

OUR #WTRSHD

Watershed: an area of **land** that water flows across as it moves toward a **body of water** like Lake Tarpon, Joe's Creek or the Gulf of Mexico.

The things we do everyday effect our watershed — if you see trash on the ground, pick it up and put it in the garbage can, or better yet **recycle it!**

We can all **make a difference** if we  **our watershed.**

WATERSHED, WHERE WE LIVE **WORKPLAY**
