| <b>Department:</b>               | <b>RCS in partnership with Pinellas County Human Services</b>  |
| <b>Duties:</b>                   | Sometimes it's the small things that help one heal. Rather than hiring a cleaning service, we want to keep that money in our program to help our families. Grace House is in need of a volunteer for light cleaning including vacuuming, sweeping, and dusting. This is a highly confidential atmosphere where victims of domestic violence go for safety. |
