**SECTION A - GENERAL CONDITIONS****25. DISPUTE RESOLUTION FOR PINELLAS COUNTY BOARD OF COUNTY COMMISSIONERS IN MATTERS OF INVOICE PAYMENTS:**

Payment of invoices for work performed for Pinellas County Board of County Commissioners (County) is made, by standard, in arrears in accordance with Section 218.70, et. seq., Florida Statutes, the Local Government Prompt Payment Act.

If a dispute should arise as a result of non-payment of a payment request or invoice the following Dispute Resolution process shall apply:

A. Pinellas County shall notify a vendor in writing within ten (10) days after receipt of an improper invoice, that the invoice is improper. The notice should indicate what steps the vendor should undertake to correct the invoice and resubmit a proper invoice to the County. The steps taken by the vendor shall be that of initially contacting the requesting department to validate their invoice and receive a sign off from that entity that would indicate that the invoice in question is in keeping with the terms and conditions of the agreement. Once sign off is obtained, the vendor should then resubmit the invoice as a "Corrected Invoice" to the requesting department which will initiate the payment timeline.

1 Requesting department for this purpose is defined as the County department for whom the work is performed.

2 Proper invoice for this purpose is defined as an invoice submitted for work performed that meets prior agreed upon terms or conditions to the satisfaction of Pinellas County.

B. Should a dispute result between the vendor and the County about payment of a payment request or an invoice then the vendor should submit their dissatisfaction in writing to the Requesting Department. Each Requesting Department shall assign a representative who shall act as a "Dispute Manager" to resolve the issue at departmental level.

C. The Dispute Manager shall first initiate procedures to investigate the dispute and document the steps taken to resolve the issue in accordance with section 218.76 Florida Statutes. Such procedures shall be commenced no later than forty-five (45) days after the date on which the payment request or invoice was received by Pinellas County, and shall not extend beyond sixty (60) days after the date on which the payment request or invoice was received by Pinellas County.

D. The Dispute Manager should investigate and ascertain that the work, for which the payment request or invoice has been submitted, was performed to Pinellas County's satisfaction and duly accepted by the Proper Authority. Proper Authority for this purpose is defined as the Pinellas County representative who is designated as the approving authority for the work performed in the contractual document. The Dispute Manager shall perform the required investigation and arrive at a solution before or at the sixty (60) days timeframe for resolution of the dispute, per section 218.76, Florida Statutes. The County Administrator or his or her designee shall be the final arbiter in resolving the issue before it becomes a legal matter. The County Administrator or his or her designee will issue their decision in writing.

E. Pinellas County Dispute Resolution Procedures shall not be subject to Chapter 120 of the Florida Statutes. The procedures shall also, per section 218.76, Florida Statutes, not be intended as an administrative proceeding which would prohibit a court from ruling again on any action resulting from the dispute.

F. Should the dispute be resolved in the County's favor interest charges begin to accrue fifteen (15) days after the final decision made by the County. Should the dispute be resolved in the vendor's favor the County shall pay interest as of the original date the payment was due.

G. For any legal action to recover any fees due because of the application of sections 218.70 et. seq., Florida Statutes, an award shall be made to cover court costs and reasonable attorney fees, including those fees incurred as a result of an appeal, to the prevailing party. If it is found that the non-prevailing party held back any payment that was the reason for the dispute without having any reasonable lawful basis or fact to dispute the prevailing party's claim to those amounts.

Among the factors to be considered in making this finding are the capabilities, adequacy of personnel, past record, and experience of the firm or individual.

(d) Each agency shall evaluate professional services, including capabilities, adequacy of personnel, past record, experience, whether the firm is a certified minority business enterprise as defined by the Florida Small and Minority Business Assistance Act of 1985, and other factors determined by the agency to be applicable to its particular requirements. When securing professional services, an agency must endeavor to meet the minority business enterprise procurement goals under s. 287.09451.

(e) The public must not be excluded from the proceedings under this section.

### (4) COMPETITIVE SELECTION.--

(a) For each proposed project, the agency shall evaluate current statements of qualifications and performance data on file with the agency, together with those that may be submitted by other firms regarding the proposed project, and shall conduct discussions with, and may require public presentations by, no fewer than three firms regarding their qualifications, approach to the project, and ability to furnish the required services.

