

Volunteer Opportunities

Position:	Plant Operations Intern
Department:	South Cross Bayou Water Reclamation Facility
Duties:	Are you a vocational education or college student or someone who would like to get some practical experience under your belt? Would you like to know more about construction, engineering, IT networking, public administration or some other related course? Consider an internship/apprenticeship at our state-of-the-art facility. You may work on quality control with the SCADA programmers, or in warehouse support, or as a mechanic's or electrician's helper, and there may be basic lab work. Duties may also include some clerical and some cleanup.
Location:	South Cross Bayou Water Reclamation Facility 7401 54 th Ave. N. St. Petersburg, 33709
Map:	gmap
