qualified firm. Failing accord with the second most qualified firm, the agency must terminate negotiations. The agency shall then undertake negotiations with the third most qualified firm.

(c) Should the agency be unable to negotiate a satisfactory contract with any of the selected firms, the agency shall select additional firms in the order of their competence and qualification and continue negotiations in accordance with this subsection until an agreement is reached.

### (6) PROHIBITION AGAINST CONTINGENT FEES.--

(a) Each contract entered into by the agency for professional services must contain a prohibition against contingent fees as follows: "The architect (or registered surveyor and mapper or professional engineer, as applicable) warrants that he or she has not employed or retained any company or person, other than a bona fide employee working solely for the architect (or registered surveyor and mapper, or professional engineer, as applicable) to solicit or secure this agreement and that he or she has not paid or agreed to pay any person, company, corporation, individual, or firm, other than a bona fide employee working solely for the architect (or registered surveyor and mapper or professional engineer, as applicable) any fee, commission, percentage, gift, or other consideration contingent upon or resulting from the award or making of this agreement." For the breach or violation of this provision, the agency shall have the right to terminate the agreement without liability and, at its discretion, to deduct from the contract price, or otherwise recover, the full amount of such fee, commission, percentage, gift, or consideration.

(b) Any individual, corporation, partnership, firm, or company, other than a bona fide employee working solely for an architect, professional engineer, or registered land surveyor and mapper, who offers, agrees, or contracts to solicit or secure agency contracts for professional services for any other individual, company, corporation, partnership, or firm and to be paid, or is paid, any fee, commission, percentage, gift, or other consideration contingent upon, or resulting from, the award or the making of a contract for professional services shall, upon conviction in a competent court of this state, be found guilty of a first degree misdemeanor, punishable as provided in s. 775.082 or s. 775.083.

(c) Any architect, professional engineer, or registered surveyor and mapper, or any group, association, company, corporation, firm, or partnership thereof, who offers to pay, or pays, any fee, commission, percentage, gift, or other consideration contingent upon, or resulting from, the award or making of any agency contract for professional services shall, upon conviction in a state court of competent authority, be found guilty of a first degree misdemeanor, punishable as provided in s. 775.082 or s. 775.083.

(d) Any agency official who offers to solicit or secure, or solicits or secures, a contract for professional services and to be paid, or is paid, any fee, commission, percentage, gift, or other consideration contingent upon the award or making of such a contract for professional services between the agency and any individual person, company, firm, partnership, or corporation shall, upon conviction by a court of competent authority, be found guilty of a first degree misdemeanor, punishable as provided in s. 775.082 or s. 775.083.

REQUEST FOR PROPOSAL: ONGOING LAND SURVEY AND MAPPING SERVICES

PROPOSAL NUMBER: 090-0347-CN (AM)

**PROPOSAL SUBMITTAL DATE IS REVISED TO: SEPTEMBER 14, 2010 @ 3:00 P.M.**

**ADDENDUM NO. 1**

Following is additional information, clarifications, questions and responses relative to referenced Request for Proposal (RFP):

**NOTICE IS GIVEN THAT THE SUBMITTAL DATE IS REVISED TO READ: SEPTEMBER 14, 2010.**

**NOTE: PLEASE SUBMIT ALL REQUIRED INFORMATION IN A SOFT COVER BINDER.**

**QUESTION 1:**

I have a question concerning Item 4e (Evaluation Criteria), Section B – Special Conditions on page 8 of 18 of the aforementioned RFP.

Item 4e states that a minority business will be awarded 50 points for being a minority business with the state of Florida. However it does not mention if a firm will get any points if it adds a team member that is a minority business. As I read the statement it appears that the only way a firm can get any points is for the prime to be a "minority business" with the state of Florida. So my question is, if we have a team member (subcontractor) who is a "minority business" with the state of Florida, would the team get any points under this section?

**ANSWER 1:**

No.

**QUESTION 2**

1.) Can the prime consultants be awarded minority business status evaluation points if the consultants has a minority business sub-consultant on their team?

2.) In section 3. submittal requirements item A.2. requests professional services to be offered. Are the services requested to be identified specific to the discipline of Survey and Mapping or all of the firms disciplines which may include engineering, environmental, transportation etc.

**ANSWER 2:**

1. No.
2. See page 9, Item 2, and Page 14, Item A.

**QUESTION 3:**

1. Does Attachment A ( Max FDOT Fee form) need to be submitted with proposal?
2. Does tab one have a page limit or is it included with the 100 page limit referenced?

**ANSWER 3:**

1. Yes.
2. Page 10, Item 3B states the following:

**“B. Tab 1 - Standard Form (SF) 330 – Part I & II**

**Should be a Maximum of 50 pages and fully completed as required by the law governing Standard Form (SF) 330.”**

The entire submission is a limit of 100 pages to include Tab 1.

All other specifications, terms and conditions remain the same.
