

PINELLAS COUNTY REAL PROPERTY DIVISION

APPLICATION GUIDELINES FOR PREPARING TO FILE A PETITION TO RELEASE FOR:

EASEMENTS, ROADS, RIGHT OF WAYS, OR ALLEYS **ESTABLISHED BY PLAT**

PUBLIC ROADS, RIGHT OF WAYS **ESTABLISHED BY DEED OR INSTRUMENT**

Applicant: Be advised that the application process consists of two parts:

1. A completed application packet with all requested documents is first submitted to Real Estate Management for review and verification.
2. Once staff review verification is complete and the petitioner decides to proceed, the petition is then submitted to the Board of County Commissioners for their review and consideration.
3. We believe the steps outlined below will help you to complete a successful Application.

SKETCH AND LEGAL DESCRIPTION

Your first step in the APPLICATION process is to contact a registered land surveyor to request a **SKETCH AND LEGAL DESCRIPTION 8.5 x 11 INCHES** that must be submitted with all applications. This sketch and legal must be **prepared, signed and sealed by a Registered Professional Land Surveyor**. The legal description needs to describe ONLY the portion of easement to be released.

NOTE: A survey of your property is not required or acceptable unless your request is to release an entire plat in preparation for redevelopment.

LETTERS OF NO OBJECTION

Letters are required from several sources stating “**NO OBJECTION**” to the requested release. Attached to this application is a “**SAMPLE LETTER**” together with names and addresses for the various Utility Companies you need to contact. **Each request for a no objection letter you send must have the sketch and legal description attached to help in the response time.** We also require a **LETTER OF “NO OBJECTION”** from your Homeowner Association, if applicable.

Additional **LETTERS OF NO OBJECTION** may be required as follows:

-If your property has a pond or retention area, or a portion of a pond or retention area, or any other SWFWMD permitted facility, please contact the Southwest Florida Water Management District (SWFWMD), contact information is provided on a following page. Request a **LETTER OF NO OBJECTION**, a copy of the original **SWFWMD Permit** for the pond and/or retention area and a copy of the **Transfer of Maintenance**, if applicable. Once you receive the information from the District, please obtain a **LETTER OF NO OBJECTION** from the current Maintenance Entity as stated on the permit or in the transfer of maintenance. The Maintenance Entity is usually the **HOMEOWNER ASSOCIATION** for your subdivision, and is responsible for maintaining the pond or retention area in accordance with the permit conditions.

PLEASE NOTE: THE LETTER FROM THE HOMEOWNER ASSOCIATION, AS MAINTENANCE ENTITY, IS A SEPARATE LETTER THAN THE LETTER FROM THE HOMEOWNER ASSOCIATION AS REFERENCED ABOVE.

-If your property abuts property inside City limits, please contact that City for a **LETTER OF NO OBJECTION**.

-If your property has an active lease, please obtain a **LETTER OF NO OBJECTION** from the Lessee.

-If your petition involves platted public right-of-way that is submerged, please request a **LETTER OF NO OBJECTION** from the **State of Florida, Department of Environmental Protection**. Contact information is provided on a following page.

-If your petition involves platted public right-of-way that is adjacent to a State Road, please contact the **Florida Department of Transportation** for a **LETTER OF NO OBJECTION**.

Please remember to have all response letters returned to you. Signed, original **LETTERS OF NO OBJECTION** are to be a part of the application package submitted by you for staff review and Board consideration.

NOTE: If you receive a letter of Objection advise us of this and call me to discuss your options for resolving the matter - 464-3773.

APPLICATION GUIDELINES

-Please include the names and addresses of all petitioners and the original signature of each of the petitioners on the attached APPLICATION where indicated. Also provide the address of the subject property, if different than the petitioner's address. Please include a **daytime telephone number** where you can be reached.

-If you are petitioning to release **platted lots**, please include in the application package, **PROOF OF OWNERSHIP** in the form of an affidavit of ownership from a title company or from your attorney, or copy of **DEED**.

-If you are petitioning to release a **portion of easement**, please include in the package, a copy of your **DEED** and a copy of the Easement as applicable.

-If your requested release of easement is in preparation to **build a pool, screen an existing pool or home addition**, please provide a to scale drawing of the proposed improvement.

-If your requested release of platted lots is in anticipation of re-platting or redevelopment, please include an 11 x 17 inch copy of the proposed site plan or plat.

-A Proof of Payment Certificate from the County Tax Collector's Office is required confirming that all current year and previous year taxes have been paid.

BOARD OF ADJUSTMENT VARIANCE

NOTE: A release of easement or other property interest may not be all that is required. It is recommended that you contact the Building, Development & Review Services Department (BDRS) at (727) 464-3888 to determine if a Board of Adjustment Variance may also be needed. If so, the BDRS Department staff can assist you with that process.

ONCE THE ABOVE STEPS HAVE BEEN COMPLETED, THE APPLICATION SHOULD BE READY TO SUBMIT TO REAL ESTATE MANAGEMENT FOR STAFF REVIEW AND FOR BOARD OF COUNTY COMMISSION CONSIDERATION.
