Agenda Outcomes

- I. Call to Order
- II. Review/Approve Minutes – the meeting minutes were approved
- III. Watershed – it was decided to continue working on the water shed this year. There was no exact conclusion as to what the group wanted to do with Mrs. Burrell and Mrs. Bolling concerning the watershed but there is another confirmed Watershed PSA to be released. The filming location of the Watershed PSA is still unknown but Fort Desoto is an option that is being considered.
- IV. Service Projects – The group decided that they would like to branch away from a parks and recreation service project and possibly pursue a watershed service project. Other service project ideas we came up with included Habitat for Humanity, Pinellas County homeless shelter, veteran volunteering, animal shelter, and the RCS food pantry. After a few rounds of member voting the group narrowed down the list to either the Pinellas County homeless shelter or a local animal shelter. It was also brought up by a group member that last year's Lake Seminole project was successful and the group should consider another project there.
- V. Tallahassee Trip – Group member Jennifer Hu, in charge of researching the Tallahassee trip, is still awaiting an email response with information about the trip.
- VI. Other Business
- VII. Adjournment
