**Newspapers** – Clean and dry newspapers (including inserts). No string or twine. It's okay to put them inside a paper bag.

**Phone Books** – Recycle with mixed paper. Remove plastic wrap, bag, or magnets.

**Plastic Bottles** – Empty plastic bottles with a “neck” (opening smaller than the base) such as water, soda, shampoo, or ketchup bottles. No need to check for #1 or #2—just “check for a neck”. Bottles only; no tubs, cups, or bags. Labels okay. No caps or lids. Rinse and crush if possible.\*

**Steel (Tin) Cans** – Empty steel cans used for food such as soup or vegetable cans. Labels and lids okay. No aerosol cans or paint cans. Rinse if possible.\*

*\* It is not necessary to rinse or crush cans or bottles for collection. We encourage rinsing for sanitary reasons, and crushing to save space.*
