

Conservation Challenge Answer Key

REDUCING, REUSING, OR RECYCLING

recycling newspapers in the garage

recycling cans in the kitchen

recycling yard waste by leaving grass clippings on the lawn

reducing junk mail

utilizing reusable containers instead of disposable ones

SAVING WATER

using a hose nozzle so water can be turned on and off as needed

using reclaimed water for irrigation

washing the car on the grass using a bucket

keeping water in the refrigerator rather than waiting for it to run cold in the sink

using mulch in landscaping to reduce evaporation

WASTING WATER

poorly-aimed sprinkler watering the sidewalk

running a dishwasher that is not fully loaded

dripping faucet in the kitchen

running faucet in the bathroom

using the toilet as a wastebasket
