

HOW DO I GET RID OF IT?

The A to Z Guide for Recycling & Disposal in Pinellas County

<http://www.pinellascounty.org/utilities/getridofit>

Questions? Call Solid Waste at 464-7500.

All phone numbers are area code 727, unless otherwise indicated.

Motor Oil

*used motor oil from a car, truck, boat, motorcycle, recreational vehicle,
or lawn mower*

This is hazardous waste. Do NOT dispose with regular trash!

* To recycle used motor oil, pour it into a clean, empty plastic container with a lid, such as an empty milk jug. Do not mix used oil with other automotive fluids (such as antifreeze) or water since that can prevent recycling.

1. **Drop off** at a Pinellas County [mobile collection](#) or the [HEC₃ facility](#) for recycling (free for residents):
 - a) The container cannot exceed 5 gallons in size.
 - b) If you are bringing more than 5 gallons total, call first (464-7500).
2. **Drop off** at a convenient [Motor Oil Recycling Program site](#) for free recycling. There are over 60 locations in Pinellas County that accept used oil, including Autozone and Advance Auto Parts stores.
3. *Safety Harbor residents:* **Drop off** at Safety Harbor Public Works, 1200 Railroad Ave., 724-1550 (free for residents).
4. **Business options:**
 - a) **Drop off** motor oil (for a [fee](#)) at a Pinellas County [mobile collection](#) or an [EnviroBusiness Day](#) event at the HEC₃ facility.
 - b) **Contact** an oil recycler to request pickup (fee varies):

Name	City	Phone
