

Intern Opportunities

Position (Non-Paid):	Environmental Management Intern
Department:	Public Works
Duties:	Meet graduation requirements by assisting with environmental surface water and air quality programs. Students should have an interest or coursework in water or air resource management related to: Chemistry, biology, analysis, monitoring, engineering, Geographic Information Systems (GIS), restoration, policy, regulation, compliance, and/or enforcement.
Location:	22211 US Hwy. 19 N. Clearwater, FL 33765
Schedule:	Flexible
Additional Information:	Volunteers will be assigned tasks using computers, software, and equipment in office and/or field settings and may travel throughout the County by boat, truck or foot. Therefore, candidates must be comfortable working in and around streams, ponds, and coastal waterbodies. It is highly recommended that candidates be able to swim.
Facility Operating Hours:	Mon – Fri 7 a.m. to 5 p.m. with occasional Saturday events
Contact:	Natasha Dickrell by email
How to Apply:	Apply for Spring internship in Oct-Dec, for Summer in Feb-Apr, and Fall in May-July. Complete the brief internship application . Then email the department with information about your environmental career interests.
