RE: Neighborhood Project Information Meeting  
**Haines Bayshore Road** Sidewalk Improvements PID# 002102A  
**Conducted Jointly** with Whitney Wolford Road Intersection Improvements Meeting

Dear Property Owner(s) or Resident(s):

This project will provide an unpaved shoulder and sidewalk along the south side of the road. The sidewalk width will be 10-feet wide from east of US 19 to the western entrance of Clearwater Central Catholic High School. From Oak Street to Sunrise Boulevard the sidewalk will be 5-feet wide. The proposed sidewalk will provide connectivity between the residential neighborhoods, Clearwater Central Catholic High School and ultimately the Duke Energy trail for pedestrians and bicyclists. This project is part of the Pinellas County Capital Improvement Program and will "Ensure Public Health, Safety and Welfare" through pedestrian improvements. The project is federally funded through a Local Agency Program Grant administered by the Florida Department of Transportation.

The meeting will be an open house held on May 24, 2017 from 5:30 p.m. to 7:30 p.m. with no formal presentation. The project team will display project information and answer questions about the project. An informational sheet with a location map for the meeting is attached. We encourage all interested persons to attend and express their view regarding the project and information presented.

For additional information, please contact Erin Lawson, Project Manager at [elawson@pinellascounty.org](mailto:elawson@pinellascounty.org).

Public participation is solicited without regard to race, color, national origin, age, sex, religion, disability, or family status. If you need special accommodations under the Americans with Disabilities Act, or require translation services (free of charge), please call (727) 464-4062 (VOICE/TDD) at least seven days before the meeting.

Thank you for your interest in this project.

Sincerely,

Gregory J. Cutrone, P.E., Manager  
Transportation Engineering Section

# Haines Bayshore Road Sidewalk Improvements

County PID: 002102A

Pinellas County (County) is hosting a neighborhood project information meeting on Wednesday, May 24, 2017 to provide information about the planned sidewalk improvements on Haines Bayshore Road. County representatives will be available at the meeting to review the proposed improvements and answer questions. Proposed improvements include providing sidewalks, curb ramps, driveways, unpaved shoulder, drainage and incidental work along the south side of the roadway. A 10-foot wide sidewalk is proposed from west of Cardinal Drive (connecting to the existing 10-foot wide sidewalk) to the western entrance of Clearwater Central Catholic High School. Segments of the existing open drainage ditch are proposed to be closed and piped in order to construct the sidewalk within the existing right-of-way.

## **PUBLIC INVOLVEMENT**

Your input is **one of the most important aspects** of this project. We have provided several ways for you to stay involved in this process including the neighborhood meeting, soliciting input via comment cards and providing information on the project website (*link provided to the right*).

## **PROJECT SCHEDULE**

Over the past several months, the project activities included data collection, field survey, development of roadway and sidewalk improvement plans, permitting and utility coordination. The project is currently funded for construction in summer 2018. These improvements are being paid for by a Local Agency Program (LAP) Federal Grant.

## **PROJECT CONTACT**

We encourage your participation in this project and invite your questions and comments. For more information, please contact the County's Project Manager, Ms. Erin Lawson. Her contact information is listed to the right.

## **Neighborhood Project Information Meeting**