(b) The agency shall select in order of preference no fewer than three firms deemed to be the most highly qualified to perform the required services. In determining whether a firm is qualified, the agency shall consider such factors as the ability of professional personnel; whether a firm is a certified minority business enterprise; past performance; willingness to meet time and budget requirements; location; recent, current, and projected workloads of the firms; and the volume of work previously awarded to each firm by the agency, with the object of effecting an equitable distribution of contracts among qualified firms, provided such distribution does not violate the principle of selection of the most highly qualified firms. The agency may request, accept, and consider proposals for the compensation to be paid under the contract only during competitive negotiations under subsection (5).

(c) This subsection does not apply to a professional service contract for a project the basic construction cost of which is estimated by the agency to be not in excess of the threshold amount provided in s. 287.017 for CATEGORY FIVE (\$250,000) or for a planning or study activity when the fee for professional services is not in excess of the threshold amount provided in s. 287.017 for CATEGORY TWO (\$25,000).

(d) Nothing in this act shall be construed to prohibit a continuing contract between a firm and an agency.

**(5) COMPETITIVE NEGOTIATION.--**

(a) The agency shall negotiate a contract with the most qualified firm for professional services at compensation which the agency determines is fair, competitive, and reasonable. In making such determination, the agency shall conduct a detailed analysis of the cost of the professional services required in addition to considering their scope and complexity. For any lump-sum or cost-plus-a-fixed-fee professional service contract over the threshold amount provided in s. 287.017 for CATEGORY FOUR (\$150,000), the agency shall require the firm receiving the award to execute a truth-in-negotiation certificate stating that wage rates and other factual unit costs supporting the compensation are accurate, complete, and current at the time of contracting. Any professional service contract under which such a certificate is required must contain a provision that the original contract price and any additions thereto will be adjusted to exclude any significant sums by which the agency determines the contract price was increased due to inaccurate, incomplete, or noncurrent wage rates and other factual unit costs. All such contract adjustments must be made within 1 year following the end of the contract.

b) Should the agency be unable to negotiate a satisfactory contract with the firm considered to be the most qualified at a price the agency determines to be fair, competitive, and reasonable, negotiations with that firm must be formally terminated. The agency shall then undertake negotiations with the second most qualified firm. Failing accord with the second most qualified firm, the agency must terminate negotiations. The agency shall then undertake negotiations with the third most qualified firm.

(c) Should the agency be unable to negotiate a satisfactory contract with any of the selected firms, the agency shall select additional firms in the order of their competence and qualification and continue negotiations in accordance with this subsection until an agreement is reached.

**(6) PROHIBITION AGAINST CONTINGENT FEES.--**

(a) Each contract entered into by the agency for professional services must contain a prohibition against contingent fees as follows: "The architect (or registered surveyor and mapper or professional engineer, as applicable) warrants that he or she has not employed or retained any company or person, other than a bona fide employee working solely for the architect (or registered surveyor and mapper, or professional engineer, as applicable) to solicit or secure this agreement and that he or she has not paid or agreed to pay any person, company, corporation, individual, or firm, other than a bona fide employee working solely for the architect (or registered surveyor and mapper or professional engineer, as applicable) any fee, commission, percentage, gift, or other consideration contingent upon or resulting from the award or making of this agreement." For the breach or violation of this provision, the agency shall have the right to terminate the agreement without liability and, at its discretion, to deduct from the contract price, or otherwise recover, the full amount of such fee, commission, percentage, gift, or consideration.

(b) Any individual, corporation, partnership, firm, or company, other than a bona fide employee working solely for an architect, professional engineer, or registered land surveyor and mapper, who offers, agrees, or contracts to solicit or secure agency contracts for professional services for any other individual, company, corporation, partnership, or firm and to be paid, or is paid, any fee, commission, percentage, gift, or other consideration contingent upon, or resulting from, the award or the making of a contract for professional services shall, upon conviction in a competent court of this state, be found guilty of a first degree misdemeanor, punishable as provided in s. 775.082 or s. 775.083.

(c) Any architect, professional engineer, or registered surveyor and mapper, or any group, association, company, corporation, firm, or partnership thereof, who offers to pay, or pays, any fee, commission, percentage, gift, or other consideration contingent upon, or resulting from, the award or making of any agency contract for professional services shall, upon conviction in a state court of competent authority, be found guilty of a first degree misdemeanor, punishable as provided in s. 775.082 or s. 775.083.

