Appliances

electric or gas-powered device such as stove, refrigerator, air conditioner, washer, dryer, dishwasher, freezer, or water heater

NOTE: Do **NOT** throw away [microwave ovens](#) (hazardous).

1. **Reduce** waste by repairing a broken appliance instead of replacing it. See “Appliance - Major - Repair” in the Yellow Pages to find over 70 appliance repair stores in Pinellas County that offer in-home service, or contact one of the used appliance dealers listed below in #4 for repair services.
2. **Reduce** waste if you buy a new appliance by selecting an [Energy Star appliance](#).
3. **Ask** the delivery person to take your old appliance if you have a new unit delivered.
4. **Sell** or **donate** appliances to a used appliance dealer for recycling. The following dealers accept used (empty) appliances even if you aren’t buying a new one.
