

Application for Variance
From Pinellas County Code 82-3
County Reclaimed Water Shortage Conservation Measures

Important Instructions and Information

- Pinellas County may grant a variance from the terms of Pinellas County Code 82-3, County Reclaimed Water Shortage Conservation Measures, when such variance will not be contrary to the public interest and where, owing to special conditions, a literal enforcement of the provisions of the ordinance would result in hardship, irrigation system limitations, religious convictions, or the health and safety of the applicant
- Written application for a variance shall be submitted to the Pinellas County Utilities Conservation Department.
- The application for variance shall demonstrate that:
 - The variance shall not be in conflict with any other applicable ordinance or state law
 - The variance will not adversely affect the reclaimed water supply
 - The variance will not violate the general spirit and intent of the ordinance nor will it be inconsistent with the County Comprehensive Plan
- Pinellas County shall consider a variance from the County Reclaimed Water Shortage Conservation Measures as soon as possible after submittal of the written application.
- In granting any variance, Pinellas County may prescribe appropriate conditions and safeguards to assure conformance.
- Violations of such conditions and safeguards, when made a part of the terms under which the variance is granted, shall be deemed a violation of this section.
- Application shall be mailed to the following location:

Pinellas County Utilities Conservation Department
14 South Fort Harrison Avenue, 4th Floor
Clearwater, FL 33756

- For personal assistance, please call the Reclaimed Hotline at (727) 464-4273

Application for Variance
From Pinellas County Code 82-3
County Reclaimed Water Shortage Conservation Measures

Application Rates:

Total Gallons per Application _____

Number of Applications per Week _____

Gallons per Minute for Largest Zone _____ GPM at _____ PSI

Ponds Used for Reclaimed Storage (circle): Yes No

If Yes, Storage Capacity _____ Gallons

Please include a site map or provide a detailed irrigation plan.

Proposed Alternative

The County may grant a variance when such variance will not be contrary to the public interest and where, owing to special conditions, a literal enforcement of the provisions of the ordinance would result in hardship, irrigation system limitations, religious convictions or the health and

safety of the applicant. A variance shall not be in conflict with any other applicable ordinance, regulation, or state law, will not adversely affect the reclaimed water supply, will not violate the general spirit and intent of the reclaimed ordinance, nor will it be inconsistent with the County Comprehensive Plan.

- _____ Change allowable irrigation day(s) to (circle): Mo Tu We Th Fr Sa Su
- _____ Change allowable irrigation hours to: _____-_____ AM and/or _____-_____ PM
- _____ Separate the property into two or more sections (groups of zones) and allow each section to be irrigated according to an alternative watering schedule. If you choose this option, you must enclose a sketch or drawing that includes roads, buildings, or other landmarks that are used to determine the boundaries for each section of the property. In addition, you must also include this information for each section: Proposed day(s) and start and stop times for each irrigation event.
- _____ Other: _____