(d) Any agency official who offers to solicit or secure, or solicits or secures, a contract for professional services and to be paid, or is paid, any fee, commission, percentage, gift, or other consideration contingent upon the award or making of such a contract for professional services between the agency and any individual person, company, firm, partnership, or corporation shall, upon conviction by a court of competent authority, be found guilty of a first degree misdemeanor, punishable as provided in s. 775.082 or s. 775.083.

(7) **AUTHORITY OF DEPARTMENT OF MANAGEMENT SERVICES.**--Notwithstanding any other provision of this section, the Department of Management Services shall be the agency of state government which is solely and exclusively authorized and empowered to administer and perform the functions described in subsections (3), (4), and (5) respecting all projects for which the funds necessary to complete same are appropriated to the Department of Management Services, irrespective of whether such projects are intended for the use and benefit of the Department of Management Services or any other agency of government. However, nothing herein shall be construed to be in derogation of any authority conferred on the Department of Management Services by other express provisions of law. Additionally, any agency of government may, with the approval of the Department of Management Services, delegate to the Department of Management Services authority to administer and perform the functions described in subsections (3), (4), and (5). Under the terms of the delegation, the agency may reserve its right to accept or reject a proposed contract.

(8) **STATE ASSISTANCE TO LOCAL AGENCIES.**--On any professional service contract for which the fee is over \$25,000, the Department of Transportation or the Department of Management Services shall provide, upon request by a municipality, political subdivision, school board, or school district, and upon reimbursement of the costs involved, assistance in selecting consultants and in negotiating consultant contracts.

(9) **APPLICABILITY TO DESIGN-BUILD CONTRACTS.**--

(b) The design criteria package must be prepared and sealed by a design criteria professional employed by or retained by the agency. If the agency elects to enter into a professional services contract for the preparation of the design criteria package, then the design criteria professional must be selected and contracted with under the requirements of subsections (4) and (5). A design criteria professional who has been selected to prepare the design criteria package is not eligible to render services under a design-build contract executed pursuant to the design criteria package.

(c) Except as otherwise provided in s. 337.11(7), the Department of Management Services shall adopt rules for the award of design-build contracts to be followed by state agencies. Each other agency must adopt rules or ordinances for the award of design-build contracts. Municipalities, political subdivisions, school districts, and school boards shall award design-build contracts by the use of a competitive proposal selection process as described in this subsection, or by the use of a qualifications-based selection process pursuant to subsections (3), (4), and (5) for entering into a contract whereby the selected firm will subsequently establish a guaranteed maximum price and guaranteed completion date. If the procuring agency elects the option of qualifications-based selection, during the selection of the design-build firm the procuring agency shall employ or retain a licensed design professional appropriate to the project to serve as the agency's representative. Procedures for the use of a competitive proposal selection process must include as a minimum the following:

1. The preparation of a design criteria package for the design and construction of the public construction project.
2. The qualification and selection of no fewer than three design-build firms as the most qualified, based on the qualifications, availability, and past work of the firms, including the partners or members thereof.
3. The criteria, procedures, and standards for the evaluation of design-build contract proposals or bids, based on price, technical, and design aspects of the public construction project, weighted for the project.
4. The solicitation of competitive proposals, pursuant to a design criteria package, from those qualified design-build firms and the evaluation of the responses or bids submitted by those firms based on the evaluation criteria and procedures established prior to the solicitation of competitive proposals.
5. For consultation with the employed or retained design criteria professional concerning the evaluation of the responses or bids submitted by the design-build firms, the supervision or approval by the agency of the detailed working drawings of the project; and for evaluation of the compliance of the project construction with the design criteria package by the design criteria professional.
6. In the case of public emergencies, for the agency head to declare an emergency and authorize negotiations with the best qualified design-build firm available at that time.

(10) REUSE OF EXISTING PLANS.--Notwithstanding any other provision of this section, there shall be no public notice requirement or utilization of the selection process as provided in this section for projects in which the agency is able to reuse existing plans from a prior project of the agency, or, in the case of a board as defined in s. 1013.01, a prior project of that or any other board. Except for plans of a board as defined in s. 1013.01, public notice for any plans that are intended to be reused at some future time must contain a statement that provides that the plans are subject to reuse in accordance with the provisions of this subsection.

