

Understanding Your Utilities Bill

Name & Address

Customer and account name and billing address.

Meter Number

Serial number of meter serving your account.

Service Address

Address where your utility service is delivered.

Billing Period

Time span between prior and current meter readings (approximately two months).

Days

Number of days in billing period.

Usage History

Water usage for the past year (last 6 bills).

Services Billed

Pinellas County may be billing you on behalf of another agency; if so, contact that agency with questions.

Average Daily Use

Your account's average daily use for the period compared to the average use per person per day. Divide the figure shown by the number of people in your household.

Scheduled Reading Date

Next scheduled date for reading the water meter. Can vary 3-5 days before or after this date.

Deposit on Account

The amount of deposit being held on your account.

Web Payment EZ Pay

To pay your bill online, visit www.pinellascounty.org/utilities (select "EZPay Utility Bill" from "Billing" menu).

Meter Readings

Provides information on which your water charges are based (sewer charges also in some cases).

Prior

Reading obtained from previous meter reading.

Current

Most recent reading obtained from the meter.

Information Message

Special messages concerning water service and other items of interest appear in this space.

Evacuation Level

Hurricane evacuation level based on the service address. For questions, call (727) 464-3800.

Statement Date

The date your bill was issued.

Same Period Last Year

Amount of water (1,000 gallons) used for the same billing period 12 months ago.

Consumption

The amount of water usage (in 1,000 gallons) that registered on your meter for your water (sewer charges also in some cases). This is the difference (in 1,000 gallons) between the current and previous readings.

Return Stub

Separate at the perforation and return bottom portion with your payment or credit card information for proper credit.

Amount Due

Payments received after the delinquent date are subject to a Late Payment Fee (10% of balance due — \$1 minimum, \$500 maximum).
