Agenda Outcomes –

I. Call to Order and approval of previous minutes

Dayita Wable, chairperson, called the meeting to order at 3:20 p.m. Committee had to table reviewing minutes until the following meeting due to not enough members attending the meeting to approve of them.

II. Community Service Project Experience

On January 21st 2017, the committee was at Taylor Park painting benches and helping out around the park for community service. Dayita mentioned that YAC should continue to volunteer at Taylor Park, especially for the relationships built with the park coordinators and YAC.

III. County Jail Experience

YAC talked about while touring the county jail, no one sugar coated it. It was a “scared straight” experience. It was very interesting how they had to adapt to different situations quickly, and this opportunity is recommended for members next year.

IV. Video project

YAC members went over the script Allie created. Allie wants to record the video March 22nd, before YAC’s meeting. Members also agreed on wearing their school shirts to show diversity.

V. Other Businesses and Adjourn

March 1st will be the day for supervisor of elections. YAC members are welcome to go to that and see what the supervisors do in the office. Dayita reminded YAC members the importance of consistently coming and being involved in the meetings. The meeting was motioned and seconded to adjourn at 3:46 p.m.