REQUEST FOR PROPOSAL: Engineering Consultant Services for St. Petersburg-Clearwater  
International Airport

PROPOSAL NUMBER: 101-0030-CN (AM)

PROPOSAL SUBMITTAL IS DUE: FEBRUARY 3, 2011

**ADDENDUM NO.1**

Following is additional information, clarifications, questions and responses relative to referenced Request for Proposal (RFP):

**QUESTION 1 (4 related questions):**

- a) On Page 11 of the RFQ, it states several services that will be sought. Since our firm provides only architectural services, would the County like for us to submit for Architectural Services only or as a team with Consultants to provide the services listed on page 11 of the RFQ?
- b) *Are you looking for individual disciplines to submit such as Civil, Structural, Mechanical etc on this RFP?  
Or are you looking for an entire team with a Prime (ie: Architecture firm as Prime, with all disciplines on Pg. 11 as part of the design team as subconsultants)?*
- c) *If we are an Engineering firm with three disciplines (mechanical, electrical, plumbing), can we submit as a Prime Consultant for this contract for just Engineering Services?  
Or do we need to include an Architect, a Landscape Architect, and all the engineering disciplines on the above list?*
- d) Is St. Petersburg-Clearwater International Airport looking for a firm to provide services, either in-house or through a subconsulting arrangement, for all of the services listed on page 11 of the RFP under section 2 – Scope of Services, or should a firm indicate which services they are qualified and interested in providing to the airport?

**ANSWER 1:**

**Consultants should take into consideration the Scope of Work provided in Section E, Item C, Page 16 of the RFP and use best judgment as to what team would be appropriate to address the Scope of Work.**

**QUESTION 2:**

Our firm is not a MBE, if we submit as prime with a team of consultants who are MBE will our team be awarded any of the 50 points referenced on page 10 of the RFQ?

**ANSWER 2:**

**No. The prime has to be the MBE.**

**QUESTION 3:**

On Page 11 of the RFQ, Construction Management Services as a service that will be sought. Could you explain in greater detail what the County would like to see in response to that discipline? Since we are an architecture firm we would typically provide Construction Administration services as a part of our services, is this sufficient?

**ANSWER 3:**

**For work assignments to consultants that result in construction plans and specifications, the expectation, but not requirement, would be that the consultant would have construction administration capability for the work established by the plans.**

**QUESTION 4:**

May we schedule an appointment with you to review the previously submitted proposal for Engineering Consulting Services for St. Petersburg-Clearwater International Airport?

**ANSWER 4:**

**The cost estimates provided by these firms have no relevance to the current RFP and does not seem to be appropriate to the process.**

**QUESTION 5:**

Please confirm in which section of our submittal we should include the references for the proposed project manager as well as the current projected workload of the firm requested on page 17 of 21 in the RFP.

**ANSWER 5:**

**It should be included in Tab 6 of the response. Note: Please identify the response as that for items 3 and 5 of Page 17 of 21 of the RFP.**

**QUESTION 6:**

Please confirm that the 10-page limitation referenced on page 17 of 21 in the RFP applies to the Approach section only, which is to be included in Section H of the SF 330, and does not mean that the entire Section H of the SF 330 is limited to 10 pages.

**ANSWER 6:**

**The 10-page limitation referenced on page 17 of 21 (Item 4) in the RFP applies to the "Approach to a project section only.**

**QUESTION 7:**

Please confirm that "Page 1, Signature Page of the RFP" (page 13 of 21 in the RFP), which is to be included in Tab 5, refers to the signature page on page 2 of 21 in the RFP.

**ANSWER 7:**

Correct.

**QUESTION 8:**

Is "Attachment #1: Maximum Continuing Contract Fee Schedule Acceptance" Form required to be included in our submittal? If so, where should it be included?

**ANSWER 8:**

"Attachment #1: Maximum Continuing Contract Fee Schedule Acceptance" Form is no longer required in the submittal for the RFP.

**QUESTION 9:**

Is "Section F: Instructions for Bid Submittal" Form (page 18 of 21 in the RFP) required to be included in our submittal? If so, where should it be included?

**ANSWER 9:**

Yes. It should be included in Tab 6.

**QUESTION 10:**

Please clarify what is the "Bid Summary form" referenced on page 7 of 21 in the RFP. Is this form required to be included in our submittal? If so, please provide the form.

**ANSWER 10:**

This would refer to the signature page which is page 2 of 21 of the RFP and should be included in Tab 5 of the response.

**QUESTION 11:**

Please confirm whether the information requested under the "Introduction" tab (page 12 of 21 in the RFP) counts toward the 100-page limitation.