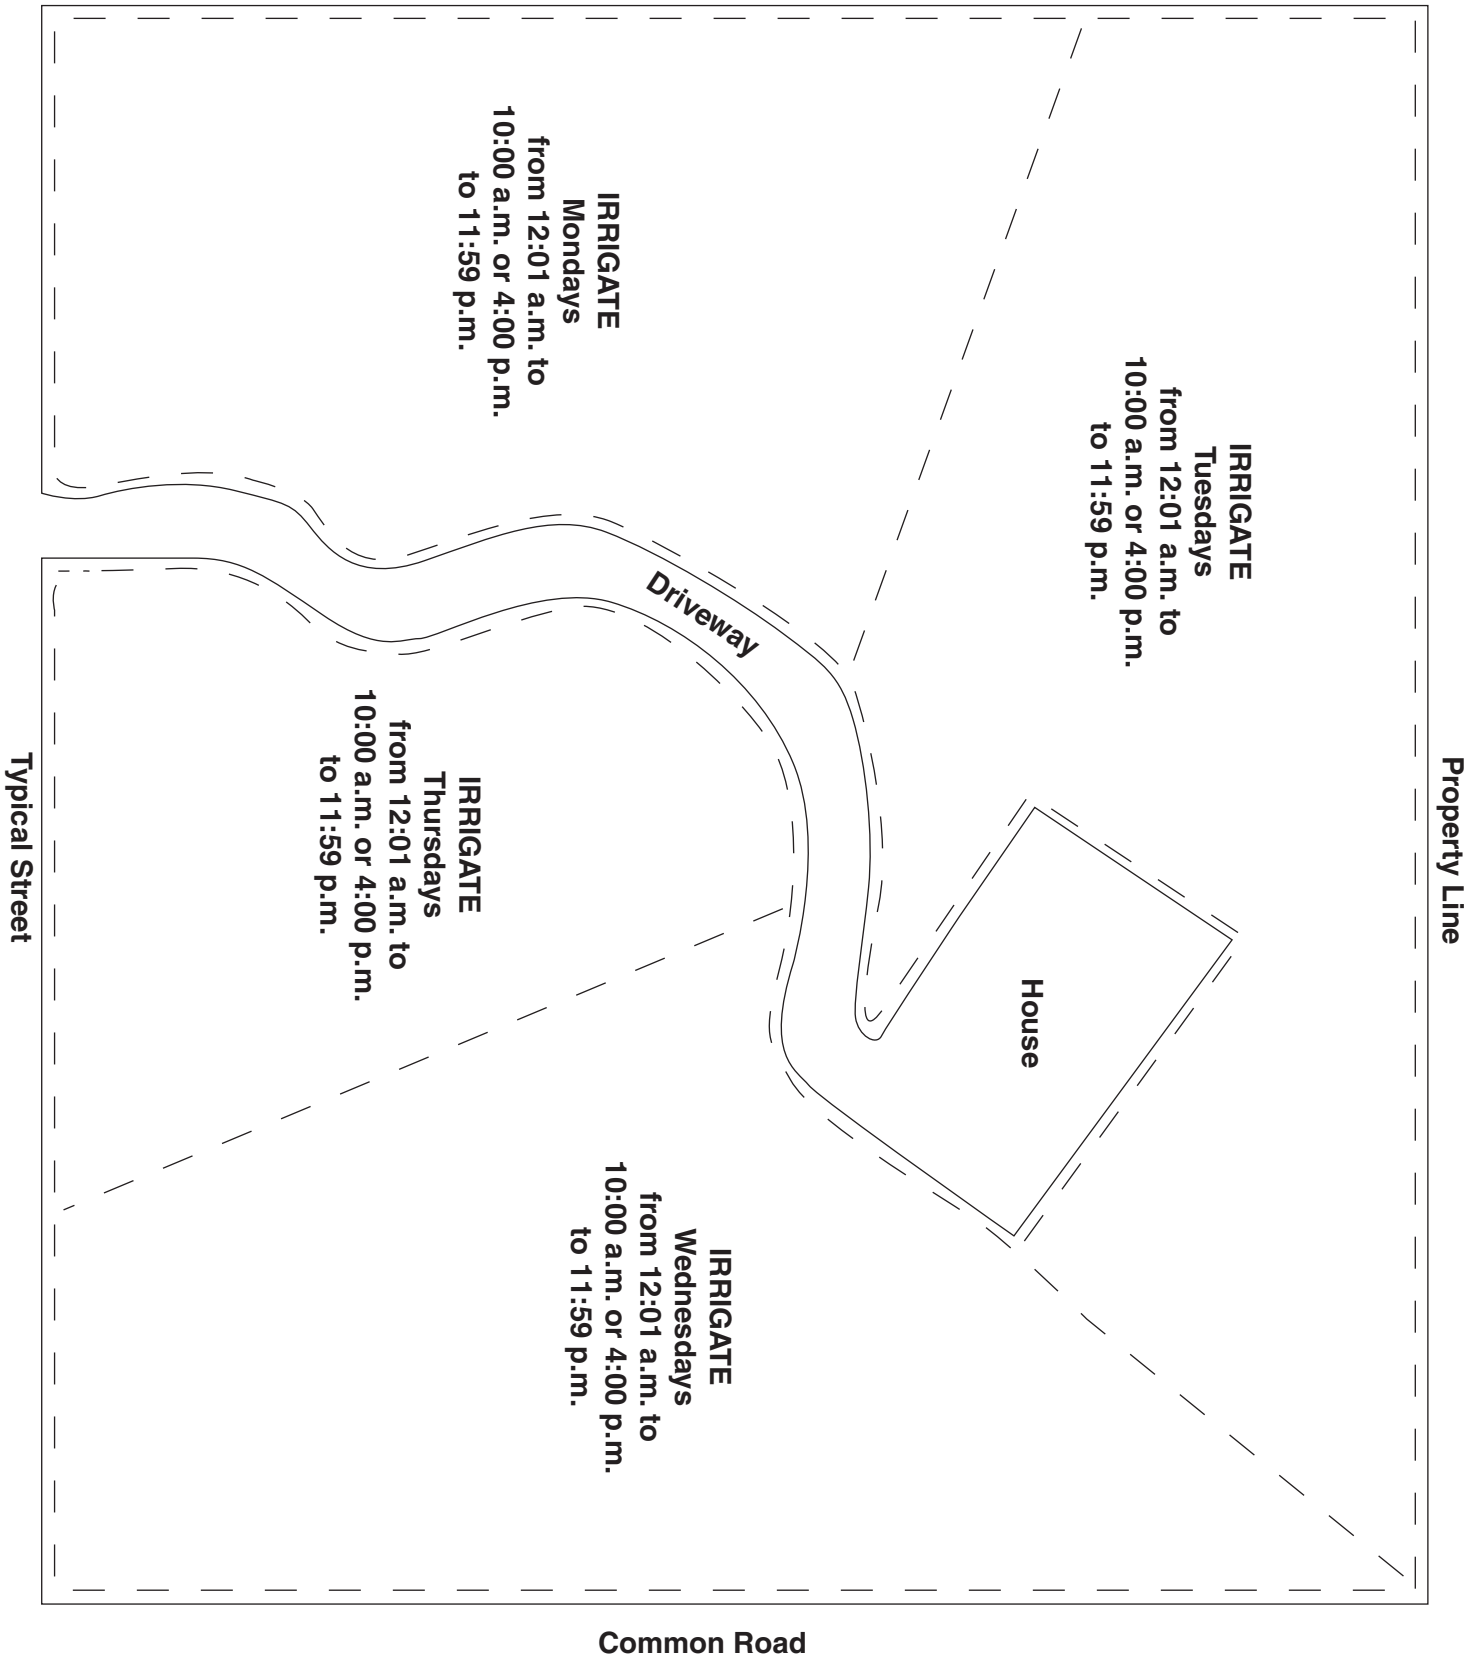

I hereby certify or affirm, to the best of my knowledge, that the information provided above or attached as a supplement is true and correct.

Signature: _____ Date: ____/____/____

SAMPLE MAP

If you need to separate your property into two or more sections to be irrigated according to an alternative irrigation schedule, you will need to submit a sketch or drawing that:

- Includes roads, buildings, or other landmarks.
- Includes property boundaries.
- Indicates the proposed irrigation day(s) and start and stop times.
- 8 1/2" x 11" paper is preferred.

Common Road
