

Volunteer Opportunities

Position:	Recycling Center Educator
Department:	Solid Waste Department
Duties:	Would you like to help improve the community while making a positive impact on the environment? The Pinellas County Solid Waste Department is seeking a cheerful and friendly volunteer to help us offer helpful suggestions on the methods of proper recycling. The volunteer will greet residents, provide information on recycling and the proper disposal of household items, and dispense educational materials.
Location:	3095 114 th Avenue North, St. Petersburg
Map:	gmap 
Additional Information:	Training will be provided. Involves working outdoors at a satellite recycling location. Should be comfortable standing and walking for a moderate amount of time.
Contact:	Jennifer Frey at (727) 464-7524
Facility Operating Hours:	Flexible to volunteer availability