**ANSWER 11:**

Yes. It should be listed in Tab A of the response.

**QUESTION 12:**

Please confirm whether front/back covers and tabs count toward the 100-page limitation.

**ANSWER 12:**

No.

**QUESTION 13:**

Please clarify what is meant by a "soft cover 3 ring loose leaf binder" on page 13 of 21 in the RFP.

**ANSWER 13:**

Any 3 ring binder can be used.

**QUESTION 14:**

On Page 12 of 21 it states that "The submittal shall be limited to one hundred (100) pages." It also states that the Standard Form (SF) 330 - Part I & II "Should be a Maximum of 50 pages", and that "Information submitted in Tab 2 through Tab 6 should be a maximum of 50 pages." Will the items under the Introduction Tab be included in the 100 page limit?

**ANSWER 14:**

Yes.

**QUESTION 15:**

On Page 13 of 21 it states that the submittal "must be in a soft cover 3 ring loose leaf binder." Typically, our 3-ring binders are black or white hardcover with a clear insert pocket. We have located clear flexible 3-ring binders that should meet the soft cover requirement. Is this the type of binder that we should use for this proposal?

**ANSWER 15:**

See Answer 13.

**QUESTION 16:**

On page 12 of the RFP, under submittal requirements, A. Introduction Tab, number 2), you request respondents to provide "specific professional services to be offered." Are you looking for a list of services or are you looking for an expanded narrative about the professional services offered by the respondent firms?

**ANSWER 16:**

We are looking primarily for a list of services that may include a brief narrative.

**QUESTION 17:**

Since soft cover loose leaf binders typically do not have provision for displaying a proposal-specific cover with photos, would the County consider allowing the use of standard hard-cover binders? If not, does the County have instructions for labeling the front of the soft cover binder?

**ANSWER 17:**

See Answer 13.

**QUESTION 18:**

**Section D – Vendor References (Page 15 of RFP)**

Your instructions state that the four required references are to be "either **local commercial or governmental reference(s)** (Pinellas County Government references will not be accepted) that you have **previously performed similar contract services for.**"

Is "local" defined as being within the counties of Pinellas, Manatee, Hillsborough and Pasco (as is the case for defining office locations that are considered local in Item F of the evaluation criteria)?

If "similar contract services" is defined as being only aviation-related and we do not have four of those within the four-county area, would you prefer to have aviation references even if they are not within that local area? If not, could you further define what the County considers to be "similar contract services" so that we may be fully compliant with your request?

**ANSWER 18:**

The references can be related to the work requested, non- Pinellas County, non-local (out of the area).

**QUESTION 19:**

**Section E – Scope of Work (Page 17 of RFP)**

On this page are instructions regarding proposal content and the order in which information is to be presented. However, there is a different set of instructions on Page 12. Which is correct?

**ANSWER 19:**

Page 17 indicates that requirements listed on that page are also on pages 11-13. For items not covered on pages 11-13 such as items 3 and 5 of Page 17 please refer to Answer 5.

**QUESTION 20:**

**Section E – Scope of Work (Page 17 of RFP)**

Under Item 4, Approach to a Project, your instructions are that "Respondent shall use Section H 'Additional Information' of the SF330 to provide a ten (10) page maximum description of how the firm approaches aviation projects ..."

Just to clarify – is it the County's intent that the entire Section H may be used only for the project approach, or that the Section H is not page-limited but the approach is limited to 10 pages of the total Section H?

**ANSWER 20:**

Section H is not page-limited but the approach is limited to 10 pages of the total Section H?

**QUESTION 21:**

Who are the incumbents to this project?

**ANSWER 21:**

AVCON, Inc.

Environmental Science Associates Corporation

Kimley-Horn and Associates, Inc.

TBE Group, Inc.

The LPA Group Incorporated

URS Corporation Southern

**QUESTION 22:**

How many firms will be selected for the contract?

**ANSWER 22:**

That will be determined at the time that the responses are evaluated.

**QUESTION 23:**

Is a list of Plan holders available for review by prospective proposers?

**ANSWER 23:**

There is no list of Plan holders available for review. The notification of the RFP is sent to over 400 Consultants. Up until the time that the RFP is opened the County is not aware of the final number of responses that will be received.

All other specifications, terms and conditions remain the same.

Please remember to acknowledge receipt of this Addendum in Section G, Page 20, under Addendum No.1 and return with completed proposal package.

Sincerely,
