

Pinellas Youth Advisory Committee
MEETING MINUTES
April 15th, 2015

In Attendance:

Advisors: Ralph Reid, Ramona Madhosingh-Hector

Student Members: Aidan Evans, Brooke Gephart, Brooke Jaffe, Jake Behler, Jared LeVine, Jay Shah, JC Pritchett, Madison Blake, Marc LeVine, Maria Jose Plazas, Michael Schuller, Rebecca Cleppe

Agenda Outcomes:

I. Call to Order

II. Presentation on Charter Review

Mary Scott Hardwick presented to the group the possibility of an appointment to the Charter Review. They meet for one year starting in August and, because there is no voting or age restrictions, the position is available to any member of the Youth Advisory Committee. The only responsibility of being a member is to write a report to outline the changes wanted in the charter.

III. Watershed PSA

The group received posters promoting the Watershed PSA to hang in our schools. After viewing the promotional video, the group agreed upon a goal of 50 submitted photos by the end of the contest.

IV. Review of Mock BCC

The group shared their opinions of the Mock BCC Session and agreed that it was definitely fun and educated members on what goes on in a normal meeting of the BCC. The only suggestion for next year was that there should be a practice run before the actual session so that it runs smoothly.

V. Community Project Planning for Spring Semester

In order to advance in the progression of the Community Project for the Spring Semester, the majority of the group voted to serve lunch on a Sunday from 10:30 to 11:30 at St. Vincent de Paul. The date has yet to be decided upon.

VI. Meeting Minutes Review and Approval

The group approved the Meeting Minutes from March 18th, 2015 unanimously.

VII. Other Business

The next two future meetings were discussed. On May 19th at 6:00pm, there will be an End of Year Recognition Ceremony planned for YAC members during the meeting of the BCC. On May 20th, the group decided to have a meeting before the eTownhall to judge the Watershed PSA photo contest and to wrap up the year.

VIII. Adjournment
