SUBJECT: Final Ranking Recommendation of Request for Proposal (RFP) 145-0317-NC
(SS) Engineering Consulting Services - Beckett Bridge Replacement (Bridge No. 154000)

DATE: September 14, 2015

On July 20, 2015, the evaluation committee met to evaluate written proposals received for Request for Professional Services 145-0317-NC (SS) Engineering Consulting Services - Beckett Bridge Replacement (Bridge No. 154000) and determined the two responding firms would be evaluated for oral presentations. On September 2, 2015, the evaluation committee met to hear oral presentations from the two responding firms.

The Selection Committee agrees with the final ranking of firms and in coordination with the Planning & Design Division, it is recommended staff move forward with contract discussions with Hardesty & Hanover, LLC, the No.1 ranked firm for the services described in the above subject RFP.
