

# Children Drown Without A Sound

**Don't Let Them Out Of Your Sight!**

## Child-Safe Pool Tips

- **Utilize several barriers of protection around your pool**

- Enclose your pool with four-sided fencing, at least four foot high, with self-closing and self-latching gates
- Install a pool safety fence between the doors leading to your pool area and the water's edge
- Install safety alarms on all doors and windows leading out to the pool area

- **Maintain Adult Supervision**

- Never leave a child alone by a pool
- Designate a "child watcher" at all pool social functions
- Never rely on "floaties" or similar devices to provide child protection

- **Be Prepared**

- Know CPR
- Install a permanent phone jack at poolside
- Be sure everyone in the family knows how to swim
