

## Volunteer Opportunities

Position:	Public Outreach and Program Assistant
Department:	Solid Waste
Duties:	This is a great opportunity for someone with a passion about the environment. You can make a difference in the Pinellas County community by helping its residents reduce, reuse and recycle, and you can help the county reach the State of Florida's goal of recycling 75% of its waste by 2020! You will help citizens learn how to manage, recycle and dispose of their unwanted materials. You will work with staff to update information on the website and on printed materials including the A-Z Guide for Recycling and Disposal and the Recycling Directory. Learn about and assist with other recycling programs such as the beach/park recycling program.
Location:	3095 114th Ave.N, St. Petersburg, FL 33716
Мар:	gmap ●
Additional Information:	12+ hours per week. Helpful to have excellent customer service skills, telephone manners, writing skills, and working knowledge of MS Word. Some web training will be provided.
