

Late Payment Fee Assessment for Pinellas County Utilities Customers

Beginning February 1, 2010, a late payment fee will be charged on balances owed (*greater than \$5.00*) that are not received and credited to your account by the "Delinquent After" date on the bill. The late payment fee will be 10% of the charges due with a minimum of \$1.00 up to a maximum of \$500.00. Late payment fees may subject your account to a deposit charge due to delinquency.

For your convenience, you may also pay your bill by phone or online using a Visa or MasterCard credit card. These services are available by calling (727) **464-4000**, or by visiting ***www.pinellascounty.org/utilities*** and clicking on **EZ Pay Utility Bill** under "Billing."

For more information, Customer Service representatives are available from 8:00 a.m. to 5:00 p.m. Monday through Friday at (727) **464-4000**.
