2. Our Legal Department has reviewed the Sample Agreement included with the RFQ and has the following changes/comments for your consideration:
- Section 10 – Change the last word of the section from “designed” to “designee”.
  - Section 12.4 – Insert the word “reasonable” prior to “access to the CONSULTANT’S facilities...” in the first sentence.
  - Section 13.1 – Insert “The County may not reuse any design plans or specifications to construct another project at the same or a different location without the Consultant’s prior written approval.” at the end of the section. This language has been included in previous Pinellas County contracts.
  - Section 24.1 – Delete the word “CONSULTANTS” in the following location “...material and equipment manufacturers, suppliers, distributors, or CONSULTANTS...” and replace with the word “contractors”.

***Answer: The sample agreement is an example. The successful proposer will be required to sign a contract in the form of the sample agreement. Specifics of the finalized agreement will be based on the requirements stated in the Scope of Work.***

Please confirm how the introduction tab is to be included in the page count. Should it be included in the 50 pages for Tab 1 or the 50 pages for the remaining tabs?
